JUTTAUTO Car Storage Net (Model Jutta-G0278)

User Manual

1. INTRODUCTION

Thank you for choosing the JUTTAUTO Car Storage Net. This product is designed to help organize your vehicle's interior, providing a convenient and secure space for various items. Its elastic mesh and sturdy frame offer a practical solution for keeping your car, van, or truck tidy.

The JUTTAUTO Car Storage Net provides convenient storage in various vehicle interiors, such as camper vans.

The versatile design of the JUTTAUTO Car Storage Net makes it suitable for various items and vehicle types.

2. PACKAGE CONTENTS

Please check the package to ensure all components are present:

- 4 x JUTTAUTO Car Storage Nets
- Mounting Screws

3. SETUP AND INSTALLATION

Follow these steps to properly install your JUTTAUTO Car Storage Net:

1. **Choose a Location:** Select a flat, secure surface in your vehicle where you wish to install the net. Ensure the location does not obstruct the driver's view or interfere with vehicle operation.
2. **Position the Net:** Hold the storage net in the desired position.
3. **Mark Screw Holes:** Use a pencil or marker to mark the locations for the mounting screws through the holes in the net's frame.
4. **Secure with Screws:** Using a screwdriver, carefully drive the provided screws into the marked locations to firmly attach the net to the surface. Do not overtighten.
5. **Verify Stability:** Gently pull on the installed net to ensure it is securely fastened and will not come loose during vehicle movement.

4. OPERATING INSTRUCTIONS

The JUTTAUTO Car Storage Net is designed for simple and effective use:

- **Storage:** Place items such as mobile phones, water bottles, maps, small groceries, or other accessories into the elastic mesh pocket. The elastic material will stretch to accommodate various shapes and sizes.
- **Security:** The mesh design and sturdy frame help to keep items contained and prevent them from rolling around or falling during vehicle movement.
- **Accessibility:** Position the net in a location that allows easy access to your stored items while driving or when parked.

The elastic mesh and sturdy metal frame allow for secure storage of various items.

5. MAINTENANCE

To ensure the longevity and proper function of your storage net:

- **Cleaning:** Wipe the net and frame with a damp cloth as needed. Avoid harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically check the mounting screws to ensure they remain tight. Inspect the mesh for any signs of wear or damage.

6. TROUBLESHOOTING

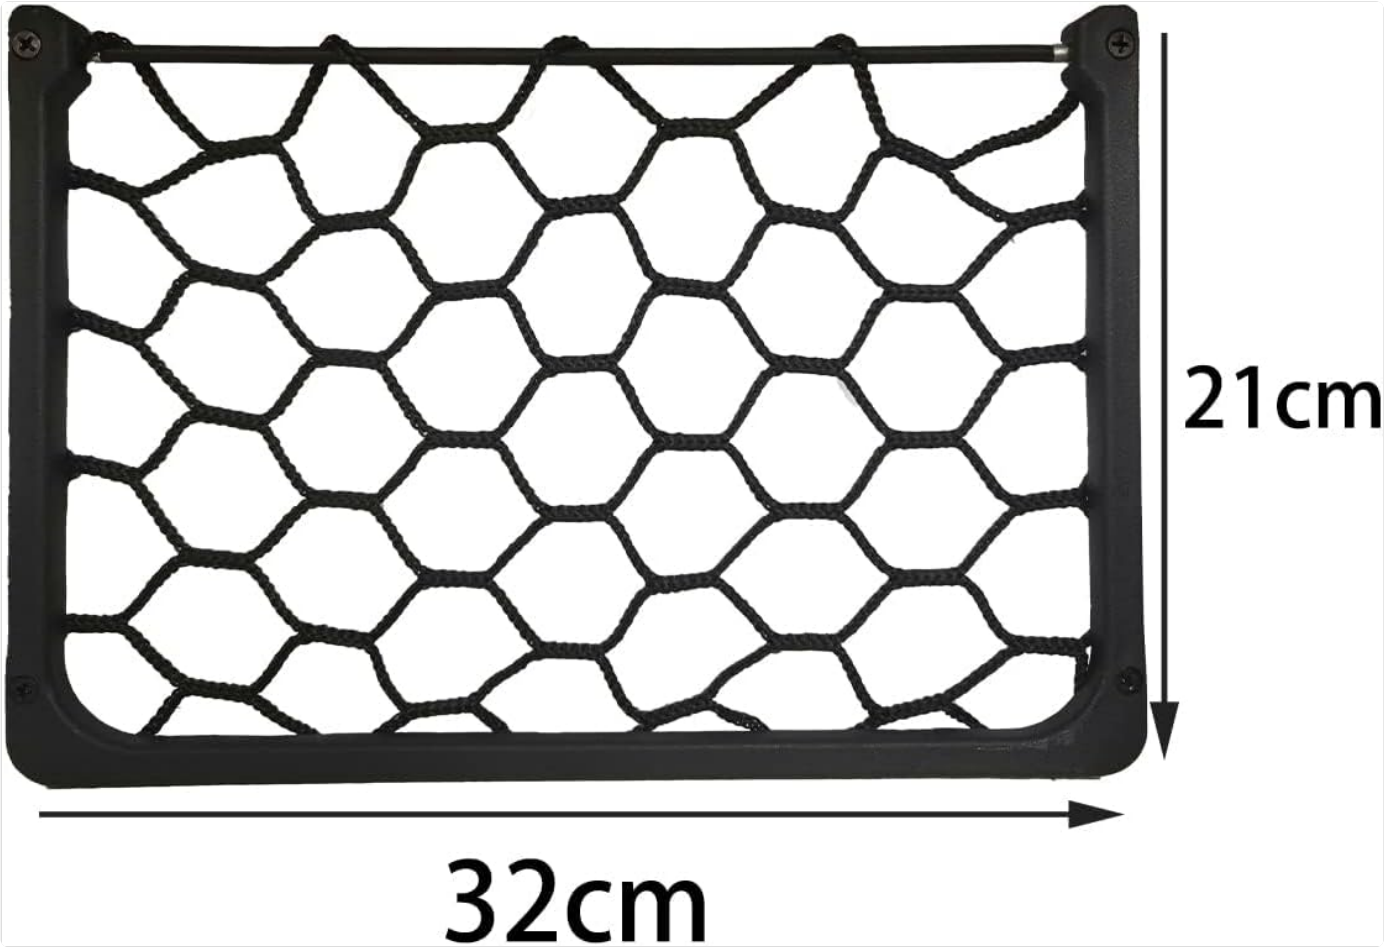

If you encounter any issues with your JUTTAUTO Car Storage Net, consider the following:

- **Net not holding items securely:** Ensure the net is not overloaded. The elastic mesh has limits to its capacity. Verify that the mounting screws are securely fastened to a stable surface.

- **Net appears loose:** Check all mounting screws and tighten them if necessary. If the mounting surface is damaged, consider relocating the net.
