Anne Klein Reverie 6-Piece Towel Set Instruction Manual

Model: AKNTWL6-0003

INTRODUCTION

Thank you for choosing the Anne Klein Reverie 6-Piece Towel Set. This set is designed to provide a luxurious and comfortable experience with its 100% cotton, zero-twist construction, ensuring softness and high absorbency. This manual provides important information regarding the care, use, and specifications of your new towel set.

SETUP

Upon receiving your Anne Klein Reverie Towel Set, it is recommended to wash the towels before their first use. This helps to remove any manufacturing residues and enhances their absorbency and softness.

1. Unpack all towels from their packaging.
2. Proceed to the 'Maintenance and Care' section for initial washing instructions.

OPERATING (USAGE)

The Anne Klein Reverie Towel Set is designed for daily use in your bathroom. The different sizes cater to various needs:

- **Bath Towels:** Ideal for drying your body after a bath or shower.
- **Hand Towels:** Suitable for drying hands and face.

- **Wash Cloths:** Perfect for washing and gentle exfoliation.

The zero-twist cotton construction ensures a soft touch and efficient drying.

MAINTENANCE AND CARE

Proper care will extend the life and maintain the quality of your Anne Klein Reverie Towel Set. Follow these instructions for best results:

- **Washing:** Machine wash with cold water. Use a light or mild detergent.
- **Drying:** Tumble dry on low heat.
- **Avoid:** Do not use bleach or fabric softener, as these can damage the cotton fibers and reduce absorbency.
- **Separation:** Wash towels separately from clothing to prevent lint transfer.

TROUBLESHOOTING

If you encounter any issues with your towel set, consider the following:

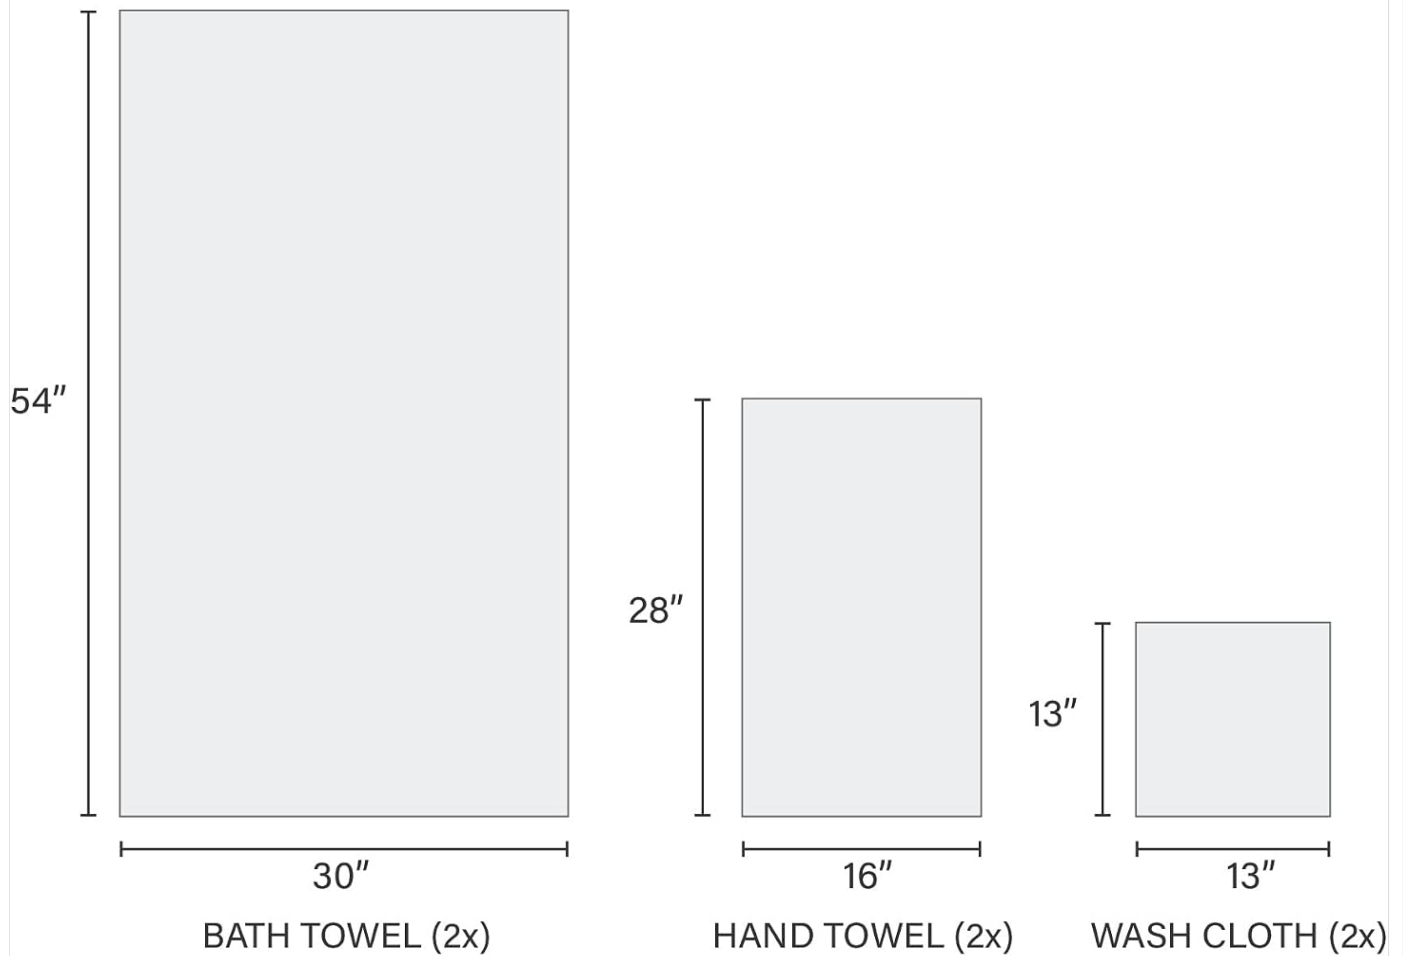

- **Excessive Lint:** New towels may shed some lint during the first few washes. This is normal and should decrease over time. Ensure you are washing them separately.
- **Reduced Absorbency:** Avoid using fabric softeners, as they can coat the fibers and reduce absorbency. If used, try washing the towels with a cup of white vinegar instead of detergent to strip away residue.
- **Fading Color:** Always wash with cold water and mild detergent. Avoid direct prolonged sunlight when drying, if possible, to preserve color vibrancy.
- **Loose Threads:** If you notice a loose thread, carefully snip it with scissors. Do not pull it, as this can unravel the towel.
