## SETUP

1. **Update Evercade Firmware:** Ensure your Evercade system has the latest firmware installed. This cartridge collection is compatible only with systems running updated firmware. Refer to your Evercade console's manual or the official Evercade website for firmware update instructions.

2. **Insert Cartridge:** Gently insert the Evercade C64 Collection 1 cartridge into the cartridge slot of your Evercade console until it clicks into place. Do not force the cartridge.

3. **Power On:** Power on your Evercade console. The system should recognize the cartridge and display the game selection menu.

## OPERATING INSTRUCTIONS

1. **Navigate Menu:** Use the directional controls on your Evercade console to navigate through the list of available games on the C64 Collection 1 cartridge.

2. **Select Game:** Press the 'A' button (or equivalent action button on your console) to select a game from the list.

3. **Start Game:** Once a game is selected, follow any on-screen prompts to begin playing. Some games may have introductory screens or options before gameplay starts.

4. **In-Game Controls:** Refer to the in-game instructions or the digital manual (if available on your Evercade system) for specific control schemes for each C64 title.

5. **Exiting a Game:** To return to the Evercade menu, typically press the 'Menu' or 'Home' button on your console.

## MAINTENANCE

- **Cartridge Care:** Handle the cartridge by its edges. Avoid touching the gold connector pins.
- **Cleaning:** If the cartridge pins become dirty, gently clean them with a soft, dry, lint-free cloth. Do not use liquids or abrasive materials.
- **Storage:** Store the cartridge in its protective case when not in use to prevent dust accumulation and physical damage. Keep it away from extreme temperatures, direct sunlight, and moisture.

## TROUBLESHOOTING

- **Cartridge Not Recognized:** Ensure the cartridge is fully and correctly inserted into the Evercade console. Try removing and re-inserting it. Check if your Evercade console's firmware is up to date.
- **Game Freezes or Crashes:** Try restarting the Evercade console. Ensure the cartridge is clean and properly seated.
- **Display Issues:** Verify that your Evercade console is correctly connected to your display device.

For persistent issues, please refer to your Evercade console's main instruction manual or visit the official Evercade support website for further assistance.
