NORDISK 107270

NORDISK Midgard Annex Small Tent Accessory Instruction Manual

MODEL 107270

1. Product Overview

The NORDISK Midgard Annex Small is an accessory designed to expand the usable space of your NORDISK Midgard or Vimur tent. It provides additional sleeping quarters, storage space for gear like bags and shoes, or a dedicated play area for children. Its design seamlessly integrates with the Midgard tent's shape and can also connect to the Vimur 4.8 tent (requires a separate Vimur Zip Adapter Small).

Image 1.1: NORDISK Midgard Annex Small in its storage bag.

Key Features

- Adds extra space for sleeping or storage.
- Designed to fit the Midgard tent structure.
- Connects to Midgard's small entrance.
- Connects to Vimur 4.8 (with optional adapter).
- 100% waterproof sewn-in groundsheet.
- Durable Technical Cotton flysheet (65% Polyester, 35% Cotton).
- Compact storage size (17 x 41 cm).

2. Safety Information

Please read and adhere to the following safety guidelines to ensure safe use of your Midgard Annex Small.

- Always read and understand all instructions before setup and use.
- Ensure the annex is securely anchored to prevent wind damage or collapse.
- Keep all flame and heat sources away from the tent fabric. The fabric is not fireproof.
- Do not use open flames or cooking equipment inside the annex.
- Avoid setting up the annex near sharp objects or uneven terrain that could damage the fabric or structure.
- In strong winds or severe weather, consider disassembling the annex to prevent damage.
- Ensure adequate ventilation to prevent condensation and maintain air quality.

3. Package Contents

Please verify that all components are present before beginning assembly.

- Midgard Annex Small flysheet
- Integrated groundsheet
- Poles (if applicable, refer to main tent manual for specific pole requirements)
- Pegs/Stakes
- Guy lines
- Storage bag
- Instruction manual (this document)

4. Setup

Follow these steps to properly set up your Midgard Annex Small.

Assembly Instructions

1. **Preparation:** Unpack the Midgard Annex Small and lay out all components on a clean, flat surface.
2. **Positioning:** Identify the small entrance of your NORDISK Midgard tent or the connection point on your Vimur 4.8 tent.
3. **Connecting to Midgard:** Align the annex with the Midgard tent's small entrance. Secure the annex using the snap buttons and fasteners provided on both the annex and the main tent.
4. **Connecting to Vimur 4.8:** If connecting to a Vimur 4.8 tent, ensure you have the separate [Vimur Zip Adapter Small](#). Attach the adapter to the Vimur tent, then connect the Midgard Annex Small to the adapter.
5. **Pole Assembly (if applicable):** If your annex includes poles, assemble them according to any diagrams provided. Insert the poles into the designated sleeves or attachment points on the annex.
6. **Staking:** Secure the annex to the ground using the provided pegs/stakes. Ensure all corners and guy lines are taut to provide stability.
7. **Final Adjustments:** Check all connections and tension points. Adjust as necessary to ensure the annex is stable and properly integrated with your main tent.

Note: For detailed instructions on connecting to your specific main tent model, please refer to the instruction manual of your NORDISK Midgard or Vimur tent.

5. Operating Instructions

The Midgard Annex Small offers versatile functionality to enhance your camping experience:

- **Additional Sleeping Area:** Provides a comfortable, enclosed space for sleeping, especially useful for guests or children.
- **Storage Space:** Ideal for keeping gear, bags, shoes, and other items protected from the elements and organized, freeing up space inside your main tent.
- **Children's Play Area:** Offers a dedicated, safe, and shaded space for children to play.

Ensure all zippers and closures are properly secured to protect contents from weather and insects.

6. Maintenance

Proper maintenance will extend the life of your Midgard Annex Small and ensure its continued performance.

- **Cleaning:** The product care instructions specify "Hand wash". Use mild soap and lukewarm water. Do not use harsh detergents, bleach, or put in a washing machine. Rinse thoroughly.
- **Drying:** Always ensure the annex is completely dry before packing it away to prevent mildew and fabric degradation. Air dry in a shaded area.
- **Storage:** Store the clean, dry annex in its original storage bag in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Inspection:** Regularly inspect the fabric, seams, zippers, and poles for any signs of wear or damage. Repair minor issues promptly to prevent further damage.

7. Troubleshooting

This section addresses common issues you might encounter with your Midgard Annex Small.

- **Water Leakage:**

- Ensure all seams are properly sealed (if applicable, check manufacturer recommendations for seam sealing).
- Verify that the annex is pitched tautly to allow water to run off.
- Check for any tears or punctures in the fabric or groundsheet.

• **Instability in Wind:**

- Ensure all pegs/stakes are fully inserted into the ground.
- Utilize all guy lines and adjust their tension for maximum stability.
- Consider adding extra pegs or heavier anchors in very windy conditions.

• **Difficulty Connecting to Main Tent**

- Double-check that you are aligning the annex correctly with the designated connection points on your main tent.
- If connecting to Vimur 4.8, confirm you have the correct Vimur Zip Adapter Small.
- Refer to the main tent's manual for specific connection details.

• **Condensation Inside:**

- Ensure adequate ventilation by opening any available vents or doors when weather permits.
- Avoid bringing wet items inside the annex.
