Altair Design 543036-NM

Altair Design Gazsi 36" Single Bathroom Vanity Set (Black Oak)

Model: 543036-NM

Product Overview

The Altair Design Gazsi 36" Single Bathroom Vanity Set in Black Oak is designed for contemporary bathrooms, offering both style and functionality. This vanity features textured door panels with a chevron pattern and a recessed plinth base. Constructed from solid wood and plywood, it provides ample storage. The marbled composite stone countertop includes a backsplash and an undermount ceramic basin.

This vanity set is designed to enhance your bathroom with its elegant appearance and practical storage solutions. The countertop and backsplash are included but arrive separately, requiring partial assembly.

Features

- **Sturdy Construction:** Crafted from solid wood and plywood for durability.
- **Elegant Countertop:** Features a composite Grain White stone countertop with a matching backsplash.
- **Integrated Basin:** Includes a rectangular, undermount ceramic basin with overflow.
- **Faucet Ready:** Countertop is pre-drilled with an 8-inch widespread faucet hole.
- **Soft-Closing Doors:** Two doors with adjustable, Euro-style, soft-closing hinges for quiet operation.

- **Spacious Drawers:** Three soft-closing drawers with high-quality, full-extension slides for maximum storage.
- **Durable Hardware:** Rust-proof aluminum alloy hardware in an elegant Warm Gold finish.
- **Contemporary Design:** Bold contemporary style with a blend of stone and wood.
- **Chevron Pattern:** Wooden door panels feature an eye-catching chevron pattern.
- **Recessed Plinth Base:** Adds to the contemporary aesthetic.

Setup and Installation

This vanity requires partial assembly. The countertop and backsplash are packaged separately and must be installed onto the cabinet. It is recommended to have two people for assembly and installation due to the weight and size of the components.

Required Tools (Not Included):

- Phillips head screwdriver
- Adjustable wrench
- Silicone sealant (for countertop and backsplash)
- Level

Installation Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Inspect for any damage. Keep all packaging materials until assembly is complete.
2. **Position Vanity Base:** Place the vanity cabinet in its desired location. Ensure it is level using a spirit level. Adjust the leveling feet if necessary.
3. **Install Countertop:** Apply a bead of silicone sealant along the top edges of the vanity cabinet. Carefully lower the composite stone countertop onto the cabinet, aligning it properly. Press down firmly to ensure a secure bond.
4. **Install Backsplash:** Apply silicone sealant to the back edge of the countertop and the wall where the backsplash will sit. Press the backsplash firmly into place.
5. **Connect Plumbing:** Connect the faucet (not included), drain assembly (not included), and P-trap (not included) to the basin according to their respective manufacturer's instructions. Ensure all connections are watertight.
6. **Secure to Wall (Optional but Recommended):** For added stability, secure the vanity to the wall studs using appropriate mounting hardware (not included).

Operating Instructions

The Gazsi vanity is designed for straightforward use in a bathroom environment. Its primary functions include providing a countertop surface with an integrated sink for washing, and storage space within its cabinet and drawers.

- **Using the Sink:** Operate your faucet (not included) as per its manufacturer's instructions to control water flow and temperature. The integrated ceramic basin is designed for daily washing.
- **Accessing Storage:** The two cabinet doors open to reveal a larger storage area, ideal for taller items or plumbing access. The three drawers on the right side provide organized storage for smaller bathroom essentials. The soft-closing hinges and full-extension slides ensure smooth and quiet operation.

Maintenance and Care

Proper care will ensure the longevity and appearance of your Gazsi vanity. Regular cleaning and attention to spills are recommended.

Wood Cabinet Care:

- Wipe down the wood surfaces with a soft, damp cloth.
- Avoid abrasive cleaners, harsh chemicals, or ammonia-based products, as these can damage the finish.
- Immediately wipe up any water spills or splashes to prevent water damage or staining.
- For deeper cleaning, use a wood-safe cleaner and follow the product instructions.

Composite Stone Countertop and Basin Care:

- Clean the countertop and basin with a soft cloth and mild, non-abrasive soap and water.
- Rinse thoroughly and dry with a clean cloth to prevent water spots.
- Avoid using acidic cleaners, strong chemicals, or abrasive pads, which can etch or scratch the surface.
- Promptly clean up any spills, especially those from cosmetics, hair dyes, or harsh chemicals, to prevent staining.

Hardware Care:

- Wipe the Warm Gold finish hardware with a soft, dry cloth.
- Do not use abrasive cleaners or polishes, as these can remove the protective coating and damage the finish.

Troubleshooting

This section addresses common issues you might encounter with your vanity. For problems not listed here, please contact customer support.

Problem	Possible Cause	Solution
Drawers or doors do not close smoothly.	Misalignment of hinges or slides; obstruction.	Check for obstructions. Adjust hinges on doors or slides on drawers. Refer to hinge/slide manufacturer instructions for specific adjustment procedures.
Water leaks from plumbing connections.	Loose connections; worn seals.	Tighten all plumbing connections. Inspect seals and replace if worn. Ensure proper application of plumber's tape or sealant during installation.
Vanity is not level.	Uneven flooring; leveling feet not adjusted.	Adjust the leveling feet located at the bottom of the vanity until the unit is stable and level. Use a spirit level to verify.
Stains on countertop.	Spills not cleaned promptly; use of harsh chemicals.	For fresh spills, wipe immediately. For stubborn stains, consult a professional stone cleaner or use a product specifically designed for composite stone countertops, following its instructions carefully.
