

## Sitodier FC1621

# Sitodier 699-Piece Building Block Set Instruction Manual

Model: FC1621

## INTRODUCTION

---

Welcome to the exciting world of Sitodier building blocks! This manual provides detailed instructions for assembling, operating, and maintaining your 699-piece building block set. Designed for children aged 6 and up, this set allows you to construct four exquisite playground installations: a Mini Tree House, a Pirate Ship, a Ferris Wheel, and a Concert Stage. Please read this manual carefully before beginning assembly to ensure a smooth and enjoyable building experience.

## SAFETY INFORMATION

---

Your safety and the safety of others are paramount. Please observe the following safety guidelines:

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly and play for all ages, especially for younger children.
- **Age Recommendation:** This building set is recommended for children aged 6 years and older.
- **Material Safety:** All building blocks are made from high-quality, non-toxic, and environmentally friendly plastic materials.
- **Proper Use:** Do not put building blocks in the mouth. Keep away from heat sources and open flames.

Image: The building blocks are safe for children, made from non-toxic and high-quality materials.

## PACKAGE CONTENTS

Upon opening the box, please verify that all components are present. Your Sitodier 699-piece building block set includes:

- Approximately 699 assorted building blocks in various shapes and colors.
- Detailed, clear instruction manuals for each of the four models.
- Sheets of vivid stickers to enhance the appearance of your models.
- The main packaging box, which can be used for storage.

## ASSEMBLY INSTRUCTIONS

The Sitodier building block set allows you to construct four unique playground models. Each model has its own dedicated instruction manual to guide you through the assembly process. Follow these general steps for a successful build:

1. **Unpack and Organize:** Open the packaging and carefully remove all building blocks and instruction manuals. It is helpful to sort the blocks by color or type before you begin.
2. **Select a Model:** Choose which of the four models you wish to build first: the Mini Tree House, Pirate Ship, Ferris Wheel, or Concert Stage. Locate the corresponding instruction manual.
3. **Follow Step-by-Step:** The instructions are designed to be clear and easy to follow. Each step illustrates which pieces are needed and where they should be placed. Pay close attention to the orientation of the blocks.
4. **Secure Connections:** Ensure that each block is firmly connected to the previous one. A compact connection provides a stable and durable model.
5. **Apply Stickers:** Once the model is assembled, use the provided stickers to add decorative details as indicated in the instructions.

If you encounter difficulty connecting pieces, ensure you are using the correct blocks and that they are oriented properly. Some pieces may require a firm push to snap into place. If a piece is difficult to remove after incorrect placement, gently wiggle it or use a small, flat tool if necessary, taking care not to damage the blocks.

## The Four Exquisite Models:

**Mini Tree House & Pirate Ship**

Image: The Mini Tree House features a slide and elevated platform, while the Pirate Ship is designed to rock back and forth.

### Ferris Wheel & Concert Stage

Image: The Ferris Wheel is designed to rotate, and the Concert Stage features detailed musical elements.

## OPERATING INSTRUCTIONS

Once assembled, your Sitodier building block models are ready for imaginative play. Each model offers unique interactive features:

- **Ferris Wheel:** The Ferris Wheel model is designed with movable parts, allowing it to rotate in a full circle. Gently turn the wheel to make the carriages spin.
- **Pirate Ship:** The Pirate Ship model is built to rock back and forth, simulating movement on water. Gently push the ship to initiate the rocking motion.

- **Mini Tree House & Concert Stage:** These models provide static structures for creative storytelling and role-playing. Arrange your figures and accessories to create various scenarios.

Encourage children to explore the different features and integrate the models into their imaginative play scenarios. The durable construction ensures a perfect play experience and continuous entertainment.

## MAINTENANCE AND CARE

Proper care will extend the life and enjoyment of your Sitodier building block set:

- **Cleaning:** To clean the blocks and assembled models, gently wipe them with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic.
- **Drying:** After cleaning, allow the blocks to air dry completely before storing them to prevent moisture buildup.
- **Storage:** Store the building blocks and assembled models in a cool, dry place, away from direct sunlight and extreme temperatures. The original packaging box is ideal for keeping all pieces together and preventing loss.
- **Handling:** Handle the assembled models with care, especially during play, to prevent accidental disassembly.

## TROUBLESHOOTING

If you encounter any issues during assembly or play, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Missing pieces	Pieces may be overlooked or accidentally discarded with packaging.	Carefully check all packaging materials. If pieces are genuinely missing, contact customer support.
Difficulty connecting blocks	Incorrect piece, incorrect orientation, or insufficient pressure.	Verify the piece number and orientation against the instruction manual. Apply firm, even pressure to snap blocks together.
Assembled model falls apart easily	Blocks not fully connected, or incorrect assembly steps.	Review the assembly steps to ensure all connections are secure and correct. Re-press any loose connections.
Stickers not adhering well	Surface is dusty or oily.	Ensure the surface of the block is clean and dry before applying stickers.

## SPECIFICATIONS

Feature	Detail
Product Dimensions (L x W x H)	24 x 16 x 10 cm (9.45 x 6.3 x 3.94 inches)
Product Weight	662.24 grams (1.46 pounds)
Recommended Age	6 years and up
Educational Value	Creative thinking, Problem-solving skills
Model Number	FC1621

Feature	Detail
Number of Pieces	699
Main Material	Plastic
Model Year	2023

## WARRANTY AND SUPPORT

---

For information regarding product warranty, please refer to the documentation included with your purchase or visit the official Sitodier website. If you have any questions, require replacement parts, or need further assistance, please contact the seller or manufacturer directly through the platform where the product was purchased. Please have your model number (FC1621) and purchase details ready when contacting support.
