

One Fire 2000 mAh Crystal Lamp

One Fire Cordless Crystal Dimmable 3-Color Rechargeable Lamp (2000 mAh)

Model: 2000 mAh Crystal Lamp | Brand: One Fire

1. INTRODUCTION

This manual provides essential information for the safe and effective use of your One Fire Cordless Crystal Dimmable 3-Color Rechargeable Lamp. Please read these instructions thoroughly before operating the device and retain them for future reference.

2. IMPORTANT SAFETY INSTRUCTIONS

- Do not expose the lamp to extreme temperatures or direct sunlight for prolonged periods.
- Avoid dropping the lamp, as this may damage internal components or the acrylic shade.
- Keep the lamp away from water and other liquids. Although the product is rated as waterproof, prolonged submersion or exposure to high-pressure water jets is not recommended.
- Use only the provided Type-C charging cable or a certified equivalent.
- Do not attempt to disassemble or repair the lamp yourself. Contact customer support for assistance.
- Keep out of reach of children and pets.

3. PACKAGE CONTENTS

Verify that all items are present in the package:

- One Fire Cordless Crystal Lamp
- Type-C USB Charging Cable
- Instruction Manual

4. SETUP

4.1 Initial Assembly

The One Fire Cordless Crystal Lamp requires no complex assembly. Simply remove it from its packaging. The lamp is designed for immediate use.

4.2 Initial Charging

Before first use, fully charge the lamp using the provided Type-C USB charging cable. Connect the cable to the charging port located on the base of the lamp and plug the other end into a compatible USB power adapter (not included).

5. OPERATING INSTRUCTIONS

5.1 Power On/Off and Color Mode Selection

The lamp features a sensitive touch control button on its base. A single tap will cycle through the three available light colors:

1. **Warm Light:** Ideal for creating a cozy and relaxing atmosphere.
2. **White Light:** Suitable for tasks requiring brighter, more neutral illumination.
3. **Natural Light:** A balanced light for general use.

Continue tapping the button to cycle through the modes. To turn the lamp off, tap the button until the light extinguishes.

6. CHARGING THE LAMP

The lamp is equipped with a built-in 2000mAh rechargeable battery. To charge:

1. Locate the Type-C charging port on the base of the lamp.
2. Connect the provided Type-C USB charging cable to the lamp's port.
3. Plug the other end of the USB cable into a compatible USB power source (e.g., wall adapter, computer USB port, power bank).
4. The lamp will indicate charging status (e.g., an indicator light). Once fully charged, the indicator will change or turn off.

A full charge can provide up to 24 hours of illumination at the minimum brightness setting.

7. MAINTENANCE

7.1 Cleaning

To clean the lamp, gently wipe the surfaces with a soft, dry, or slightly damp cloth. Do not use abrasive cleaners, solvents, or harsh chemicals, as these may damage the finish or the acrylic shade.

7.2 Storage

When not in use for extended periods, store the lamp in a cool, dry place away from direct sunlight and extreme temperatures. Ensure the battery is partially charged before storage to maintain battery health.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Lamp does not turn on.	Battery is depleted.	Charge the lamp fully.
Lamp does not charge.	Charging cable or adapter is faulty; port is obstructed.	Try a different Type-C cable and USB adapter. Ensure the charging port is clean and free of debris.
Brightness or color mode not changing.	Touch sensor malfunction; low battery.	Ensure the lamp is charged. Gently tap or press the touch button. If the issue persists, contact support.
Short battery life.	High brightness setting; aging battery.	Reduce brightness for longer battery life. Ensure the lamp is fully charged before use. Battery performance may degrade over time.

9. SPECIFICATIONS

Feature	Detail
Model	2000 mAh Crystal Lamp
Brand	One Fire
Dimensions (D x W x H)	6" x 6" x 12"
