5. OPERATING INSTRUCTIONS

Using your rotating organizer tray is straightforward:

1. **Load Items:** Place your desired items, such as spice jars, condiments, bottles, or other small containers, onto the tray. Ensure items are distributed evenly to maintain balance.
2. **Rotate:** Gently rotate the tray by hand to access items stored at the back or sides. The smooth 360-degree rotation mechanism allows for easy retrieval without having to reach or move other items.
3. **Organize:** Utilize the tray to keep frequently used items within easy reach and maintain a tidy storage area.

6. MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your Kitchenwell Rotating Organizer Tray, follow these care instructions:

- **Cleaning:** Wipe the tray with a damp cloth and mild soap. Rinse thoroughly and dry completely before reuse. Avoid abrasive cleaners or scouring pads, as these can damage the polished plastic surface.
- **Storage:** Store the tray in a dry place when not in use.
- **Weight Limit:** Avoid overloading the tray with excessively heavy items, as this may affect the rotation mechanism or cause damage.

7. TROUBLESHOOTING

If you encounter any issues with your rotating organizer tray, please refer to the following common solutions:

Problem	Possible Cause	Solution
Tray does not rotate smoothly.	Uneven weight distribution or debris in the rotation mechanism.	Redistribute items evenly on the tray. Clean the base of the tray to remove any dust or debris.
Tray appears unstable.	Uneven surface or excessive weight.	Ensure the tray is placed on a flat, stable surface. Reduce the weight of items on the tray.
