POLDR 12X 25-YH Black

POLDR 12X25 Small Binoculars Instruction Manual

Model: 12X 25-YH Black | Brand: POLDR

1. Introduction

Thank you for choosing the POLDR 12X25 Small Binoculars. These compact and lightweight binoculars are designed for clear vision and portability, making them ideal for a wide range of activities from bird watching to concerts. This manual provides essential information on setting up, operating, and maintaining your binoculars to ensure optimal performance and longevity.

2. Components

Familiarize yourself with the main components of your POLDR 12X25 Binoculars:

Image: Detailed diagram of the binoculars with key components labeled.

- **Diopter Adjusting:** For fine-tuning focus for individual eye differences.
- **Center Focusing Wheel:** Main control for adjusting focus.
- **Eyepiece:** Where you look through the binoculars.
- **Oculars Lens:** The lenses closest to your eyes.
- **Non-toxic Rubber Wrapped:** Provides a comfortable and secure grip.

3. Setup

Follow these steps to set up your binoculars for clear and sharp vision:

1. **Adjust Pupil Spacing:** Hold the binoculars with both hands and bend the body until the two fields of view merge into a single circular field. This adjusts the binoculars to fit your individual pupil spacing.
2. **Focus with Center Wheel:** Close your right eye and sight an object with your left eye. Rotate the center focusing wheel until the image is sharp and clear.

3. **Adjust Right Eyepiece (Diopter):** Open your right eye and close your left eye. Rotate the right eyepiece (diopter adjusting ring) until the object image is sharp and clear.

Once these adjustments are made, you should be able to use the center focusing wheel for quick and smooth focusing on various objects.

4. Operating Your Binoculars

Your POLDR 12X25 Binoculars are versatile and suitable for a variety of activities:

- **Opera & Theater:** Enhance your viewing experience by bringing distant stage performances closer.
- **Concerts & Touring Shows:** Get a better view of your favorite artists and performers.
- **Sporting Events:** Follow the action on the field or court with enhanced clarity.

- **Travel & Cruise:** Observe distant landmarks, wildlife, or marine life during your adventures.
- **Hiking & Camping:** Explore nature in detail, from distant mountain peaks to hidden wildlife.
- **Bird Watching:** Identify birds and observe their behaviors without disturbing them.

The portable neck strap ensures your binoculars are always within reach, allowing you to capture every detail without hassle.

5. Maintenance

Proper care will extend the life and performance of your binoculars:

- **Cleaning Lenses:** Use the provided clean cloth to gently wipe the lenses. For stubborn smudges, use a lens cleaning solution designed for optics. Avoid using abrasive cloths or harsh chemicals.

- **Cleaning Body:** Wipe the body with a soft, damp cloth.
- **Storage:** Store your binoculars in the provided nylon bag in a cool, dry place when not in use. Avoid extreme temperatures and high humidity.
- **Avoid Impact:** Protect your binoculars from drops and impacts, which can damage the internal optics.

6. Troubleshooting

If you encounter issues with your binoculars, try these common solutions:

- **Blurry Image:** Re-adjust the center focusing wheel. Ensure your pupil spacing is correctly set (Section 3). Check if lenses are dirty and clean them gently.
- **Double Image:** This usually indicates incorrect pupil spacing. Adjust the hinge until the two fields of view merge into one.
- **No Image:** Ensure lens caps are removed. Check for any obstructions on the lenses.

7. Specifications

Feature	Detail
Brand	POLDR
Model	12X 25-YH Black
Magnification	12x
Objective Lens Diameter	25mm
Product Dimensions	3.6 x 2.4 x 0.04 inches
Item Weight	5.6 ounces
