OLIXIS HJ368F

OLIXIS HJ368F Drafting Chair Instruction Manual

Model: HJ368F | Brand: OLIXIS

INTRODUCTION

Thank you for choosing the OLIXIS HJ368F Drafting Chair. This manual provides detailed instructions for the safe assembly, proper operation, and effective maintenance of your new chair. Please read this manual thoroughly before assembly and use to ensure optimal performance and longevity of your product.

SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product:

- Ensure the chair is used on a hard, stable surface.
- Do not exceed the maximum weight recommendation of 275 pounds.
- Improper use of adjustable mechanisms may result in injury.
- Keep children away from the chair during assembly.
- Periodically check all bolts and screws to ensure they are tightened.

PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. The package should include:

- Chair Seat
- Chair Backrest
- Armrests (2)
- Gas Lift Cylinder
- Foot Ring
- Star Base
- Casters (5)
- Assembly Hardware (screws, washers, caps)
- Installation Tool (Allen wrench)
- Instruction Manual

SETUP AND ASSEMBLY

Assembly of the OLIXIS Drafting Chair is designed to be straightforward and typically takes less than 20 minutes. Follow the steps below:

1. **Attach Casters to Base:** Insert each of the five casters into the holes at the end of the star base until they click securely into place.
2. **Insert Gas Lift:** Place the gas lift cylinder into the center hole of the star base.
3. **Attach Foot Ring:** Slide the adjustable foot ring over the gas lift cylinder and secure it at your desired height using the knob.
4. **Assemble Seat and Backrest:** Attach the backrest to the seat using the provided screws and the installation tool. Ensure all screws are tightened firmly.
5. **Attach Armrests:** Secure the armrests to the seat using the designated screws.
6. **Connect Seat to Gas Lift:** Carefully place the assembled seat onto the gas lift cylinder, ensuring it is centered and fully seated.

FEATURES

The OLIXIS HJ368F Drafting Chair is designed with several features to enhance comfort and functionality:

- **Ergonomic Backrest:** Designed to conform to the physiological curve of the human body, providing excellent back support and relieving pressure on the waist. The breathable mesh back keeps you cool.
- **High-Density Cushion:** The seat is padded with high-quality foam, offering soft and comfortable support for extended periods, reducing pressure on your legs.
- **Supportive Armrests:** Fixed armrests provide stable support for your arms.
- **Durable Base and Casters:** A rugged nylon base with 360° swivel pulleys ensures stability and smooth mobility.
- **Adjustable Foot Ring:** Provides support for your legs, ideal for use with standing or drafting desks.
- **Explosion-Proof Gas Lift:** Ensures safe and reliable height adjustment.

OPERATING INSTRUCTIONS

Your OLIXIS Drafting Chair offers several adjustment features to customize your seating experience:

- **Seat Height Adjustment:** Locate the lever under the right side of the seat. Pull the lever upwards to raise the seat. To lower the seat, pull the lever upwards while seated. The seat height can be adjusted from 23 inches to 28.9 inches.
- **Foot Ring Adjustment:** The foot ring can be adjusted vertically along the gas lift. Loosen the knob on the foot ring, slide it to your preferred height, and then tighten the knob securely.
- **Backrest Tilt:** The backrest can be tilted back up to 120 degrees. Rotate the button located under the seat to adjust the tilt angle and lock it in position.
- **360° Swivel:** The chair is designed to swivel 360 degrees, providing flexibility and ease of movement.
- **Armrests:** The armrests provide support and are fixed in position.

MAINTENANCE

To maintain the appearance and functionality of your OLIXIS Drafting Chair, follow these simple maintenance tips:

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Regular Checks:** Periodically inspect all screws and bolts to ensure they are tight. Re-tighten if necessary to prevent loosening and ensure stability.
- **Caster Care:** Keep casters free of hair and debris to ensure smooth rolling.

TROUBLESHOOTING

If you encounter any issues with your chair, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Chair does not adjust height	Gas lift cylinder malfunction or lever not engaged properly.	Ensure the height adjustment lever is fully pulled. If the issue persists, the gas lift cylinder may need replacement. Contact customer support.
Chair wobbles or feels unstable	Loose screws or casters not fully inserted.	Check and tighten all assembly screws. Ensure all five casters are fully inserted into the star base.
Casters do not roll smoothly	Debris (hair, dust) caught in casters.	Turn the chair over and carefully remove any debris from the caster wheels.
Backrest does not tilt	Tilt lock engaged or mechanism jammed.	Ensure the tilt adjustment knob is loosened. Check for any obstructions in the tilt mechanism.
