## Monster MH22107

# Monster N-Lite Clear Talk Wireless Earbuds Instruction Manual

Model: MH22107

## INTRODUCTION

The Monster N-Lite Clear Talk Wireless Earbuds are designed to provide a high-quality audio experience with advanced features for active lifestyles. These earbuds incorporate Bluetooth 5.3 technology for stable connectivity, CVC 8.0 noise reduction for clear calls, and an IPX8 waterproof rating for durability. Enjoy extended listening times and comfortable wear with an ergonomic design.

## WHAT'S IN THE Box

- Monster N-Lite Clear Talk Wireless Earbuds
- Charging Case
- USB-C Charging Cable
- Multiple Sizes of Ear Tips (6 sizes included)

## SETUP

### 1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. The charging case provides additional power for extended use.

- Connect the provided USB-C charging cable to the charging port on the case and to a power source.
- The LED indicator on the case will show charging status.
- A 5-minute charge can provide approximately 2 hours of listening time. The total playtime with the charging case is up to 60 hours.

# Full-day Playtime

Charge for 5 minutes, listen to music for 2 hours, Immerse yourself in the music world all day long

8HR Music

1 HR Charge

60 HR Playtime

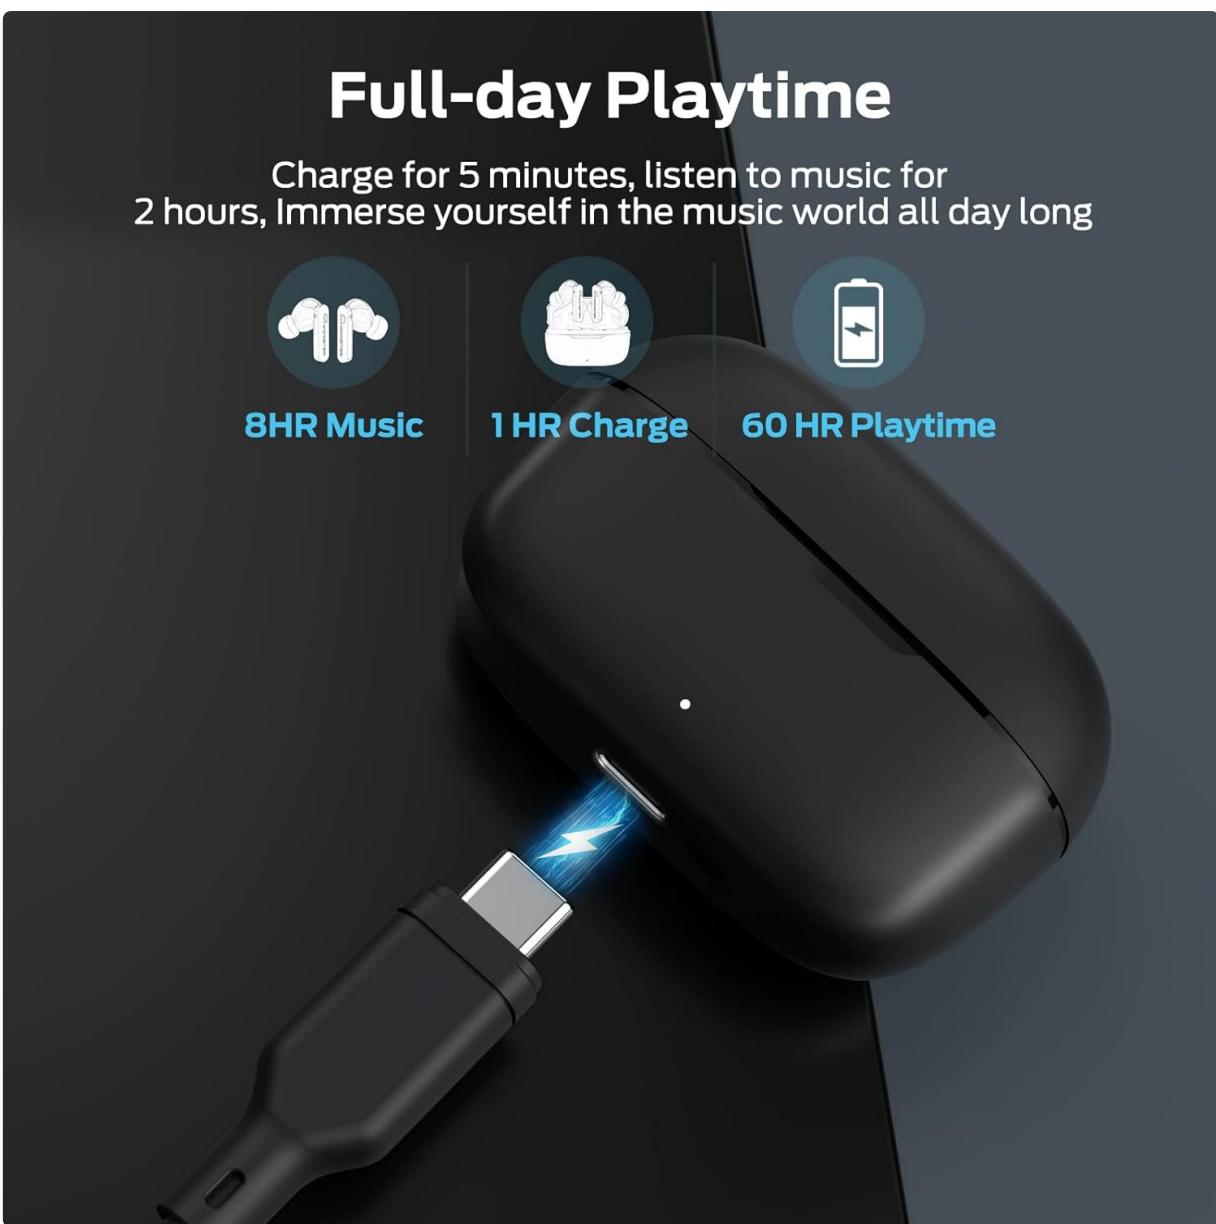

Image: The earbuds and charging case are shown with a USB-C cable, highlighting the fast charging capability and the impressive 60-hour total playtime.

## 2. Pairing with Your Device

The earbuds feature rapid one-step pairing for convenience.

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), go to Bluetooth settings.
3. Select "Monster N-Lite Clear Talk" from the list of available devices.
4. Once connected, you will hear an audio confirmation.

# CD-Level Sound Quality

Immersive 10 mm drivers provide generous Big Bass sound, every tone to its original brilliance.

