## OPERATING YOUR BAR CART

The TUTOTAK Bar Cart is designed for ease of use and adaptability. Its 360° rotating casters allow for effortless movement across various floor surfaces. Two of these casters are equipped with brakes, enabling you to secure the cart in a stationary position when needed. The integrated handle provides easy control for steering the cart.

### Key Features for Operation:

- **Mobility:** Four 360° rotating casters ensure smooth movement.
- **Stability:** Two casters include brakes to prevent unintended sliding.
- **Storage:** Three spacious shelves provide ample room for items. The top tier includes a wine rack for up to 6 wine glasses and 3 compartments for wine bottles, which can be removed if not desired.
- **Organization:** Six S-shaped hooks are provided for hanging small utensils, mugs, or towels.

- **Security:** A protective fence on the bottom shelf helps prevent items from falling during movement.

## MAINTENANCE

To ensure the longevity and appearance of your TUTOTAK Bar Cart, regular maintenance is recommended. The cart's surfaces are easy to clean and maintain.

### Care Instructions:

- **Cleaning:** Wipe all surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Promptly clean any spills to prevent staining or damage to the wood-grain shelves.
- **Casters:** Periodically check the casters for any accumulated debris (e.g., hair, dust) that might impede smooth rolling. Clean as necessary.
- **Fasteners:** Occasionally check all screws and fasteners to ensure they remain tight. Retighten if any looseness is detected.

## TROUBLESHOOTING

Should you encounter any issues with your TUTOTAK Bar Cart, please refer to the following common troubleshooting tips:

### Common Issues and Solutions:

- **Cart does not roll smoothly:**
  - Ensure the caster brakes are disengaged.
  - Check casters for any obstructions like tangled hair or debris and remove them.
  - Verify that all casters are securely attached and tightened.
- **Cart feels unstable or wobbly:**
  - Confirm that all assembly screws are fully tightened.
  - Ensure the cart is placed on a flat, level surface.
  - Distribute weight evenly across the shelves.
- **Missing parts during assembly:**
  - Carefully check all packaging materials to ensure no small parts were overlooked.
  - Refer to the "Support" section for contact information to request replacement parts.
