KEY FEATURES

- **Space-Saving Design:** Features a U-shaped cutout to fit around pedestal sink bases, optimizing under-sink space.
- **Ample Storage:** Includes two doors and an internal shelf for organizing toiletries, cleaning supplies, and other items.
- **Durable Construction:** Made from P2 grade engineered moisture-resistant wood with a painted finish for longevity.
- **Elevated Design:** Four raised legs increase distance from the floor, protecting contents from water.
- **Anti-Tipping Kit:** Includes hardware to secure the cabinet to the wall for enhanced safety.

ASSEMBLY INSTRUCTIONS

The Iwell Pedestal Sink Storage Cabinet is designed for straightforward assembly. Detailed paper instructions and labeled hardware are included in the package.

1. Unpack all components and verify against the parts list in the instruction manual.
2. Follow the step-by-step illustrations provided in the manual to connect the panels and frame.
3. Attach the doors, ensuring proper alignment and magnetic closure.
4. Install the adjustable shelf at your desired height.
5. Position the cabinet under your pedestal sink, aligning the U-shaped cutout with the sink base.
6. Secure the cabinet to the wall using the anti-tipping kit as per the instructions.

Note: Assembly typically requires basic household tools (not included).

OPERATING AND USAGE

The cabinet is designed for storing various bathroom items. The adjustable shelf allows for customization of storage space to accommodate items of different heights.

- Open and close the doors using the metal handles. The magnetic closures ensure the doors remain shut.
- Adjust the internal shelf by repositioning the shelf pegs to suit your storage needs.
- Utilize the countertop surface for decorative items or frequently accessed essentials.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your Iwell Pedestal Sink Storage Cabinet, follow these care instructions:

- **Cleaning:** Wipe the cabinet surfaces with a damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the painted finish.
- **Moisture Protection:** While moisture-resistant, avoid prolonged exposure to standing water. Promptly wipe away any spills.
- **Inspection:** Periodically check all hardware and connections to ensure they are secure. Tighten if necessary.

TROUBLESHOOTING

Common issues and their solutions:

- **Doors not closing properly:** Check if the magnetic catches are aligned and securely fastened. Adjust hinges if doors are misaligned.
- **Cabinet wobbles:** Ensure all assembly screws are tightened. Verify the cabinet is placed on a level surface. If necessary, use the anti-tipping kit to secure it to the wall.
- **Chemical odor:** A new product may have a slight odor. Allow for ventilation in the room for a few days; the odor should dissipate.

WARRANTY AND SUPPORT

Iwell products are crafted with quality materials and workmanship. For any questions or concerns regarding your product, please contact Iwell customer service. We aim to provide a satisfactory solution within 24 hours.
