## Energy Sistem Style 1

# Energy Sistem Style 1 Bluetooth Earbuds User Manual

## 1. INTRODUCTION

This manual provides comprehensive instructions for the Energy Sistem Style 1 Bluetooth Earbuds. Please read this guide carefully to ensure proper use, optimal performance, and longevity of your device. These earbuds are designed for comfortable in-ear wear, offering wireless audio and hands-free communication.

### 3. SETUP

#### 3.1 Charging the Earbuds

Before first use, fully charge your earbuds. The Energy Sistem Style 1 earbuds are equipped with a rechargeable Lithium-polymer battery and use a USB Type-C port for charging.

1. Locate the USB Type-C charging port on the inline control unit.
2. Connect the provided Type-C cable to the charging port on the earbuds.
3. Connect the other end of the cable to a compatible USB power source (e.g., computer USB port, wall adapter).
4. The indicator light will show the charging status. Once fully charged, the light will change or turn off.

#### 3.2 Bluetooth Pairing

To connect your earbuds to a device, follow these steps:

1. Ensure the earbuds are charged and turned off.
2. Press and hold the multi-function button (usually the play/pause button) on the inline control unit until the indicator light flashes, indicating pairing mode.
3. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
4. Select "Energy Sistem Style 1" from the list of found devices.
5. Once connected, the indicator light on the earbuds will change (e.g., solid blue or slow flashing) and you may hear an audible confirmation.

The earbuds feature Bluetooth 5.1 for stable and efficient wireless connectivity.

## 4. OPERATING INSTRUCTIONS

---

### 4.1 Inline Controls

The inline control unit allows you to manage your audio playback and calls conveniently.

- **Volume Up (+):** Press to increase volume.
- **Volume Down (-):** Press to decrease volume.
- **Play/Pause (▶ ||):** Press once to play or pause music.
- **Next Track:** Double-press the Play/Pause button.
- **Previous Track:** Triple-press the Play/Pause button.

### 4.2 Hands-Free Calls

The integrated microphone enables hands-free calling.

- **Answer/End Call:** Press the Play/Pause button once.
- **Reject Call:** Press and hold the Play/Pause button for approximately 2 seconds.

### 4.3 Audio Quality

Experience clear audio with Crystal Clear Sound technology, designed to deliver crisp and balanced sound for your music and calls.

## 5. MAINTENANCE

---

### 5.1 Battery Care

The earbuds provide up to 8 hours of continuous playback. To maximize battery life:

- Avoid fully discharging the battery frequently.
- Charge the earbuds regularly, even if not in use for extended periods.
- Store in a cool, dry place away from extreme temperatures.

### 5.2 Cleaning

To maintain hygiene and performance:

- Gently wipe the earbuds and cable with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners or immerse the earbuds in water.

### 5.3 Storage

When not in use, store the earbuds in a clean, dry environment to prevent damage and tangling.

## 6. TROUBLESHOOTING

---

If you encounter issues with your Energy Sistem Style 1 Earbuds, refer to the following common solutions:

- **No Power:** Ensure the earbuds are fully charged. Connect to a power source using the Type-C cable.
- **Cannot Pair:** Make sure Bluetooth is enabled on your device and the earbuds are in pairing mode. Try turning Bluetooth off and on again on your device.
- **No Sound:** Check the volume levels on both the earbuds and your connected device. Ensure the earbuds are properly paired and connected.
- **Poor Sound Quality:** Move closer to your connected device to reduce interference. Ensure there are no obstructions between the earbuds and the device.
- **Microphone Not Working:** Ensure the earbuds are properly connected and selected as the audio input device on your phone or computer.
