## KOUFALL KF-HFM-ML-1P-52x40

# KOUFALL Front Door Curtain User Manual

MODEL: KF-HFM-ML-1P-52x40

## 1. Introduction

---

Thank you for choosing the KOUFALL Front Door Curtain. This manual provides essential information for the proper installation, use, and maintenance of your new curtain panel. Designed to offer privacy and filter light, this linen blend curtain enhances your living space with a modern farmhouse aesthetic.

## 2. Package Contents

---

Each package contains the following items:

- **One (1) Single Curtain Panel:** Measuring 52 inches in width by 40 inches in length.
- **One (1) Adjustable Tie Back:** For styling and holding the curtain open.

The curtain features a rod pocket design, compatible with rods up to 1.2 inches in diameter.

## 3. Product Features

---

- **Rich Linen Blend Fabric:** Composed of 20% linen and 80% polyester, offering a soft texture, reduced wrinkling, and color retention.
- **Light Filtering & Semi-Transparent:** Provides privacy by blocking some sunlight without making the room dark, allowing outlines to be seen from inside but obscuring clear views from outside.
- **Simple & Decent Decor:** Adds a timeless, classic, and sophisticated neutral touch, suitable for various decor styles including country, shabby chic, rustic, coastal, beach, traditional, or modern farmhouse.

#### 4. Setup and Installation

---

The KOUFALL Front Door Curtain is designed for easy installation using a rod pocket. Follow these steps:

1. **Select a Rod:** Ensure your curtain rod has a diameter of 1.2 inches or less to fit comfortably within the rod pocket.
2. **Insert Rod:** Gather the top edge of the curtain and slide the curtain rod through the rod pocket.
3. **Hang Curtain:** Place the rod onto its brackets above your door or window. Adjust the gathers evenly across the rod for a desired look.
4. **Optional Tie Back:** Use the included tie-back to hold the curtain open for more light or a decorative effect.

## 5. Usage

---

The KOUFALL Front Door Curtain is designed for versatile use:

- **Privacy:** When fully extended, the semi-sheer fabric provides a layer of privacy, obscuring the view from outside while still allowing natural light to enter.
- **Light Filtering:** It softens harsh sunlight, reducing glare and protecting interiors from excessive UV exposure without darkening the room completely.
- **Decorative Accent:** The included tie-back allows you to gather the curtain in the middle or to one side, creating different looks and controlling the amount of light and view.

The curtain is shown covering a bathroom window, illustrating its semi-sheer opacity that allows light while maintaining privacy. The text 'SOLD AS ONE PANEL' is visible.

## 6. Maintenance and Care

---

To ensure the longevity and appearance of your KOUFALL Front Door Curtain, please follow these care instructions:

- **Washing:** Machine wash in cold water on a gentle cycle.
- **Bleaching:** Use only non-chlorine bleach when necessary.
- **Drying:** Tumble dry low.
- **Ironing:** Iron on the lowest setting if needed to remove wrinkles.
- **General Care:** Keep away from heat sources and avoid contact with harsh chemicals.

## 7. Troubleshooting

---

This section addresses common concerns you might encounter:

- **Wrinkles After Washing:** If the curtain appears wrinkled after washing and drying, use a steam iron on the lowest setting or a hand steamer to smooth out the fabric.

- **Curtain Not Hanging Evenly:** Ensure the curtain rod is level and the fabric gathers are distributed uniformly across the rod.
- **Insufficient Privacy:** While semi-sheer, if more privacy is desired, consider layering with another curtain or using a darker color variant.
