## 1. INTRODUCTION

---

Thank you for choosing the Micool F2 Open Ear Bluetooth Headphones. This manual provides detailed instructions on how to set up, operate, and maintain your new headphones. Please read this manual carefully before use to ensure optimal performance and longevity of your device.

## 2. PACKAGE CONTENTS

---

Ensure all items are present in the package:

- Micool F2 Open Ear Bluetooth Headphones (Left and Right)
- Charging Case
- USB-C Charging Cable
- User Manual (this document)

## 3. PRODUCT OVERVIEW

---

The Micool F2 headphones are designed for comfort and clear audio, featuring an open-ear design with earhooks and a breathing light for enhanced visibility during sports activities.

*Image 1: Micool F2 Open Ear Bluetooth Headphones shown inside their charging case. The headphones are white with silver accents, and the charging case is also white. Green indicator lights are visible on both the headphones and the case, suggesting they are charging or powered on.*

## Key Features:

- **Open Ear Design:** Allows awareness of surroundings while listening.
- **Bluetooth V5.0:** Stable and efficient wireless connection.
- **HD Stereo Audio:** 28mm speakers for balanced bass, mid, and treble.
- **Breathing Light:** Green light on earhooks for visibility during night activities.
- **Long Battery Life:** Up to 15 hours per charge, 35 hours total with charging case.
- **Multifunction Buttons:** Easy control for music, calls, and voice assistant.
- **Comfortable Fit:** Sponge earmuffs designed for extended wear without discomfort.
- **USB-C Charging:** Modern and convenient charging for the case.

## 4. SETUP

### 4.1 Charging the Headphones and Case

Before first use, fully charge both the headphones and the charging case.

1. Place the headphones into the charging case. Ensure they are correctly seated.
2. Connect the USB-C charging cable to the charging port on the case and the other end to a USB power source (e.g., wall adapter, computer USB port).
3. The battery indicator on the charging case will show the charging status. A full charge is indicated when all lights are solid.
4. The headphones will also show a charging indicator (e.g., green breathing light) while charging inside the case.

A full charge provides up to 15 hours of listening time for the headphones, and the fully charged case can recharge the headphones 2-2.5 times, offering a total of up to 35 hours of use.

## 4.2 Pairing with a Bluetooth Device

1. **Power On:** Open the charging case. The headphones will automatically power on and enter pairing mode. You may see the breathing light activate.
2. **Activate Bluetooth:** On your smartphone or other Bluetooth-enabled device, go to the Bluetooth settings and turn on Bluetooth.
3. **Search for Device:** Your device will scan for available Bluetooth devices. Look for "Micool F2" or a similar name in the list.
4. **Connect:** Select "Micool F2" to connect. Once connected, you will hear an audio prompt, and the breathing light may change its pattern or turn off.
5. **Reconnect:** After initial pairing, the headphones will automatically connect to the last paired device when removed from the case and within range.

## 5. OPERATION

---

The Micool F2 headphones feature multifunction buttons on each earbud for easy control.

### 5.1 Power On/Off

- **Power On:** Open the charging case, or press and hold the multifunction button on each earbud for 3 seconds.
- **Power Off:** Place the headphones back into the charging case and close the lid, or press and hold the multifunction button on each earbud for 5 seconds.

### 5.2 Music Playback

- **Play/Pause:** Single tap the multifunction button on either earbud.
- **Next Song:** Double tap the multifunction button on the right earbud.
- **Previous Song:** Double tap the multifunction button on the left earbud.
- **Volume Up:** Triple tap the multifunction button on the right earbud.
- **Volume Down:** Triple tap the multifunction button on the left earbud.

### 5.3 Call Management

- **Answer/End Call:** Single tap the multifunction button on either earbud.
- **Reject Call:** Press and hold the multifunction button on either earbud for 2 seconds.

### 5.4 Voice Assistant

- **Activate Voice Assistant:** Press and hold the multifunction button on either earbud for 3 seconds (when not on a call).

## 5.5 Breathing Light Function

The earhooks feature a green breathing light. This light activates when the headphones are powered on, providing increased visibility for users during nighttime activities like running or walking, enhancing safety by making your presence more noticeable to passing vehicles.

*Video 1: This video demonstrates the Micool F2 Open Ear Bluetooth Headphones, highlighting their design and the green breathing light feature. It shows the headphones in their charging case, then removed and placed on a surface, with the green light clearly visible on the earhooks. The video also briefly shows the charging case's indicator lights.*

## 6. WEARING INSTRUCTIONS

To ensure optimal sound quality and comfort:

1. Identify the left (L) and right (R) earbuds.
2. Gently place the earbud over your ear, positioning the earhook behind your ear.
3. Adjust the earbud so the speaker rests comfortably near your ear canal without entering it, allowing for an open-ear listening experience.
4. The sponge earmuffs are designed to provide comfort during long periods of wear.

## 7. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the headphones and charging case. Do not use liquids or abrasive cleaners.
- **Storage:** When not in use, store the headphones in their charging case to protect them and keep them charged. Store in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To preserve battery life, charge the headphones and case regularly, even if not used frequently. Avoid fully depleting the battery for extended periods.

## 8. TROUBLESHOOTING

| Problem                      | Solution  |
|------------------------------|---|
| Headphones do not power on.  | Ensure the headphones are charged. Place them in the charging case and connect the case to power.   |
| Cannot pair with device.     | <ul style="list-style-type: none"><li>• Ensure Bluetooth is enabled on your device.</li><li>• Make sure the headphones are in pairing mode (open case).</li><li>• Forget "Micool F2" from your device's Bluetooth list and try pairing again.</li><li>• Ensure headphones are within Bluetooth range (typically 10 meters).</li></ul> |
| No sound or low volume.      | <ul style="list-style-type: none"><li>• Adjust volume on both the headphones and your connected device.</li><li>• Ensure headphones are properly connected to your device.</li><li>• Check if the headphones are charged.</li></ul>   |
| Breathing light not working. | Ensure the headphones are powered on. If the issue persists, contact customer support.  |
