

## Carrera CA1007/s

# Carrera CA1007/s Sunglasses Instruction Manual

Model: CA1007/s

## 1. INTRODUCTION

---

The Carrera CA1007/S sunglasses are designed for men, featuring a bold rectangular shape that combines sporty style with functional design. Crafted with a lightweight metal and plastic frame, these sunglasses provide durability and comfort for everyday wear. They are suitable for outdoor activities and casual outings, complementing dynamic lifestyles.

### 3. SETUP AND FITTING

---

Upon receiving your Carrera CA1007/s sunglasses, inspect them for any visible damage. These sunglasses feature a low or standard bridge fit with a wide frame, designed to be ideal for larger face shapes. The dimensions are as follows:

- **Lens Width:** 62 Millimeters
- **Bridge Width:** 18 Millimeters
- **Arm Length:** 140 Millimeters

### 4. OPERATING INSTRUCTIONS

---

The Carrera CA1007/s sunglasses are designed for comfortable and protective wear. The dark gray gradient lenses are crafted from durable polycarbonate, offering several benefits:

- **UV Protection:** Provides excellent protection against harmful ultraviolet light.
- **Glare Reduction:** Helps reduce glare for clear vision.
- **Gradient Tint:** The gradient tint reduces brightness from overhead light sources, which is particularly useful for activities like driving, while maintaining clarity in the lower field of vision.
- **Non-Polarized:** These lenses are non-polarized.

Wear your sunglasses during outdoor activities such as fishing and running, or for casual use, to protect your eyes and enhance visual comfort.

### 5. MAINTENANCE AND CARE

---

Proper care will extend the life and maintain the clarity of your Carrera CA1007/s sunglasses.

### Cleaning Instructions:

- **Spot Clean:** Use the provided microfiber cleaning cloth to gently wipe the lenses and frame.
- For stubborn smudges, lightly dampen the microfiber cloth with water or a specialized lens cleaning solution (like the one in the Designer iWear Care Kit, if included). Avoid using harsh chemicals, paper towels, or clothing, as these can scratch the lenses.
- Do not submerge the sunglasses in water.

### Storage:

- When not in use, store your sunglasses in the Carrera-branded protective case or the sunglasses pouch to prevent scratches and damage.
- Avoid leaving sunglasses in direct sunlight for extended periods, especially in hot environments like a car dashboard, as extreme heat can damage the frame and lens coatings.

## 6. TROUBLESHOOTING

---

This section addresses common issues you might encounter with your sunglasses.

### Common Issues:

- **Smudged Lenses:** Use the provided microfiber cleaning cloth to gently wipe the lenses. If smudges persist, use a small amount of lens cleaning solution.
- **Loose Screws:** If the hinges feel loose, use the included screwdriver keychain to carefully tighten the small screws on the hinges. Do not overtighten.
- **Frame Discomfort:** If the frame feels uncomfortable, it may require professional adjustment. Consult an optician for proper fitting.

## 7. SPECIFICATIONS

---

Detailed specifications for the Carrera CA1007/s Sunglasses:
