SETUP AND INSTALLATION

Follow these steps to properly install your MoKo iPad case:

- Clean Your iPad:** Before installing the case, ensure your iPad is clean and free of dust or debris. Use a soft, lint-free cloth.
- Align the iPad:** Gently align your iPad with the hard PC translucent back shell of the case. Ensure the camera cutout and port openings match.
- Snap into Place:** Carefully press the iPad into the case, starting from one corner and working your way around until all edges are securely seated within the case's frame. Ensure a snug fit.
- Check Fit:** Verify that all buttons, ports, and the camera are accessible and unobstructed. The case should fit snugly without any loose areas.

OPERATING INSTRUCTIONS

Auto Wake/Sleep Function

The case features a built-in magnetic strip that automatically wakes your iPad when the lid is opened and puts it to sleep when the lid is closed. This helps conserve battery life.

Adjustable Viewing Angles

The foldable front cover allows for two stable viewing angles:

- **Viewing Angle:** Ideal for watching videos, reading, or making video calls. Fold the front cover into a triangular stand to prop up your iPad.
- **Typing Angle:** Provides a comfortable incline for typing or drawing. Fold the front cover into a lower triangular stand.

Apple Pencil Charging & Touch ID Support

The precise cutouts ensure full access to all features:

- **Apple Pencil Charging:** The case supports 1st generation and USB-C Apple Pencil charging. An Apple USB-C to Apple Pencil Adapter may be required for USB-C Pencil.
- **Touch ID:** The case provides unobstructed access to the Touch ID sensor for easy unlocking.
- **Precise Cutouts:** All ports, speakers, and buttons are easily accessible.

CARE AND MAINTENANCE

To ensure the longevity and appearance of your MoKo iPad case, follow these care instructions:

- **Cleaning:** Wipe the exterior with a soft, damp cloth. For stubborn stains, a mild soap solution can be used, but avoid harsh chemicals or abrasive cleaners.
- **Drying:** Allow the case to air dry completely before re-installing your iPad. Do not use direct heat.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight and extreme temperatures.
- **Avoid Sharp Objects:** Prevent contact with sharp objects that could scratch or damage the case's surface.

Stay True to Form

Wrap your device in chic elegance and show its original beauty.
