### Key Features:

- **Ergonomic Design:** Conforms to body shape for optimal comfort during extended use, featuring a flexible headrest and memory foam lumbar pillow.
- **Integrated Bluetooth 5.1 Speakers:** Dual speakers provide immersive surround sound for gaming, music, and movies.
- **High-Density Shaping Foam Cushion:** 5.1-inch thick seat cushion designed to maintain structure and provide lasting comfort.
- **Multi-functional Adjustments:** 360° swivel, 150° recline with retractable padded footrest, and linkage armrests.
- **Durable Material:** Constructed with luxury breathable Retro PU Leather, offering a smooth, waterproof, and easy-to-clean surface.

### Safety Information:

This chair is designed to hold up to 150 kilograms (approximately 330 pounds). Do not exceed this weight limit. Ensure all components are securely fastened before use. Keep hands and fingers clear of moving parts during adjustment.

## 2. SETUP AND ASSEMBLY

---

The GTPLAYER Gaming Chair is designed for straightforward assembly. A detailed instruction manual with all necessary accessories and tools is included in the packaging. Please follow the step-by-step guide provided to ensure correct and safe assembly.

# DIMENSION

|        | RECOMMENDED | MAX LOAD |
|--------|-------------|----------|
| HEIGHT | 4'9"-5'9"   | 6'2"     |
| WEIGHT | 90-250lbs   | 300lbs   |

Please allow for minor differences in measurements as they are taken manually.

## Assembly Tips:

- Unpack all components and verify against the parts list in your included manual.
- Assemble on a soft, clean surface to prevent scratching the chair or floor.
- Do not fully tighten all screws until the entire chair is assembled, then tighten them securely.
- Ensure the gas lift is correctly inserted into the base and seat mechanism.

### 3. OPERATING INSTRUCTIONS

Your GTPLAYER Gaming Chair offers various adjustments and features to enhance your experience.

#### Chair Adjustments:

- **Height Adjustment:** Use the lever located under the seat on the right side to raise or lower the chair.
- **Recline Function:** Pull the lever on the right side of the seat to recline the backrest up to 150°. Release the lever to lock the backrest in your desired position.
- **Footrest:** Pull out the padded footrest from under the seat for leg support when reclining. Push it back in when not in use.
- **Linkage Armrests:** The armrests are designed to move with the recline of the backrest, providing continuous support.
- **Lumbar and Headrest Pillows:** Adjust the position of the memory foam lumbar pillow and flexible headrest for personalized support.

### Bluetooth Speaker Operation:

The GTPLAYER Gaming Chair features dual Bluetooth 5.1 speakers for an immersive audio experience.

1. **Power On/Off:** Locate the power button on the Bluetooth receiver. Press and hold to turn the speakers on or off.
2. **Pairing:** Once powered on, the speakers will enter pairing mode. On your smartphone, tablet, or other Bluetooth-enabled device, search for 'GTPLAYER' in the Bluetooth settings and connect.
3. **Charging:** The wireless Bluetooth receiver is charged via a USB cable. Ensure it is charged for optimal performance.

## 4. CARE AND MAINTENANCE

Proper care and maintenance will extend the life and appearance of your GTPLAYER Gaming Chair.

- **Cleaning:** The Retro PU Leather material is designed to be easy to clean. For general cleaning, wipe with a soft, damp cloth. For deeper cleaning, dry clean as per product care instructions. Avoid harsh chemicals or abrasive cleaners.

- **Spills:** Immediately blot any spills with a clean, dry cloth to prevent staining.
- **Regular Checks:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability and safety.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the material to fade or crack.

## 5. TROUBLESHOOTING

If you encounter any issues with your GTPLAYER Gaming Chair, please refer to the following common solutions:

- **Chair Wobbles/Unstable:** Ensure all assembly screws are securely tightened. Check that the chair is on a flat, even surface.
- **Gas Lift Not Functioning:** Verify that the gas lift is correctly inserted into both the base and the seat mechanism. If the issue persists, contact customer support.
- **Bluetooth Speakers Not Connecting:**
  - Ensure the Bluetooth receiver is charged and powered on.

- Make sure your device's Bluetooth is enabled and within range.
- Forget the device in your Bluetooth settings and attempt to re-pair.
- If the issue persists, try charging the receiver for a longer period.
- **Screws Coming Loose:** Regularly inspect and re-tighten any loose screws. This is a common occurrence with furniture due to movement and use.
- **Footrest Difficult to Extend/Retract:** Check for any obstructions. Ensure the mechanism is clean and free of debris.

If you cannot resolve the issue using these steps, please contact GTPLAYER customer support for further assistance.
