### 3. OPERATING

#### 3.1 Dual-Sided Design

This mattress features a dual-sided design to accommodate both infants and toddlers. One side is designed with optimal firmness for infants, while the other side provides appropriate comfort for toddlers. Both sides include waterproof backing.

- **Infant Side:** Use the firmer side for newborns and infants to provide the necessary support for their developing bodies.
- **Toddler Side:** Once your child transitions from a crib to a toddler bed, simply flip the mattress to the

softer side for continued comfort and support.

## 4. MAINTENANCE

---

### 4.1 Cleaning Instructions

The soft knit cover of the mattress includes waterproof backing for easy cleaning. The cover is not intended to be removed and is not washable.

- **Spot Clean Only:** For spills or stains, spot clean the affected area using a mild soap and water solution.
- Avoid saturating the mattress.
- Allow the mattress to air dry completely before placing bedding back on it.
- Do not machine wash, bleach, tumble dry, iron, or dry clean the mattress cover.
