Jamara Ride-On Jeep Willys MB Army 12V Electric Car Instruction Manual

Model: 461815

1. IMPORTANT SAFETY INFORMATION

Please read this entire manual before assembling or operating the Jamara Ride-On Jeep Willys MB Army 12V Electric Car. Failure to follow these instructions may result in serious injury or property damage. Keep this manual for future reference.

- **Adult Supervision Required:** This product is a toy and must be assembled and operated under direct adult supervision at all times.
- **Age and Weight Limit:** This ride-on vehicle is designed for one child with a maximum weight of 25 kg. Do not exceed this weight limit.
- **Operating Environment:** Use only on flat, dry, paved surfaces. Avoid slopes, uneven terrain, sand, gravel, or water. Do not use on public roads, near motor vehicles, or in areas with heavy pedestrian traffic.
- **Protective Gear:** Always ensure the child wears appropriate safety gear, including a helmet, elbow pads, and knee pads.
- **Battery Safety:** The battery should only be charged by an adult. Use only the charger provided. Do not short-circuit the battery terminals. Keep batteries away from children.
- **Assembly:** Assembly must be performed by an adult. Ensure all parts are securely fastened before use.

2. PRODUCT COMPONENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- Main Vehicle Body
- Wheels (4)

- Steering Wheel
- Seat
- 12V Rechargeable Battery
- Battery Charger
- Assembly Hardware (screws, washers, nuts)
- User Manual

3. ASSEMBLY INSTRUCTIONS

Assembly is required and should be performed by an adult. Please follow these steps carefully.

3.1 Unpacking and Initial Inspection

1. Carefully remove all components from the packaging.
2. Lay out all parts and compare them with the parts list to ensure everything is present.
3. Inspect all parts for any signs of damage.

3.2 Attaching the Wheels

1. Attach each wheel to its respective axle using the provided washers and nuts.
2. Ensure the wheels are securely fastened but can still rotate freely.

3.3 Installing the Steering Wheel

1. Connect the steering column to the main vehicle body.
2. Attach the steering wheel to the steering column, ensuring it clicks into place or is secured with a screw.

3.4 Connecting the Battery

The battery is located under the hood of the jeep.

Image: Front view of the Jamara Ride-On Jeep with the hood open, revealing the battery compartment and internal wiring.

1. Open the hood of the jeep.

2. Connect the red battery terminal to the red wire and the black battery terminal to the black wire. Ensure connections are secure.
3. Close the hood securely.

3.5 Attaching the Seat

1. Place the seat onto the designated area on the vehicle body.
2. Secure the seat using the provided screws or clips.

3.6 Initial Battery Charge

Before first use, fully charge the battery for 8-12 hours. Do not overcharge for more than 20 hours.

4. OPERATING INSTRUCTIONS

Familiarize yourself with the controls before allowing a child to operate the vehicle.

4.1 Charging the Battery

1. Locate the charging port, typically near the battery compartment or on the dashboard.
2. Plug the charger into a standard wall outlet, then connect the charger to the vehicle's charging port.
3. Charge the battery for 8-12 hours. Disconnect the charger once charging is complete.

4.2 Powering On/Off

Image: Close-up of the Jamara Ride-On Jeep's dashboard, displaying the steering wheel, power button, and various control switches.

1. Press the power button on the dashboard to turn the vehicle on.
2. Press the power button again to turn the vehicle off.

4.3 Driving Controls

1. **Accelerator Pedal:** Press the foot pedal to move forward. Release to brake.
2. **Forward/Reverse Switch:** Use the switch on the dashboard to select forward or reverse gear.
3. **Steering Wheel:** Turn the steering wheel left or right to change direction.

4.4 Additional Features

Image: Rear view of the Jamara Ride-On Jeep, highlighting the rear storage compartment and details.

- **Lights:** The jeep features working headlights.
- **Storage:** A small storage area is available at the rear of the vehicle.

5. MAINTENANCE

Regular maintenance ensures the longevity and safe operation of your ride-on jeep.

- **Cleaning:** Wipe the vehicle with a soft, damp cloth. Do not use abrasive cleaners or solvents. Avoid spraying water directly onto electrical components.
- **Battery Care:** Recharge the battery after each use. If storing the vehicle for an extended period, charge the battery once a month to prolong its lifespan. Do not allow the battery to fully discharge for long periods.
- **Inspections:** Periodically check all screws, nuts, and electrical connections to ensure they are tight and secure. Inspect wheels for wear and tear.
- **Storage:** Store the vehicle in a dry, cool place away from direct sunlight and moisture.

6. TROUBLESHOOTING

If you encounter issues with your Jamara Ride-On Jeep, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Vehicle does not move	Battery is low or not connected; Power switch is off; Loose wire connection; Motor malfunction.	Charge the battery; Ensure battery terminals are securely connected; Turn on the power switch; Check all wire connections. If motor malfunction is suspected, contact customer support.
Vehicle moves slowly	Low battery charge; Overload (exceeding weight limit); Operating on unsuitable surface.	Recharge the battery; Ensure child's weight is within limits; Use on flat, hard surfaces.
Lights not working	Loose wire connection; Damaged bulb/LED.	Check wire connections to the lights; Contact customer support for replacement parts if necessary.

If the problem persists after attempting these solutions, please contact Jamara customer support.
