WOMA C0447

WOMA Brontosaurus Building Blocks Instruction Manual

Model: C0447

1. Product Overview

The WOMA Brontosaurus Building Blocks set (Model C0447) is a high-quality construction toy designed for children aged 6 and above. This set allows users to assemble a detailed Brontosaurus model using 589 durable plastic pieces. It promotes creative thinking and fine motor skills.

2. Setup and Assembly

This building block set requires assembly. Follow the included step-by-step instructions carefully to construct the Brontosaurus model. Ensure all 589 pieces are accounted for before beginning assembly.

2.1 Unpacking

- Carefully open the product packaging.
- Remove all plastic bags containing the building blocks.
- Verify the contents against the parts list provided in the separate instruction booklet (not included in this manual).

Figure 2.1: The product box for the WOMA Brontosaurus building blocks, indicating 589 pieces and suitable for ages 6+.

2.2 Assembly Steps

Refer to the dedicated assembly instruction booklet that comes with the product for detailed, visual, step-by-step guidance. The assembly process typically involves:

1. Sorting pieces by color and size to facilitate easier assembly.
2. Beginning with the base structure, typically the body or legs of the dinosaur.
3. Attaching subsequent sections, such as the neck, head, and tail, following the numerical sequence in the instruction booklet.
4. Ensuring all connections are firm and secure.

Important Safety Note: This toy contains small parts and is not suitable for children under 3 years old. Adult supervision is recommended during assembly and play, especially for younger children (6+).

Figure 2.3: Safety warnings on the product packaging, indicating "Not suitable for children under 3 years due to small parts" and recommending adult supervision.

3. Operating and Play

Once assembled, the Brontosaurus model is ready for imaginative play. The design allows for some articulation, enhancing playability.

- Encourage creative storytelling and role-playing with the dinosaur model.
- The model can be displayed as a decorative piece.
- While durable, avoid excessive force or dropping the model to prevent pieces from detaching.

Figure 3.1: The assembled Brontosaurus from a side perspective, highlighting its green and tan color scheme and block construction.

4. Maintenance

Proper maintenance ensures the longevity and cleanliness of your building block set.

- **Cleaning:** To clean the blocks, wipe them with a damp cloth. For deeper cleaning, blocks can be gently washed with mild soap and water, then air-dried thoroughly. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or disassembled pieces in a clean, dry place away from direct sunlight and extreme temperatures. This prevents discoloration and material degradation.
- **Disassembly:** If disassembling the model for storage or reassembly, do so carefully to avoid damaging the connection points.

5. Troubleshooting

Here are solutions to common issues you might encounter:

- **Missing Pieces:** If you find any pieces missing upon unpacking, first double-check all packaging materials. If still missing, contact the retailer or manufacturer's customer support (if available) with your proof of purchase and the specific piece number/description.
- **Difficulty Connecting Pieces:** Ensure pieces are aligned correctly. Apply gentle, even pressure. If a piece is consistently difficult, check for any manufacturing defects or debris in the connection points.
- **Model Falls Apart:** This usually indicates that pieces are not fully pressed together. Go back through the assembly steps and ensure all connections are firm.

6. Specifications

Key specifications for the WOMA Brontosaurus Building Blocks (Model C0447):

Feature	Detail
Model Number	C0447
Brand	WOMA
Material	Plastic
Number of Pieces	589
Product Dimensions (L x W x H)	46 x 11.4 x 6.8 cm (assembled)
Item Weight	570 grams
Educational Objective	Creative Thinking
Color	Green
Theme	Animal (Dinosaur)
Special Feature	Non-toxic
Assembly Required	Yes
Batteries Required	No
