> Charger Cord Replacement for Finishing Touch Flawless Pedi Electronic Pedicure Tool - USB to DC Barrel Cable 6 ft (2-Pack) - Instruction Manual

PDEEY PDEEY-FINISHING-TOUCH-PEDI-CABLE

Instruction Manual: PDEEY USB to DC Barrel Charger Cord

Model: PDEEY-FINISHING-TOUCH-PEDI-CABLE
For Finishing Touch Flawless Pedi Electronic Pedicure Tool

1. PRODUCT OVERVIEW

This product provides a reliable replacement charging solution for your Finishing Touch Flawless Pedi Electronic Pedicure Tool. It features a USB 2.0 plug on one end and a DC barrel tip round connector on the other, ensuring compatibility and efficient charging.

Image: Two white USB to DC barrel charging cables, provided as a 2-pack.

Key Features:

- Specifically designed as a replacement charger for the Finishing Touch Flawless Pedi Electronic Pedicure Tool.
- Features a USB to DC barrel tip round connector for secure connection.
- USB 2.0 plug is compatible with various power sources including power banks, car chargers, wall chargers, and computer USB ports.
- 5V USB cable constructed from durable PVC material.
- Generous 6-foot (approximately 1.8 meters) cable length for flexible use.
- Compact and portable design, ideal for travel.
- Comes as a 2-piece pack to replace lost original chargers or for backup.

2. SETUP AND OPERATING INSTRUCTIONS

Follow these steps to properly set up and operate your PDEEY charger cord:

Setup:

1. **Identify the Device Charging Port:** Locate the charging port on your Finishing Touch Flawless Pedi Electronic Pedicure Tool. This is typically a small, round port.
2. **Connect the DC Barrel End:** Gently insert the DC barrel tip of the PDEEY charging cable into the charging port of your pedicure tool. Ensure it is fully inserted and feels secure.

Image: Connecting the DC barrel end of the cable to the Finishing Touch Flawless Pedi device.

- 3. Connect the USB End:** Insert the USB-A end of the charging cable into a compatible USB power source. This can be a wall adapter, a computer's USB port, a power bank, or a car charger.

Operating:

Once both ends of the cable are connected, your Finishing Touch Flawless Pedi device should begin charging. Refer to your pedicure tool's original manual for specific charging indicators (e.g., LED lights) and recommended charging times.

Image: The cable's compact design allows for easy handling and portability.

3. MAINTENANCE

Proper care and maintenance will extend the lifespan of your charging cables:

- **Storage:** When not in use, coil the cables neatly and store them in a dry, cool place away from direct sunlight and extreme temperatures. Avoid sharp bends or kinks.
- **Cleaning:** If the cable becomes dirty, gently wipe it with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- **Handling:** Always pull from the plug itself, not the cable, when disconnecting from a device or power source to prevent damage to the wire and connectors.
- **Inspection:** Periodically inspect the cable for any signs of wear, fraying, or damage to the insulation or connectors. Discontinue use if any damage is observed.

4. TROUBLESHOOTING

If you encounter issues with your charging cable, consider the following troubleshooting steps:

- **Device Not Charging:**

- Ensure both the DC barrel end and the USB end are securely connected.
- Try a different USB power source (e.g., a different wall adapter, another USB port on your computer).
- Verify that the power source is active and providing power.
- Check if your Finishing Touch Flawless Pedi device is functioning correctly with its original charger (if available) or another known working charger.

- **Cable Damage:**

- Visually inspect the entire length of the cable for any cuts, nicks, or severe bends.
- Examine the connectors for any bent pins, corrosion, or debris.
- If the cable appears damaged, discontinue use and replace it.

- **Slow Charging:**

- Ensure the USB power source provides sufficient current (typically 5V).
- Avoid using excessively long USB extension cables, which can lead to voltage drop.

5. SPECIFICATIONS

Attribute	Value
Model Number	PDEEY-FINISHING-TOUCH-PEDI-CABLE
Package Dimensions	4.57 x 4.37 x 1.38 inches; 2.4 ounces
Material	Polyvinyl Chloride (PVC)
Color	White
Cable Length	6 feet (approximately 1.8 meters)
Input/Output Voltage	5V (USB standard)
Item Form	Stick or Cylindrical (referring to connector shape)

6. IMPORTANT SAFETY INFORMATION

Legal Disclaimer: Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition.

While this product is a charging cable, general electrical safety practices should always be observed:

- Do not expose the cable to water or excessive moisture.
- Do not use the cable if it is damaged or frayed.
- Keep out of reach of children and pets.
- Use only with compatible devices and power sources as specified.

7. WARRANTY AND SUPPORT

Warranty:

This product is typically covered by a 30-day return policy for refund or replacement, as per standard retail terms. Please refer to your purchase receipt or the retailer's return policy for specific details regarding your purchase.

Customer Support:

For any questions, concerns, or support regarding your PDEEY charger cord, please contact the seller or manufacturer directly through the platform where the purchase was made. You can also visit the official PDEEY Store for more information: [PDEEY Store on Amazon](#).
