MOTPK B01011188C2USDFODK

MOTPK 55-Inch L-Shaped Gaming Desk with LED Lights and Power Outlets Instruction Manual

Model: B01011188C2USDFODK | Brand: MOTPK

1. PRODUCT OVERVIEW

The MOTPK 55-inch L-Shaped Gaming Desk is designed to provide an ergonomic and functional workspace for gamers. It features integrated LED lighting, built-in power outlets with USB ports, a large monitor shelf, and a durable carbon fiber textured surface. Its L-shaped design is optimized for corner placement, maximizing space efficiency.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions may result in injury or damage to the product.

- This product has a maximum weight limit of 220 lbs (approximately 100 kg). Do not exceed this limit to ensure stability and prevent structural damage.
- Ensure proper assembly as detailed in the instructions to maintain desk stability and prevent wobbling.
- Exercise caution when handling electrical components, including LED lights and power outlets, to avoid electrical shock.
- Always unplug the desk from the power source when not in use or before cleaning and maintenance.
- Keep liquids away from electrical components to prevent short circuits and electrical hazards.
- Do not modify the electrical components or wiring of the desk. Contact qualified personnel for any repairs.

3. ASSEMBLY INSTRUCTIONS

Assembly of the MOTPK Gaming Desk is designed to be straightforward. It is recommended to have at least one person for assembly, though two people may make the process easier.

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the included parts list.
2. **Review Manual:** Read the detailed installation manual thoroughly before beginning assembly.
3. **Follow Step-by-Step Video:** For visual guidance, scan the QR code provided in the manual or visit the MOTPK brand store for a step-by-step assembly video. This can significantly reduce assembly time.
4. **Install Power Outlets:** It is advised to install the built-in power outlets onto the desk surface before attaching the upper monitor shelf to the desktop back. This provides easier access for securing the outlets.
5. **Secure Connections:** Ensure all screws and connections are tightened securely for a stable structure. Adjustable leg pads should be used to level the desk on uneven surfaces.

4. OPERATING INSTRUCTIONS

4.1 LED Strips Lights

The desk is equipped with high-quality LED strips offering multiple colors and modes to enhance your gaming environment.

- **Power On/Off:** Connect the LED strip power cable to the built-in power outlet or a suitable power source. Use the included remote control or integrated button (if available) to turn the lights on or off.
- **Color Selection:** Cycle through 10 different light colors to match your preference.
- **Mode Selection:** Choose from 7 lighting modes (e.g., static, fade, strobe) and 20 dynamic modes for various effects.
- **Speed Adjustment:** Adjust the flashing speed of dynamic modes using the controls.

4.2 Power Outlets and USB Ports

The desk includes a built-in socket with 2 AC outlets and 2 USB ports for convenient device charging and power supply.

- **AC Outlets:** Use the 125V/12A AC outlets to power your computer, monitors, and other peripherals.
- **USB Ports:** The 5V/2A USB ports are suitable for charging smartphones, tablets, and other USB-powered devices.
- **Usage:** Plug devices directly into the integrated outlets and USB ports. Ensure devices are compatible with the provided power specifications.

4.3 Monitor Shelf and Storage

The large monitor shelf supports up to 40 lbs and provides an ergonomic viewing height between 29.5 inches and 36.7 inches. The L-shaped design also includes additional storage shelves for your PC tower and other accessories.

- **Monitor Placement:** Place your monitor(s) on the elevated shelf for improved posture and reduced neck strain.
- **PC Tower Storage:** Utilize the dedicated lower shelf for your PC tower, keeping it off the floor and integrated into the desk design.
- **Headphone Hook:** Use the rotatable headphone hook to keep your headphones organized and easily accessible.

5. MAINTENANCE

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the carbon fiber texture or finish. For electrical components, ensure the desk is unplugged and use a dry cloth.
- **Tighten Fasteners:** Periodically check and tighten all screws and fasteners to ensure the desk remains stable and secure.
- **Cable Management:** Organize cables to prevent tangles and reduce strain on connections.
- **LED Strips:** If LED strips become dirty, gently wipe them with a dry, soft cloth. Do not immerse in water.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Desk wobbles	Uneven floor; loose fasteners	Adjust leg pads to level the desk. Check and tighten all assembly screws.

Problem	Possible Cause	Solution
LED lights not working	Power cable disconnected; faulty LED strip; remote control battery low	Ensure power cable is securely plugged in. Check remote control battery. If issues persist, contact customer support.
Power outlets/USB ports not working	Desk not plugged into wall outlet; internal wiring issue	Verify the desk's main power cord is plugged into a functional wall outlet. Ensure the power strip is correctly installed. If still not working, contact customer support.
Monitor shelf feels unstable	Overloaded; loose connections	Ensure the weight on the monitor shelf does not exceed 40 lbs. Re-tighten all screws securing the monitor shelf.

7. SPECIFICATIONS

Feature	Detail
Brand	MOTPK
Model Number	B01011188C2USDFODK
Desk Design	L-Shaped Computer Desk
Color	Black
Product Dimensions (D x W x H)	27.56"D x 55.11"W x 36.22"H
