## INTRODUCTION

This manual provides essential instructions for the safe and effective setup, operation, and maintenance of your PURPLE LEAF 9.5' x 13' Outdoor Retractable Pergola. Please read this manual thoroughly before assembly and use to ensure proper functionality and longevity of your product.

## SAFETY INFORMATION

### Important Safety Precautions:

- Ensure proper securing of the shelter during harsh weather conditions to prevent damage or injury.
- Adhere to all weight limits specified for the pergola structure and canopy.
- Handle all product components with care during assembly and operation to avoid personal injury or damage to the product.
- Regularly inspect all connections and components for wear or damage. Replace any damaged parts immediately.
- Keep children and pets away from the assembly area.

## PRODUCT FEATURES

- **Durable Construction:** High-performance powder-coated aluminum frame provides superior strength, durability, and is easy to maintain.

- **Wall-Mounted Design:** The straight side design allows for installation against a wall, seamlessly blending with your home's architecture.
- **Modern Aesthetic:** Features thick gauge posts and a stylish gray finish for a contemporary appeal.
- **Upgraded Fabric Canopy:** The canopy is made of an improved yarn-dyed fabric, offering enhanced durability for all weather conditions.
- **Adjustable Shade:** The canopy is retractable, allowing you to easily adjust its position for optimal shade using a convenient locking system.
- **Industry-Leading Quality:** Constructed with top-of-the-line materials for a long service life.
- **Dimensions:** Overall dimensions are 9.5' X 13'.

## SETUP & ASSEMBLY

---

Assembly of the pergola is required. It is recommended to have multiple people for assembly to ensure safety and ease of installation. Detailed instructions are included with your product. Ensure all parts are present before beginning assembly.

**Image Description:** Various white aluminum components of the pergola laid out on a grassy area, indicating the initial stage of assembly. This image shows the individual parts before they are put together.

**Image Description:** A person is shown on a paved patio, actively assembling the white aluminum frame of the pergola. This illustrates the construction process of the main structure.

**Image Description:** A partially assembled white pergola frame stands on a patio, with a fire pit in the foreground. This image highlights the progress of the assembly before the canopy is installed.

## PURPLE LEAF

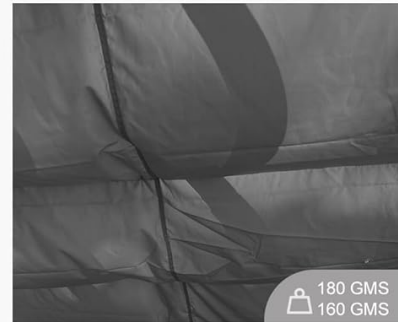

- 260 GMS Heavyweight Fabric for Superior Sun Protection
- 300D\*300D Yarn Count for Exceptional Abrasion Resistance

- Lasting Quality—Upgraded Yarn-Dyed Fabric

## OTHER BRAND

VS

**Image Description:** A close-up view of a pergola post base, securely bolted to a wooden deck. This demonstrates the method of anchoring the pergola for stability.

## Assembly Video Guide

**Video Description:** This video provides a detailed guide on assembling the PURPLE LEAF pergola, showing the process of attaching the frame components and securing the structure. It highlights the steps involved in setting up the pergola on a patio.

**Video Description:** This video demonstrates the assembly process of the pergola, emphasizing its versatility and sturdy construction. It shows how the various parts fit together to form the complete structure.

## OPERATING INSTRUCTIONS

The retractable canopy allows for flexible shade control. To adjust the canopy, use the integrated rope loop system. Pull the rope to extend or retract the canopy to your desired position. The locking system will secure the canopy in place.

**Image Description:** A close-up of the adjustable canopy, showing the rope loop mechanism used to retract or extend the shade. This image illustrates the ease of operation for shade adjustment.

# Against the wall

The straight side design can be against the wall to blend beautifully with your home.

**Image Description:** The pergola canopy is fully extended, providing complete shade over a patio area. This demonstrates the canopy in its open position for maximum sun protection.

## Canopy Operation Video Guide

**Video Description:** This video showcases the smooth operation of the retractable canopy, demonstrating how easily it can be opened and closed to control sun exposure. It highlights the user-friendly design for adjusting shade.

## MAINTENANCE

To ensure the longevity and optimal performance of your pergola, regular maintenance is recommended:

- **Cleaning the Frame:** Wipe the aluminum frame with a soft cloth and mild soap and water. Rinse thoroughly and dry to prevent water spots. Avoid abrasive cleaners.
- **Canopy Care:** Clean the fabric canopy with a soft brush or sponge and a mild soap solution. Rinse well and allow to air dry completely before retracting or storing.
- **Hardware Inspection:** Periodically check all bolts, screws, and connections to ensure they are tight and

secure. Tighten any loose hardware.

- **Winter Storage (Optional):** In areas with heavy snow or extreme weather, consider retracting the canopy and, if possible, storing it indoors to prolong its life.

## TROUBLESHOOTING

---

If you encounter any issues with your pergola, please refer to the following common troubleshooting tips:

- **Canopy not retracting/extending smoothly:** Check for any obstructions in the tracks or along the rope mechanism. Ensure the fabric is not snagged or misaligned.
- **Pergola feels unstable:** Verify that all anchor points are securely fastened to the ground or deck. Re-tighten any loose bolts on the frame.
- **Water pooling on canopy:** Ensure the canopy is properly tensioned when extended. Retract the canopy during heavy rain or when not in use to prevent water accumulation.

For further assistance, please contact PURPLE LEAF customer support.
