Soobaby H31W

Soobaby 5-in-1 Baby Crib Instruction Manual

Model: H31W

INTRODUCTION

The Soobaby 5-in-1 Baby Crib is a versatile nursery solution designed to adapt to your child's growth and your family's needs. It seamlessly transitions between a baby bassinet, bedside sleeper, full-size playard, changing table, and portable travel bed. This manual provides detailed instructions for assembly, operation, maintenance, and safety to ensure a secure and comfortable environment for your infant or toddler.

IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembling and using this product. Failure to follow these instructions could result in serious injury or death.

- **Stability:** Ensure the crib is stable and level before use. A wobbly or uneven crib can cause items to fall, lead to discomfort, or even cause the crib to collapse under weight.
- **Supervision:** Never leave your child unattended in the crib or playard.
- **Mattress:** Use only the mattress provided by the manufacturer. Do not add additional padding or mattresses, as this can create a suffocation hazard.
- **Assembly:** Always ensure all parts are securely locked into place before placing a child in the crib.
- **Hazards:** Keep cords, blinds, and other potential strangulation hazards away from the crib. Do not place the crib near windows where cords from blinds or drapes could strangle a child.
- **Weight Limits:** Adhere to the maximum weight recommendations: 30 lbs for the playard and 15 lbs for the upper

sleep level (bassinet).

- **Age Limits:** The baby cradle is suitable for 0-3 years old, and the playpen for 0-6 years old.

SETUP AND ASSEMBLY

The Soobaby 5-in-1 Baby Crib is designed for easy assembly without the need for additional tools. Follow these general steps for initial setup, then refer to specific mode instructions.

General Setup

1. Remove the crib from its travel bag.
2. Unfold the frame by pulling the center upwards until the side rails lock into place. Ensure all four side rails are fully extended and locked.
3. Push down the center base of the crib until it lies flat and secure.
4. Insert the included mattress into the base of the crib.

Converting to Bedside Crib

To use as a bedside sleeper, adjust the lowering bars and secure the crib next to your bed.

1. Ensure the crib is in its fully assembled playard configuration.
2. Locate the side with the lowering bars. Unzip and lower this side.
3. Position the crib directly against your bed.
4. Lock the wheels to prevent movement.
5. Utilize the provided safety strap to securely attach the bedside crib to your bed frame, ensuring no gap exists between the crib and your mattress.

Attaching the Changing Table

The detachable changing table provides a convenient space for diaper changes.

1. Align the changing table's attachment points with the designated slots on the top rails of the crib.
2. Securely fasten the changing table until it clicks into place.
3. Always ensure the changing table is stable and properly attached before placing your baby on it.

DETACHABLE DIAPER CHANGING TABLE

Clever Design, Effortless Changes – Where Care Meets Convenience

OPERATING MODES

Baby Bassinet

The bassinet mode is ideal for newborns and infants, providing a cozy and elevated sleeping space. Ensure the mattress is placed at the higher level for bassinet use.

Full Size Playard

As your child grows, the crib can be converted into a spacious playard, offering a safe and comfortable area for play. Ensure the mattress is placed at the lower level for playard use.

FULL SIZE PLAY YARD

Comfortable & breathable mesh design

Figure 4: Full Size Playard with comfortable and breathable mesh design.

Portable Travel Bed

For travel or storage, the crib can be easily folded into a compact size and stored in its included travel bag.

1. Remove the mattress and any accessories.
2. Pull the strap in the center of the base to begin folding.
3. Release the locks on the side rails and fold them inwards.
4. Secure the folded crib with the provided straps and place it in the travel bag.

Lightweight, Mobile, Versatile

Move your baby's comfort effortlessly to every corner with our portable crib.

Figure 5: Lightweight, Mobile, Versatile design with sturdy wheels and brakes.

FEATURES AND COMPONENTS

- **Sturdy Frame:** Constructed from iron tubes for stability and safety.
- **Wheels with Brakes:** Two moving wheels allow for smooth movement and can be locked for stability.
- **Mesh Sides:** Provide better visibility of your baby and ensure proper airflow.
- **Music Toy:** An attached mobile with toys and a music box to entertain your child.
- **Diaper & Storage Rack:** Convenient side storage for diapers and other essentials.
- **Included Mattress:** A comfortable mattress designed to fit the crib.

MAINTENANCE AND CARE

- **Cleaning:** The fabric components are designed for hand washing only. Use mild soap and cold water. Do not use bleach.
- **Drying:** Air dry thoroughly. Do not machine dry.
- **Frame:** Wipe the metal and plastic parts with a damp cloth and mild soap.
- **Storage:** When not in use, store the crib in a clean, dry place, preferably in its travel bag, away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

- **Difficulty Assembling:** Ensure all side rails are fully extended and locked before pushing down the center base. If a rail does not lock, lift the center base slightly and try again. Do not force components.
- **Crib Feels Wobbly:** Double-check that all locking mechanisms on the side rails and wheels are engaged. Ensure

the crib is placed on a flat, level surface.

- **Mattress Comfort:** The included mattress is designed for safety and support. If additional comfort is desired, consult with a pediatrician for safe, compatible mattress pad options that do not compromise safety standards.
- **Baby Rolling into Side Cracks (Bedside Mode):** Always ensure the safety strap is used to eliminate any gap between the crib and your bed. Position your baby appropriately within the crib.
