## OPERATING (GAMEPLAY)

---

The Wild Twists™ Playing Cards enhance traditional card games and introduce a new game, "Wild Race."

### Using Wild Cards in Classic Games

The 8 special Wild Cards can be incorporated into most standard card games (e.g., Poker, Go Fish, Gin Rummy) to add

strategic depth and unexpected turns. Discuss with players how Wild Cards will be used before starting a game.

- **Any Card Wild:** Can represent any card (rank and suit) a player needs.
- **Red Wild Card:** Can represent any Heart or Diamond card.
- **Black Wild Card:** Can represent any Club or Spade card.
- **Suit-Specific Wild Cards:** There are individual Wild Cards for Hearts, Diamonds, Spades, and Clubs, which can represent any card within their respective suit.

*Example:* In a game of Poker, a "Red Wild Card" could be used as the Ace of Hearts to complete a flush.
