

Heybly HCT004SW

Heybly Cat Tree HCT004SW Instruction Manual

Model: HCT004SW

1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Indoor Use Only:** This cat tree is designed for indoor use. Do not expose it to outdoor elements.
- **Assembly:** Ensure all parts are securely fastened during assembly. Do not allow pets or children near the assembly area until the unit is fully constructed.
- **Stability:** Always install the anti-tipping device to a wall stud to prevent accidental tipping, especially with active or multiple cats.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Replace any worn or damaged parts immediately.
- **Weight Limit:** This cat tree is suitable for kittens and small to medium-sized cats. Avoid overloading platforms.

3. ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your Heybly Cat Tree. Refer to the included diagrams for visual guidance.

1. **Unpack and Identify Parts:** Lay out all components and hardware. Compare them with the package contents list and the assembly diagram.
2. **Attach Base Posts:** Secure the initial scratching posts to the base plate using the provided screws and Allen wrench. Ensure they are tightened firmly.
3. **Install Lower Platforms and Condo:** Attach the first level of platforms and the cat condo to the base posts. Make sure the condo is oriented correctly.
4. **Connect Middle Posts and Hammock:** Add the next set of scratching posts and attach the hammock to its designated positions.

5. **Assemble Upper Platforms and Top Perch:** Continue building upwards, securing the remaining platforms and the comfortable top perch.
6. **Attach Toys:** Hang the dangling plush ball and teaser stick from the designated points on the cat tree.
7. **Install Anti-Tipping Device:** Secure the anti-tipping strap to a sturdy wall stud using the provided hardware. This step is crucial for safety.
8. **Final Check:** Inspect all connections to ensure they are tight and the cat tree is stable before allowing your cat to use it.

4. USAGE GUIDELINES

The Heybly Cat Tree HCT004SW offers multiple features designed for your cat's comfort and entertainment.

- **Top Perch:** The well-padded top platform provides an elevated spot for your cat to rest, observe its surroundings, or nap. The cushion is removable for cleaning.

- **Cat Condo:** An enclosed space offering a sense of security and a private retreat for your cat.
- **Cozy Hammock:** A comfortable basket-style hammock for lounging and napping.
- **Sisal Scratching Posts:** Multiple posts wrapped in natural sisal rope encourage healthy scratching habits, protecting your furniture.
- **Dangling Toys:** The plush ball and teaser stick provide interactive play opportunities. These toys are removable.

Image 4.4: The top platform features a removable cushion for easy cleaning.

5. MAINTENANCE

Proper maintenance will extend the lifespan of your cat tree.

- **Cleaning:** Spot clean soiled areas with a mild detergent and damp cloth. Avoid saturating the material. The removable cushion on the top perch can be cleaned separately.
- **Vacuuming:** Regularly vacuum the plush surfaces to remove loose fur and dust.
- **Inspection:** Periodically check the sisal scratching posts for wear. If the rope becomes heavily frayed, consider replacing the post to maintain its effectiveness.
- **Tighten Connections:** Re-tighten all screws and bolts every few months to ensure the structure remains stable.

6. TROUBLESHOOTING

If you encounter any issues with your cat tree, refer to these common solutions.

- **Instability:** If the cat tree wobbles, ensure all screws are tightly fastened. Verify that the anti-tipping device is

correctly installed and secured to a wall stud.

- **Loose Parts:** If any platforms or posts become loose, re-tighten the corresponding screws immediately.
- **Cat Not Using Scratching Posts:** Encourage your cat by sprinkling catnip on the sisal posts or gently guiding their paws to the posts.
- **Damaged Components:** For severely damaged parts, contact Heybly customer support for potential replacement options.
