SAFETY INFORMATION

CAUTION: May irritate eyes. Do not get in eyes. Keep out of reach of children.

First Aid Treatment:

- Contains anionic and/or nonionic surfactants and enzymes.
- If swallowed, give a glass of water or milk and call a Poison Control Center or doctor immediately. Do not induce vomiting.
- If in eyes, rinse well with water for 15 minutes.

Always store detergent pods in their original container, securely closed, and out of sight and reach of children and pets.

SETUP

Ariel Matic 4in1 PODs are specifically formulated for use in both top-load and front-load washing machines. No special setup is required for the pods themselves; simply ensure your washing machine is functioning correctly and ready for a laundry cycle.

OPERATING INSTRUCTIONS

Follow these steps for effective use of Ariel Matic 4in1 PODs:

1. **Place Pod:** Toss one Ariel Matic 4in1 POD directly into the empty washing machine drum. Do not cut or tear the pod.
2. **Load Clothes:** Add your clothes to the washing machine.
3. **Start Cycle:** Select your desired wash cycle and start the machine.

MAINTENANCE

- Store Ariel Matic 4in1 PODs in a cool, dry place away from direct sunlight and moisture.
- Keep the container tightly sealed to prevent pods from dissolving prematurely or being exposed to humidity.
- Do not transfer pods to a different container.

TROUBLESHOOTING

Pod Not Dissolving Completely:

- Ensure the pod is placed directly into the empty drum before adding clothes.
- Avoid overloading the washing machine, as this can prevent proper water circulation and pod dissolution.
- Use the appropriate water temperature for your laundry cycle.

Ariel Matic 4in1 PODs are designed to dissolve quickly and leave no residue.
