Fossil Gen 6 Men's 44mm Touchscreen GPS and Activity Smartwatch Instruction Manual

Model: FTW4063V

INTRODUCTION

This manual provides essential information for setting up, operating, and maintaining your Fossil Gen 6 44mm Touchscreen GPS and Activity Smartwatch. This device is designed to enhance your daily activities with advanced tracking features and smart connectivity.

The bundle includes: 1 Fossil Gen 6 44mm Bluetooth Smartwatch with Wear OS and rPET Camo Strap, 1 Signature Series Fossil Gen 6 Watch Charger, and 1 Signature Series Microfiber Cloth.

SETUP

1. Initial Power On and Charging

To power on your smartwatch for the first time, connect it to the provided charger. The watch will automatically turn on and display the current charge level. The Signature Series Fossil Gen 6 Watch Charger can charge the device to 80% in approximately 30 minutes.

2. App Installation and Pairing

Your Fossil Gen 6 Smartwatch is compatible with phones running the latest version of Android or iOS. Download the companion app (e.g., DA Fit or similar, as indicated by the watch's QR code or user manual) from your device's app store. Follow the in-app instructions to pair your smartwatch with your phone via Bluetooth. This process typically takes less than a minute.

Once paired, the app allows you to customize watch faces, manage notifications, and view detailed health and activity data.

Your browser does not support the video tag.

OPERATING INSTRUCTIONS

Health and Activity Tracking

The smartwatch automatically tracks various health metrics:

- **Activity Goals:** Monitor your progress towards daily activity targets.
- **Steps:** Counts your daily steps.
- **Sleep:** Tracks sleep patterns, including REM and restful sleep.
- **Heart Rate:** Provides real-time heart rate monitoring.
- **Cardio:** Measures cardio fitness levels.
- **SpO2 (Blood Oxygen):** Monitors blood oxygen saturation levels.

Activity modes with GPS keep you on track with your distance and path during workouts. Advanced sensors provide data for health and fitness tracker apps.

Communication Features

Stay connected with notifications for calls, texts, and app alerts. The watch supports automatic time zone and calendar syncing. You can answer and make calls directly from your watch when your phone is within Bluetooth range, thanks to its built-in speaker and microphone.

Customization and Apps

The Always-On display is brighter with more colors and a higher pixel count (416 x 416 resolution). Personalize your look with thousands of watch faces. Access hundreds of apps for various functions, including fitness, contactless payments, music control, social media, news, games, and stopwatches. Android users can also utilize built-in Alexa for quick information and smart home control.

MAINTENANCE

Charging

Use the included Signature Series Fossil Gen 6 Watch Charger. Plug the USB cable into a power source and connect your smartwatch to the magnetic pad on the caseback. The watch will automatically begin charging. A full charge provides approximately 7 to 10 days of consecutive use, depending on usage.

Cleaning

Regularly clean your smartwatch and strap. Use the provided Signature Series Microfiber Cloth to gently wipe the screen and watch body. For the rPET Camo Strap, a damp cloth can be used to remove dirt. Ensure the watch is dry before wearing or charging.

TROUBLESHOOTING

- **Watch not turning on:** Ensure the watch is properly connected to the charger and the power source is active. Allow a few minutes for it to charge before attempting to power on.
- **Connectivity issues:** Check that Bluetooth is enabled on your phone and the smartwatch is within range. Restart both devices and try pairing again through the companion app.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, but not too tight. Clean the sensors on the back of the watch regularly.
- **App not syncing:** Verify that the companion app is updated to the latest version and has all necessary permissions on your phone.

SPECIFICATIONS

Model Number	FTW4063V