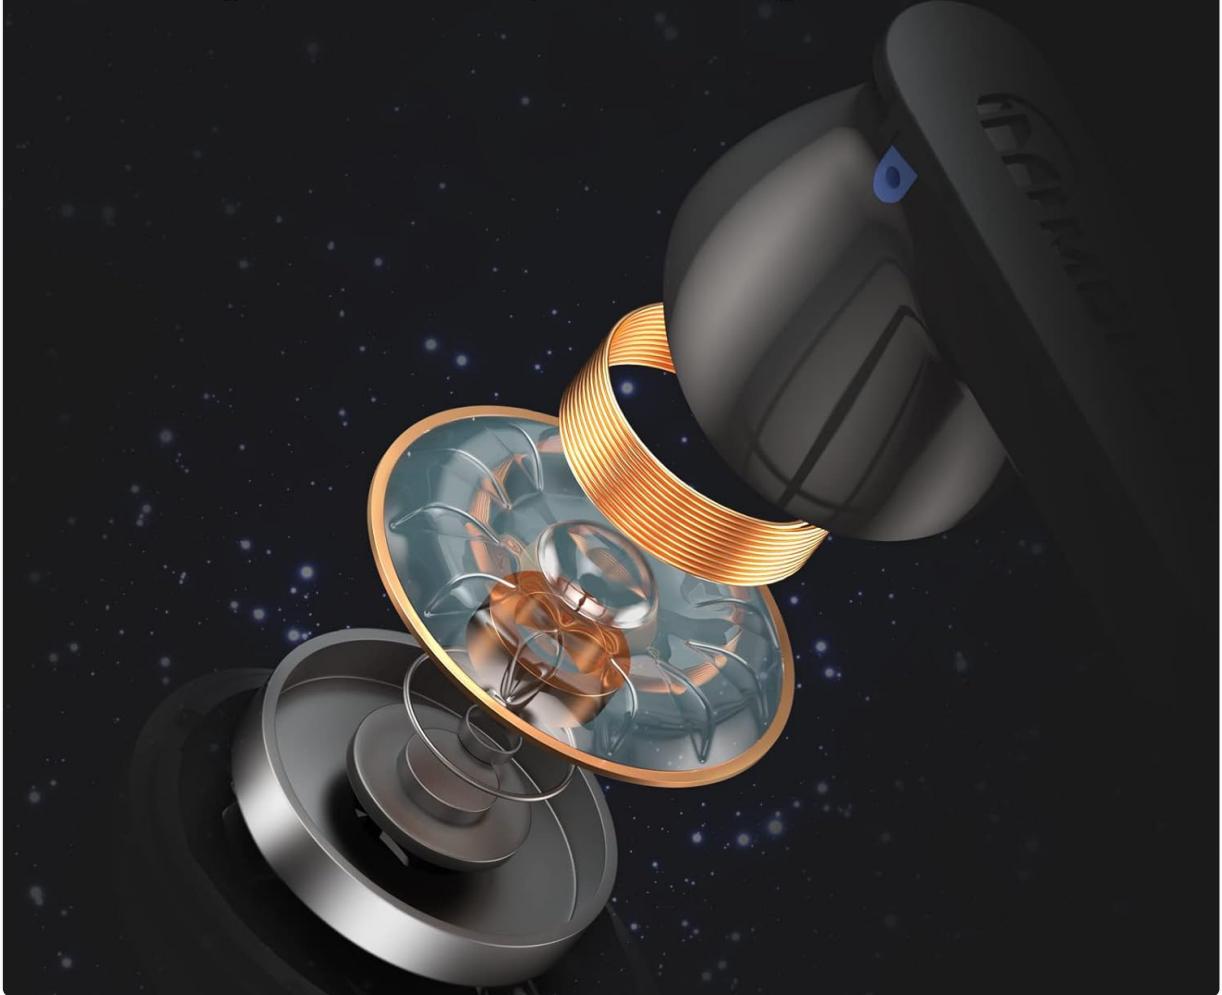

Image: The earbuds and their charging case are shown alongside a smartphone screen, illustrating the simple process of connecting via Bluetooth for quick setup.

## 3. Selecting the Right Ear Tips

For optimal sound quality and comfort, choose the ear tips that best fit your ears. The package includes 6 different sizes.

- Gently pull off the pre-installed ear tips.
- Select a size that creates a snug seal in your ear canal without causing discomfort.
- Press the new ear tips firmly onto the earbuds until they click into place.

Image: A person is shown wearing one earbud, emphasizing the comfortable and secure fit achieved through the ergonomic design and proper ear tip selection.

## OPERATING INSTRUCTIONS

### 1. Touch Controls

The earbuds feature intuitive touch controls for managing audio and calls.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Volume Up:** Triple tap on the right earbud.
- **Volume Down:** Triple tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call or active call.
- **Reject Call:** Press and hold either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Press and hold either earbud for 2 seconds (when not on a call).

### 2. Sound Quality

Experience CD-level sound quality with immersive audio and generous bass, thanks to the 10mm dynamic

drivers.

## Free Talk Face To Face

Bluetooth 5.3 and 4 Microphone & Advanced Noise-Canceling Technology allow N-Lite to make clear calls in noisy Environments.

Image: An internal diagram of the earbud highlights the 10mm dynamic driver, emphasizing the high-fidelity sound and rich bass it produces.

### 3. Clear Talk with Noise Reduction

The earbuds are equipped with CVC 8.0 noise reduction technology and 4 microphones to ensure clear calls even in noisy environments.

# IP-X8 waterproof rating

Resistant to sweat, water and rain

Image: A detailed view of the earbud's internal components, including the Bluetooth 5.3 chip and microphones, illustrates the Environmental Noise Cancellation (ENC) feature for clear communication.

## MAINTENANCE

### 1. Waterproof Rating

The earbuds and charging case feature an IPX8 waterproof rating, making them resistant to sweat, water, and rain. They can withstand immersion in 1 meter of water for up to 30 minutes.

# Forultimate Comfort

With Lightweight Design Based On Ergonomics  
Even If Used For A Long Time, No Discomfort

Image: The earbuds are depicted submerged in water, visually confirming their IPX8 waterproof capability, making them suitable for use during workouts or in rainy conditions.

## 2. Cleaning and Storage

- Regularly clean the ear tips and charging contacts with a soft, dry cloth to prevent debris buildup.
- Store the earbuds in their charging case when not in use to protect them and ensure they remain charged.
- Avoid exposing the earbuds to extreme temperatures or direct sunlight for prolonged periods.

## TROUBLESHOOTING

- **Earbuds not pairing:** Ensure both earbuds are in the charging case, then open the lid to re-enter pairing mode. Check your device's Bluetooth settings to ensure it's discoverable.
- **No sound:** Verify that the earbuds are charged and properly connected to your device. Check the volume levels on both the earbuds and your device.
- **Poor call quality:** Ensure the microphones are not obstructed. Try moving to a quieter environment.
- **Earbuds not charging:** Clean the charging contacts on both the earbuds and the case. Ensure the charging cable is securely connected.

If you encounter persistent issues, please refer to the Warranty and Support section for contact information.
