

## Boytond YYK580

# Boytond YYK580 Wireless Bluetooth Earbuds Instruction Manual

MODEL: YYK580 | BRAND: BOYTOND

## 1. Introduction

This manual provides detailed instructions for the use and maintenance of your Boytond YYK580 Wireless Bluetooth Earbuds. Please read this manual thoroughly before using the product to ensure proper operation and to maximize its lifespan.

The Boytond YYK580 earbuds feature Bluetooth V5.2 technology, an ergonomic earhook design for secure fit during sports, HiFi stereo sound with CVC8.0 noise reduction, and a long-lasting battery life with its charging case.

## 2. What's in the Box

Upon opening the package, ensure all the following items are present:

- Boytond YYK580 Wireless Bluetooth Earbuds (Left and Right)
- Charging Case
- USB Type-C Charging Cable
- User Manual
- Multiple Sizes of Ear Tips (S/M/L)

### 3.2. Pairing with a Device

1. Ensure your device's Bluetooth is turned on.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device, search for Bluetooth devices and select "YYK-580" to connect.
4. Once paired, the earbuds will automatically connect to your device when taken out of the case for subsequent uses.

### 3.3. Wearing the Earbuds

The earbuds feature an ergonomic earhook design for a secure and comfortable fit, especially during physical activities.

1. Select the appropriate size ear tips (S/M/L) for optimal comfort and sound quality.
2. Place the earbud into your ear canal and gently rotate the earhook over your ear until it feels secure.
3. Adjust the earbud and earhook for a snug fit that prevents falling out during movement.

## 4. Operating Instructions

### 4.1. Touch Controls

The earbuds feature touch control sensors for easy management of various functions:

- **Power On/Off:** Long press the touch area.
- **Play/Pause:** Single tap the touch area.
- **Next Song:** Double tap the right earbud.
- **Previous Song:** Double tap the left earbud.
- **Answer/Hang Up Call:** Single tap the touch area during an incoming call.
- **Reject Call:** Long press the touch area during an incoming call.
- **Adjust Volume:** (Specific gesture not detailed in provided data, typically long press left/right for volume down/up or multiple taps).
- **Activate Voice Assistant:** Triple tap the touch area.

### 4.2. Stereo and Mono Mode

The earbuds can be used in either stereo (both earbuds) or mono (single earbud) mode, offering flexibility for different scenarios like listening to music or taking calls while being aware of your surroundings.

Charging Time	1.5 Hours

Charging Case Battery Capacity	800mAh
Water Resistance Level	IPX7
Control Type	Touch Control
Ear Placement	Over Ear (Earhook)
Noise Control Features	CVC8.0 Noise Reduction
Item Weight	5.9 ounces

## 7. Troubleshooting

---

- **No Sound/Connection Issues:**

- Ensure earbuds are charged.
- Verify Bluetooth is enabled on your device.
- Try unpairing and re-pairing the earbuds.
- Move closer to your device to avoid interference.

- **Earbuds Not Charging:**

- Check if the charging cable is securely connected to both the case and the power source.
- Ensure the earbuds are correctly seated in the charging case.
- Clean the charging contacts on both the earbuds and the case.

- **Poor Sound Quality:**

- Ensure ear tips are the correct size and provide a good seal in your ear canal.
- Clean any debris from the earbud speakers.
- Check your device's volume settings.

## 8. Maintenance

---

- Regularly clean the earbuds and charging case with a soft, dry cloth.
- Avoid using harsh chemicals or abrasive materials.
- Keep the charging contacts clean and free of dust or debris.
- Store the earbuds in their charging case when not in use to protect them and keep them charged.

## 9. Safety Information

---

- Do not disassemble, repair, or modify the product.
- Avoid exposing the earbuds to extreme temperatures or direct sunlight.
- Do not immerse the charging case in water. The earbuds are IPX7 rated, but the case is not.
- Use only the provided charging cable or a certified equivalent.
- Avoid listening at high volumes for extended periods to prevent hearing damage.

## 10. Warranty and Support

---

Boytond products come with a standard manufacturer's warranty. For warranty claims, technical support, or any inquiries, please contact Boytond customer service through the retailer where you purchased the product or visit the official Boytond website.

Please retain your proof of purchase for warranty purposes.
