Gorilla Carts GCSW-7PB

Gorilla Carts Foldable Wagon Instruction Manual

Model: GCSW-7PB | Brand: Gorilla Carts

1. INTRODUCTION

This manual provides detailed instructions for the safe and efficient use of your Gorilla Carts Foldable Wagon. Designed for versatility and durability, this wagon is ideal for transporting a wide range of items for various outdoor activities, shopping, and household tasks. Please read all instructions carefully before initial use.

2. SETUP

2.1 Unfolding the Wagon

1. Place the folded wagon on a flat, stable surface.
2. Release the securing strap that holds the wagon in its folded position.
3. Gently pull the sides of the wagon outwards until it fully expands.
4. Press down firmly on the center base of the wagon until it locks into place, creating a flat bottom.

DIMENSIONS

Image: Step-by-step visual of the wagon unfolding from its compact state.

2.2 Inserting the Bottom Support

- Locate the foldable bottom support panel.
- Place the panel inside the wagon, ensuring it lies flat and covers the entire base. This provides stability for hauling.

3. OPERATING INSTRUCTIONS

3.1 Hauling Capacity

The Gorilla Carts Foldable Wagon has a generous 7-cubic-foot hauling capacity and can support up to 150 pounds. Ensure weight is evenly distributed to maintain stability.

4. MAINTENANCE

4.1 Cleaning

The wagon's fabric is made from high-quality sport fabric that is easy to clean. For general cleaning, wipe down with a damp cloth and mild soap. Allow to air dry completely before folding and storing.

4.2 Wheel Care

Periodically inspect the all-terrain wheels for any debris, dirt, or wear. Clean the wheels as needed to ensure smooth operation. The flat-free tires do not require inflation.

5. TROUBLESHOOTING

5.1 Difficulty with Wheel Swivel

Some users have noted that the fixed rear wheels may try to swivel when the cart is pulled in a forward direction, potentially causing misalignment over time. If this occurs, it is possible to reverse the direction of the rear wheels for improved maneuverability. Consult a professional if you are unsure about performing this adjustment.

5.2 Folding/Unfolding Issues

If the wagon is difficult to fold or unfold, ensure that the central base is fully pushed down or pulled up, respectively. Check for any obstructions or debris in the folding mechanism. Applying a small amount of silicone lubricant to moving parts may help.

6. SPECIFICATIONS

Feature	Value
Product Dimensions	25.2"D x 2.4"W x 38.7"H
Brand	Gorilla Carts
Material	Canvas (Fabric), Metal (Frame)
Color	Blue
Special Feature	All-terrain
Number of Wheels	4
Weight Limit	150 Pounds
Assembly Required	No
Caster Type	Swivel (Front)
Item Model Number	GCSW-7PB
UPC	722571014674
Manufacturer	Tricam
Date First Available	July 19, 2022

7. WARRANTY & SUPPORT

Gorilla Carts products are designed for durability and reliability. For specific warranty information and customer support, please refer to the documentation included with your purchase or visit the official Gorilla Carts website. Contact customer service for any questions or assistance with your product.
