

## SOOPII SP-U20

# SooPii SP-U20 60W Multi-Device Charging Station Instruction Manual

## 1. INTRODUCTION

Thank you for choosing the SooPii SP-U20 60W Multi-Device Charging Station. This device is designed to streamline your charging experience by providing multiple USB-A, USB-C, and AC outlets in one compact unit. Please read this manual carefully to ensure proper setup, operation, and maintenance of your charging station.

## 2. PRODUCT FEATURES

- **6 Port Charging Station & 3 AC Outlets:** Supports simultaneous charging of up to 9 electric devices with 3 AC outlets (1875W/15A), 3 USB-A ports, and 3 USB-C ports.
- **2 PD 20W Fast Charging:** Two USB-C ports feature Power Delivery (PD) fast charging technology, capable of charging compatible devices up to 70% in just 30 minutes.
- **Organize Your Desk:** Consolidates charging for multiple devices, reducing cable clutter and promoting a tidier workspace.
- **Advanced Safety Features:** Equipped with the Activeshield safety system, including a Dynamic Temperature Sensor and power tuner chip to protect all connected devices.

## 4. SETUP INSTRUCTIONS

1. **Unpack:** Carefully remove all components from the packaging.
2. **Place Baffles:** Insert the strong baffles into the designated slots on the charging station to create compartments for your devices.
3. **Install iWatch/AirPods Holder (Optional):** If desired, install the 2-in-1 holder onto the charging station. Pass your iWatch charger cable through the holder and secure it.
4. **Connect Power:** Plug the main power cord of the charging station into a standard 100-240V AC wall outlet.
5. **Organize Cables:** Connect the provided short mixed charging cables to the appropriate USB-A or USB-C ports on the side of the station. Route the cables neatly through the baffles.

## 5. OPERATING INSTRUCTIONS

1. **Power On/Off:** Use the master ON/OFF switch located on the side of the charging station to control power to the AC outlets.
2. **LED Indicator Switch:** The LED touch switch on the top surface controls the blue LED indicator lights within the baffles. Tap to turn on or off.
3. **Charging Devices:**

- **USB Ports:** Connect your devices using the appropriate USB-A or USB-C cables. The smart IC technology will automatically detect and deliver the optimal charging current for your device.
  - **AC Outlets:** Plug in any standard AC-powered devices or chargers into the 3 AC outlets.
4. **Device Placement:** Place your phones, tablets, or other devices vertically within the baffles for organized charging.

## 7. SPECIFICATIONS

Feature	Specification
Brand	SOOPII
Model Number	SP-U20
Input Voltage	100-240V~50/60Hz, 1.5A
AC Outlet Output	125V~60Hz 10A 1250W Max
USB Total Output	70W Max
USB-C Output (2 ports)	5V/3A, 9V/2.22A, 12V/1.67A, Max 20W
USB-A Output (3 ports)	5V/6A 30W (With Smart IC)
Total USB Ports	6
Power Plug Type	Type A - 2 pin (North American)
Material	Acrylonitrile Butadiene Styrene
Item Weight	783.3 Grams
Safety Certification	UL

## 8. MAINTENANCE

To ensure the longevity and optimal performance of your charging station, follow these maintenance guidelines:

- **Cleaning:** Disconnect the power cord before cleaning. Use a soft, dry cloth to wipe the surface. Avoid liquid cleaners or abrasive materials.
- **Storage:** Store the charging station in a cool, dry place away from direct sunlight and extreme temperatures when not in use for extended periods.
- **Cable Management:** Keep cables neatly organized within the baffles to prevent tangling and damage.

## 9. TROUBLESHOOTING

If you encounter any issues with your SooPii SP-U20 Charging Station, please try the following:

- **No Power:** Ensure the main power cord is securely plugged into both the wall outlet and the charging station. Check if the ON/OFF switch is in the 'ON' position.

- **Device Not Charging:** Verify that the charging cable is properly connected to both the device and the charging station. Try a different cable or port to rule out a faulty cable or port.
- **Slow Charging:** Ensure you are using the correct cable for your device and that the device supports fast charging if using a PD port.

If problems persist, please contact customer support for assistance.

## 10. WARRANTY AND SUPPORT

The SooPii SP-U20 Charging Station comes with a **24 Months Warranty**. For any questions, concerns, or warranty claims, please contact our friendly customer service team.

**Email:** [support@soopii.com](mailto:support@soopii.com)

**Amazon Message Center:** Send messages to us on Amazon Message Center.

We are committed to providing reliable solutions and guidance to your satisfaction within 24 hours. Everything you buy from SooPii is safe and promised to be a nice working product!
