Aveeno 202181

Aveeno Calm + Restore Nourishing PHA Facial Exfoliator User Manual

Model: 202181 | Brand: Aveeno

Product Overview

The Aveeno Calm + Restore Nourishing PHA Exfoliator is designed to gently cleanse and renew the skin's surface, revealing a refreshed complexion. This formula is tested on sensitive skin and is recommended by dermatologists for over 70 years. It features a non-abrasive composition that effectively removes dirt, oil, and impurities while leaving the skin feeling smooth and moisturized.

Key ingredients include hydrating Polyhydroxy Acid (PHA), a gentle liquid exfoliant suitable for sensitive skin, and nutrient-rich Oat Oil, which helps to maintain the skin's natural moisture barrier, leaving it soft and supple. The exfoliator is silky, hypoallergenic, non-comedogenic (meaning it won't clog pores), and free from fragrances, parabens, sulfates, alcohols, dyes, and phthalates.

Product Features:

- **Gentle Exfoliation:** Contains Polyhydroxy Acid (PHA), a non-abrasive liquid exfoliant that gently renews skin's surface.
- **Nourishing Formula:** Enriched with nutrient-rich Oat Oil to support the skin's natural moisture barrier.
- **Sensitive Skin Friendly:** Hypoallergenic, non-comedogenic, and free of fragrance, parabens, sulfates, alcohols, dyes, and phthalates.
- **Dermatologist Recommended:** From a brand trusted by dermatologists for over 70 years.

Operating Instructions

How to Use:

1. **Application:** Apply a quarter-size amount of the exfoliator to either wet or dry skin.
2. **Massage:** Gently massage the product onto your skin to effectively remove dirt and impurities.
3. **Rinse:** Wipe off or rinse thoroughly with lukewarm water.

The formula is gentle enough for daily use, but it is recommended to use 2-3 times a week for optimal results.

UPC	381372021818
Manufacturer	Johnson & Johnson
ASIN	B0B8666NWQ
Country of Origin	USA
Item Form	Cream
Skin Type	Sensitive
Product Benefits	Exfoliating
Material Feature	Natural

Storage and Care

Store the Aveeno Calm + Restore Nourishing PHA Exfoliator in a cool, dry place, away from direct sunlight. Ensure the cap is tightly closed after each use to maintain product integrity and prevent contamination. This product is designed for regular use as part of your skincare routine.

Troubleshooting

If you experience any unexpected skin reactions such as persistent redness, itching, or burning, discontinue use immediately and consult a healthcare professional. Ensure you are following the application instructions carefully, especially regarding rinsing the product thoroughly from your skin.

For any product-related concerns or if issues persist, please refer to the contact information below.
