

Pegasi PEG-BBB-SPORT

Pegasi Basketball Board Sport 110 x 70 cm Instruction Manual

Model: PEG-BBB-SPORT

1. INTRODUCTION

Welcome to your new Pegasi Basketball Board Sport. This manual provides essential information for the safe assembly, installation, operation, and maintenance of your basketball board. Please read these instructions carefully before use and retain them for future reference.

2. SAFETY INFORMATION

To ensure safe operation and prevent injury, please observe the following safety guidelines:

- Ensure the basketball board is securely mounted to a sturdy wall structure capable of supporting its weight and the forces applied during play.
- Regularly inspect all bolts, screws, and connections for tightness. Tighten any loose fasteners immediately.
- Do not hang on the basketball rim or backboard. This product is not designed to support a person's weight.
- Adult supervision is recommended for children using the basketball board.
- Keep the area around the basketball board clear of obstructions to prevent accidents.
- This product is intended for recreational use only.

3. PACKAGE CONTENTS

Before assembly, please verify that all components listed below are present and undamaged:

- 1x Pegasi Basketball Board (110 x 70 cm)
- 1x Steel Basketball Ring (45 cm diameter)
- 1x Weather-resistant Nylon Net (white, red, blue)

- 1x Steel Wall Bracket
- Mounting Materials (screws, anchors, etc.)

Lieferung

Dieses Basketballbrett wird mit
Stahlwandhalterung und
Befestigungsmaterial geliefert

4. SETUP AND INSTALLATION

This basketball board is designed for secure wall mounting and is suitable for both indoor and outdoor environments. Proper installation is crucial for safety and product longevity.

4.1. Required Tools (Not Included)

- Drill with appropriate drill bits for your wall type
- Level
- Measuring tape
- Pencil
- Wrench or socket set

- Safety glasses

4.2. Installation Steps

1. **Choose a Location:** Select a sturdy wall capable of supporting the board's weight (approx. 12 kg) plus impact from play. Ensure there is sufficient clear space around the board.
2. **Determine Mounting Height:** Standard basketball rim height is 3.05 meters (10 feet) from the ground. Adjust according to user age and preference.
3. **Mark Drilling Points:** Hold the wall bracket against the wall at the desired height. Use a level to ensure it is straight and mark the drilling points with a pencil.
4. **Drill Holes:** Using an appropriate drill bit for your wall material (e.g., masonry bit for brick, wood bit for studs), drill holes at the marked points. Insert wall anchors if necessary.
5. **Attach Wall Bracket:** Securely fasten the steel wall bracket to the wall using the provided mounting materials. Ensure all bolts are tightened firmly.
6. **Mount Backboard:** Attach the basketball backboard to the installed wall bracket. Align the pre-drilled holes on the backboard with the bracket and secure with the provided hardware.
7. **Attach Ring and Net:** Fasten the steel basketball ring to the backboard using the designated mounting points. Finally, attach the weather-resistant nylon net to the ring.
8. **Final Check:** Double-check all connections for tightness and stability before first use.

Figure 4.1: This image illustrates the key dimensions of the basketball board, including the backboard width of 110 cm, height of 70 cm, and the basketball ring diameter of 45 cm.

