

HALIDODO KN95

HALIDODO KN95 Face Mask User Manual

Model: KN95

INTRODUCTION

This user manual provides essential information for the proper use, care, and maintenance of your HALIDODO KN95 Face Masks. Designed for daily personal protection, these masks offer a comfortable and effective barrier against airborne particles.

KEY FEATURES

- **5-Ply Protection:** Constructed with 2 non-woven outer layers, 2 melt-blown inner filters, and 1 non-woven cotton middle layer for enhanced filtration.
- **High Filtration Efficiency:** Tested to achieve over 95% filtration efficiency against dust, PM 2.5, haze, smoke, and automobile exhaust.
- **Individually Wrapped:** Each mask is individually packaged to prevent contamination and ensure hygiene, making them convenient for portability.
- **Comfortable & Breathable:** Made with skin-friendly non-woven fabric to prevent irritation. Features high-elastic ear loops and an adjustable nose clip for a secure and comfortable fit.
- **Anti-Fog Design:** Engineered to create a tight seal that helps prevent glasses from fogging.

Overview of HALIDODO KN95 Face Mask key features, including individual wrapping, high filtration, 5-layer protection, and breathability.

5-LAYER OF PROTECTION

KN95 FACE MASK

Detailed breakdown of the 5-layer filtration system, showing each material layer and its function.

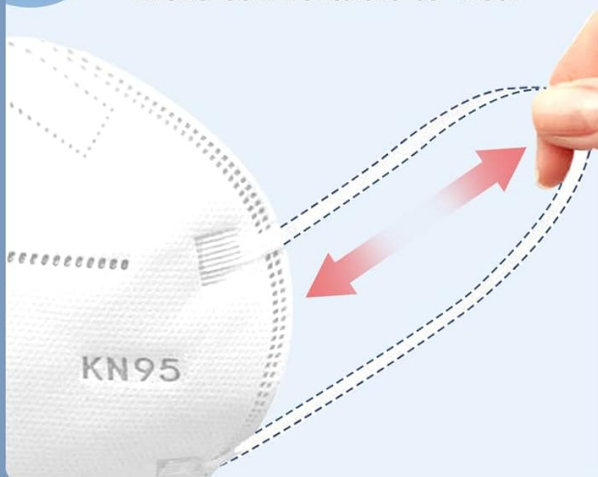

01 Individually Wrapped

Prevent secondary pollution

02 Elastic Ear Loop

More comfortable to wear

03 Adjustable Nose Clip

Fit your face perfectly

Features like individual packaging for hygiene, elastic ear loops for comfort, and an adjustable nose clip for a secure fit.

USAGE INSTRUCTIONS

Fitting Your Mask

1. Open the mask and hold it with both hands, ensuring the nose clip is at the top.
2. Place the mask over your nose and mouth, securing the ear loops behind your ears.
3. Adjust the nose clip to fit snugly over the bridge of your nose.
4. Ensure the mask covers your chin completely and forms a tight seal around the edges.

Recommended Usage Environments

HALIDODO KN95 masks are suitable for various daily activities and environments where personal protection is desired:

- Exercise (light activity)
- Public transportation (e.g., Subway)
- Educational settings (e.g., School)
- Workplaces (e.g., Office)
- Retail environments (e.g., Supermarket)
- General public places

Examples of suitable environments for wearing the HALIDODO KN95 Face Mask.

CARE AND MAINTENANCE

- Keep the face mask clean before use.
- Do not touch the rear side (inner surface) of the face mask during use or removal.
- Do not wash the face mask with water. Washing will compromise the filtering ability and protective nature of the mask.
- Do not steam the face mask or put it in the microwave.
- Discard the face mask when it becomes visibly dirty, damaged, or if breathing resistance increases remarkably.

Manufacturer	Guangzhou Nan Qi Xing Nonwoven Co., Ltd.
Country of Origin	China
Filter Class	KN95
Size	1 Count (Pack of 60)
Color	Red
Number of Items	60

TROUBLESHOOTING

Common Issues and Solutions

- **Mask feels too tight or loose:** Adjust the ear loops and nose clip. Ensure the mask is centered on your face.
- **Glasses fogging up:** Ensure the nose clip is tightly molded to the bridge of your nose to prevent air from escaping upwards.
- **Difficulty breathing:** If breathing resistance increases significantly, the mask may be clogged with particles. Discard and use a new mask.
- **Skin irritation:** While made with skin-friendly fabric, if irritation occurs, discontinue use. Ensure proper fit to avoid excessive rubbing.

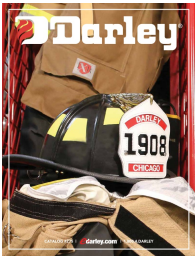

WARRANTY AND SUPPORT

HALIDODO is committed to providing high-quality products. For any questions or concerns related to your HALIDODO KN95 Face Masks, our customer service team is available to assist you. We offer 7*24 service to ensure a reassuring consumption experience.
