2. Initial Setup and Pairing

First-Time Use:

1. Remove the earbuds from the charging case. They will automatically enter pairing mode.
2. On your smartphone or audio device, go to the Bluetooth settings and select "MOMENTUM True Wireless 3" from the list of available devices.
3. Confirm pairing on your device.

Sennheiser Smart Control App:

Download the Sennheiser Smart Control app from your device's app store for full customization options, including equalizer settings, touch control configuration, and sound personalization.

3. Operating Your Earbuds

Customizable Touch Controls:

The outer surface of each earbud is touch-sensitive. You can customize single, double, and triple taps, as well as tap-and-hold gestures, via the Sennheiser Smart Control app to control music playback, calls, and voice assistant functions.

- **Music Playback:** Play/pause, next track, previous track.
- **Call Management:** Answer/end calls, reject calls.
- **Voice Assistant:** Activate your device's voice assistant.
- **Volume Control:** Adjust volume up or down.

Adaptive Noise Cancellation (ANC) & Transparency Mode:

The earbuds feature Adaptive Noise Cancellation to block out ambient sounds and Transparency Mode to allow you to hear your surroundings without removing the earbuds. These modes can be toggled and adjusted via the Smart Control app or customized touch controls.

4. Maintenance and Battery

Charging & Battery Life:

The earbuds provide up to 7 hours of playback on a single charge, with an additional 21 hours available from the charging case, totaling 28 hours. The charging case can be charged via the included USB-C cable or wirelessly using a Qi-compatible charger.

- **To Charge Earbuds:** Place the earbuds into the charging case. Ensure they are properly seated to make contact with the charging pins.
- **To Charge Case:** Connect the USB-C cable to the port on the front of the case, or place the case on a Qi wireless charging pad.

Water Resistance:

The earbuds are IPX4 splash-resistant, making them suitable for workouts and light rain. They are not designed for submersion in water.

5. Troubleshooting

Earbuds Not Charging in Case:

- Ensure the earbuds are correctly seated in the charging case. Sometimes a slight adjustment or "jiggle" is needed to ensure proper contact with the charging pins.
- Check the charging pins on both the earbuds and the case for any debris or obstruction.

Optimal Fit:

- A snug fit is crucial for effective noise cancellation and sound quality. Experiment with the different sizes of silicone ear adapters and ear fins provided to find the best fit for your ears.
- The Sennheiser Smart Control app includes a "Fit Test" feature to help you verify the optimal seal of your earbuds.