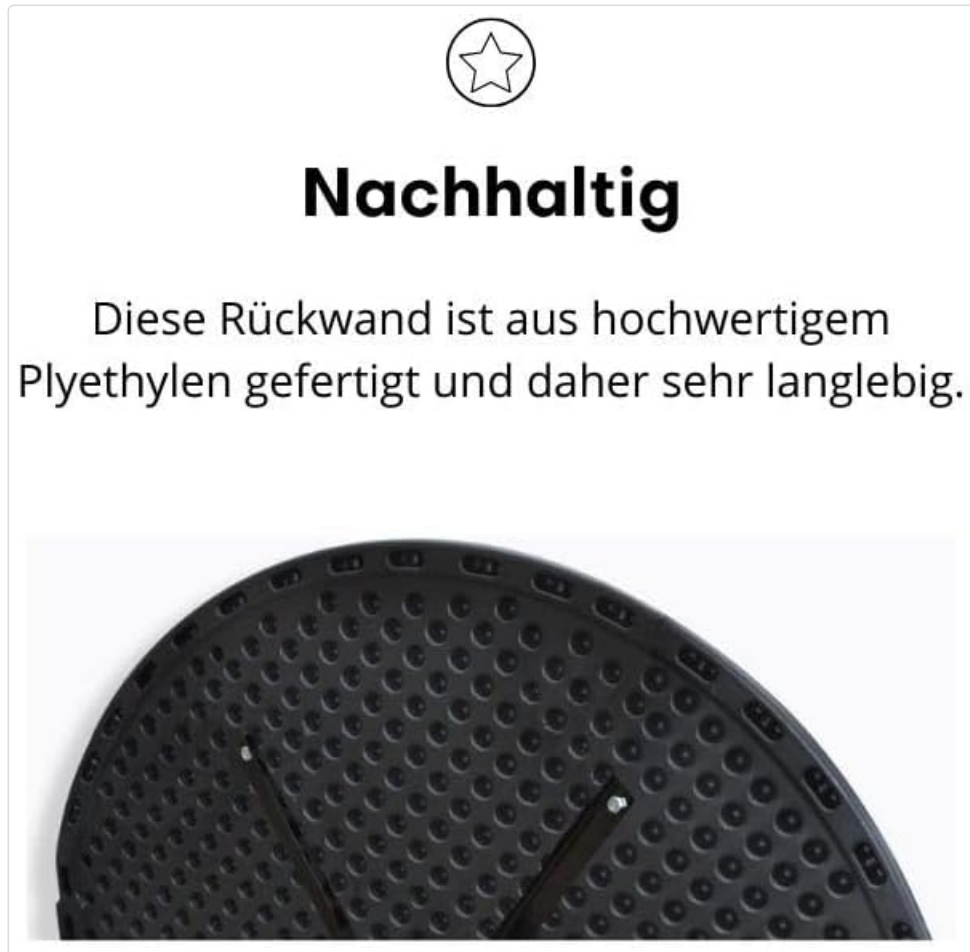

Figure 4.2: A detailed view of the durable polyethylene backboard and its rear support structure, highlighting the robust construction suitable for wall mounting.

5. OPERATING INSTRUCTIONS

The Pegasi Basketball Board is designed for recreational basketball play. Follow these guidelines for optimal use:

- Use a standard size and weight basketball appropriate for recreational play.
- Do not use the board for purposes other than playing basketball.
- Avoid excessive force or impact that could damage the backboard or mounting structure.

Basketball-Netz

Dieser Basketballkorb ist wetterfest
und aus Nylon gefertigt

6. MAINTENANCE

Regular maintenance will extend the life of your basketball board:

- **Cleaning:** Clean the backboard and frame periodically with a damp cloth and mild soap. Avoid abrasive cleaners or solvents.
- **Inspection:** Annually, or more frequently with heavy use, inspect all components for wear, damage, or corrosion. Pay close attention to the mounting hardware, backboard, ring, and net.
- **Tighten Fasteners:** Check and tighten all bolts and screws to ensure the board remains securely mounted and stable.
- **Net Replacement:** Replace the net if it becomes frayed, torn, or significantly worn.

7. TROUBLESHOOTING

If you encounter any issues with your Pegasi Basketball Board, refer to the following common problems and solutions:

- **Board feels loose or wobbly:**
Solution: Immediately cease use. Inspect all mounting bolts and screws. Tighten any loose fasteners. If the wall structure appears damaged, consult a professional for repair before re-mounting.
- **Net is damaged or torn:**
Solution: Replace the net with a new weather-resistant basketball net.

- **Ring is bent or damaged:**

Solution: If the ring is significantly bent or damaged, it should be replaced to ensure safe play. Contact customer support for replacement parts.

8. SPECIFICATIONS

Feature	Specification
Model Number	PEG-BBB-SPORT
Backboard Dimensions (W x H)	110 cm x 70 cm
Backboard Material	High-quality, break-resistant, weather-resistant Polyethylene
