Setup and Assembly

Follow the step-by-step instructions provided in the included manual to assemble your Christmas Santa's Sleigh Building Set. It is recommended to sort the pieces before beginning assembly.

General Assembly Tips:

- **Review Instructions:** Before starting, familiarize yourself with the entire instruction booklet.
- **Organize Pieces:** Separate pieces by color, size, or type to make them easier to find.
- **Secure Connections:** Ensure each block is firmly pressed into place to prevent the model from falling apart.
- **Patience is Key:** Building sets require patience and attention to detail. Take breaks if needed.

Reindeer Assembly Guide:

The reindeer figures require careful assembly of their body halves and antlers. Refer to the video below for a visual guide on assembling the reindeer.

Maintenance

To ensure the longevity of your building set, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to gently wipe dust from the assembled model. For more thorough cleaning, use a slightly damp cloth and mild soap, then dry immediately.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration or damage to the plastic.
- **Disassembly:** If disassembling for storage, keep all pieces organized in sealed bags to prevent loss.

Troubleshooting

If you encounter any issues during assembly or use, consider the following:

- **Missing Pieces:** Double-check all packaging and surrounding areas. If pieces are genuinely missing, contact customer support.
- **Loose Connections:** Ensure blocks are pressed firmly together. Sometimes, slight variations in manufacturing can occur; try swapping similar pieces if one feels too loose.
- **Difficulty Following Instructions:** Review the steps carefully. Sometimes, rotating a piece or looking at the next step can clarify the current one.
