SETUP

Assembling the Flex Roller

1. Identify the main Flex Handle and the two separate Grip Handles.
2. Align the metal insert on the Flex Handle with the corresponding slot on one of the Grip Handles. Push firmly until it

clicks into place. Repeat for the second Grip Handle.

3. Choose your desired massage rollers (smooth or textured). Align the roller's central opening with the shaft on the Grip Handle and push firmly until it secures.

OPERATING INSTRUCTIONS

General Use

1. Assemble the massager with your preferred rollers.
2. Apply the massager to the desired muscle group (e.g., calf, thigh, arm, neck, shoulder).
3. Apply even pressure and roll the massager back and forth over the area. The flex handle will adapt to larger body parts.
4. For more focused massage on smaller areas, detach one or both hand grips and use the single-handed rollers.
