## INFUTURE H1

# INFUTURE H1 Bluetooth Headphones Instruction Manual

Model: H1 | Brand: INFUTURE

## INTRODUCTION

---

Thank you for choosing the INFUTURE H1 Bluetooth Headphones. These over-ear headphones combine advanced active noise cancellation with deep bass audio, designed for extended comfort and versatile use. This manual provides essential information for setting up, operating, and maintaining your headphones.

## WHAT'S IN THE BOX

---

Your INFUTURE H1 package includes the following items:

- INFUTURE H1 Bluetooth Headphones
- USB-C Charging Cable

- 3.5mm Audio Cable
- User Manual

## PRODUCT OVERVIEW

---

Familiarize yourself with the key components and controls of your INFUTURE H1 headphones.

Image: Detailed diagram of the INFUTURE H1 headphones, highlighting the location of the ANC switch, volume controls, power button, LED indicator, 3.5mm audio jack, and USB-C charging port.

### Key Features:

- **Active Noise Cancellation (ANC):** Reduces environmental noise for immersive listening.
- **Bluetooth 5.4:** Provides stable and efficient wireless connectivity.
- **90-Hour Playtime:** Extended battery life for long listening sessions.
- **40mm Drivers:** Deliver powerful deep bass and crisp sound.
- **Built-in CVC8.0 Microphone:** Ensures clear hands-free calls.
- **Foldable Design:** For easy storage and portability.
- **Memory Foam Earcups:** Designed for universal comfort during prolonged wear.

## SETUP

---

### Charging Your Headphones

Before first use, fully charge your headphones. Use the provided USB-C charging cable and a 5V/1A charger to prevent damage. Do not power on your headphones while charging.

- Connect the USB-C cable to the charging port on the headphones and the other end to a power source.
- The LED indicator will show a steady red light during charging and turn steady green when fully charged.
- A 10-minute charge provides approximately 2 hours of listening time.

- Full charge provides up to 90 hours of playtime.

Image: Close-up of the USB-C charging port on the headphone earcup.

## Powering On/Off

- **Power On:** Press and hold the power button for 2 seconds. You will hear the voice prompt "Power on".
- **Power Off:** Press and hold the power button for 5 seconds. You will hear the voice prompt "Power off".

## Bluetooth Pairing

Your headphones can be connected to two devices at a time, but can only play music from one mobile device at a time. To play from another connected device, pause the currently active device first.

1. Ensure the headphones are powered off.
2. Press and hold the power button for 5 seconds until the LED flashes red/blue to enter Bluetooth pairing mode.
3. On your device, enable Bluetooth and select "H1" from the list of available devices to connect.
4. Once connected, the LED will show a steady blue light.

## OPERATING YOUR HEADPHONES

---

### Active Noise Cancellation (ANC)

The INFUTURE H1 headphones feature active noise cancellation to reduce ambient noise. ANC is effective against low and mid-frequency sounds like engine hums and office chatter.

- To activate ANC, slide the ANC switch to the "ON" position.
- To deactivate ANC, slide the ANC switch to the "OFF" position.
- **Note:** ANC noise reduction is not available in wired mode. Turn off ANC when not in use to conserve battery.

### Calling Mode

The built-in CVC8.0 microphone allows for clear hands-free calls when connected via Bluetooth.

- **Answer/Hang up a call:** Short press the power button once.
- **Reject a call:** Long press the power button for 2 seconds.
- **Note:** The microphone only works in Bluetooth mode.

### Aux Mode

You can enjoy music from other devices by plugging in the 3.5mm audio cable. Using a 3.5mm audio cable will automatically turn off Bluetooth. Only the ANC function can be used normally in Aux mode.

## MAINTENANCE

---

To ensure the longevity and optimal performance of your INFUTURE H1 headphones, follow these maintenance guidelines:

- Keep the headphones dry. Do not expose them to water or excessive moisture.
- Clean the earcups and headband regularly with a soft, dry cloth.
- Avoid using harsh chemicals or abrasive cleaners.
- Store the headphones in a cool, dry place, preferably in their carrying bag, when not in use.
- Do not expose to extreme temperatures.

## TROUBLESHOOTING

---

If you experience any connectivity issues or functional problems, you may need to reset the headphones:

- Ensure the headset is turned on.
- Press and hold the power button for 5 seconds. The red and blue lights will flash alternately to enter pairing mode.
- If issues persist, refer to the detailed user manual included in the package or contact customer support.

## SPECIFICATIONS

Feature	Specification
