## WOMA C0555A

# WOMA SWAT Anti-Riot Building Blocks Set Instruction Manual

Brand: **WOMA** | Model: **C0555A**

## 1. INTRODUCTION

---

This manual provides detailed instructions for assembling, operating, and maintaining your WOMA SWAT Anti-Riot Building Blocks Set. This comprehensive set allows for the construction of a detailed police station, complete with a helicopter, police car, and motorcycle, offering an immersive play experience.

The set includes over 1261 high-quality, durable ABS plastic bricks, designed for great flexibility in construction and imaginative play. It is an ideal choice for children aged 6 years and up, fostering analytical skills, construction competence, concentration, cognitive flexibility, and color recognition.

## 2. SETUP AND ASSEMBLY

Before beginning assembly, ensure all 1261 pieces are present and sorted. It is recommended to organize pieces by color and type to facilitate the building process. Refer to the included diagrams and step-by-step instructions for precise assembly.

### 2.1 Main Police Station Assembly

The police station is the central structure of this set. Begin by constructing the base, then proceed with the walls, floors, and various rooms. Pay close attention to the connections for stability.

Figure 2.1: Detailed view of the police station structure, highlighting key areas such as the operation platform, head office, parking apron, monitoring center, training center, front desk, garage, and jailhouse.

## 2.2 Vehicle Assembly

Assemble the accompanying vehicles: a police helicopter, a police car, and a police motorcycle. Each vehicle has unique components and assembly steps. Ensure all wheels and rotors are securely attached for proper function.

Figure 2.2: Dimensions and key features of the individual police vehicles included in the set: the police car, police truck, helicopter, and motorcycle.

### 2.3 Integrating Features

Once the main structures and vehicles are built, integrate the smaller details and movable parts, such as opening doors, barriers, and communication equipment. These elements enhance the playability of the set.

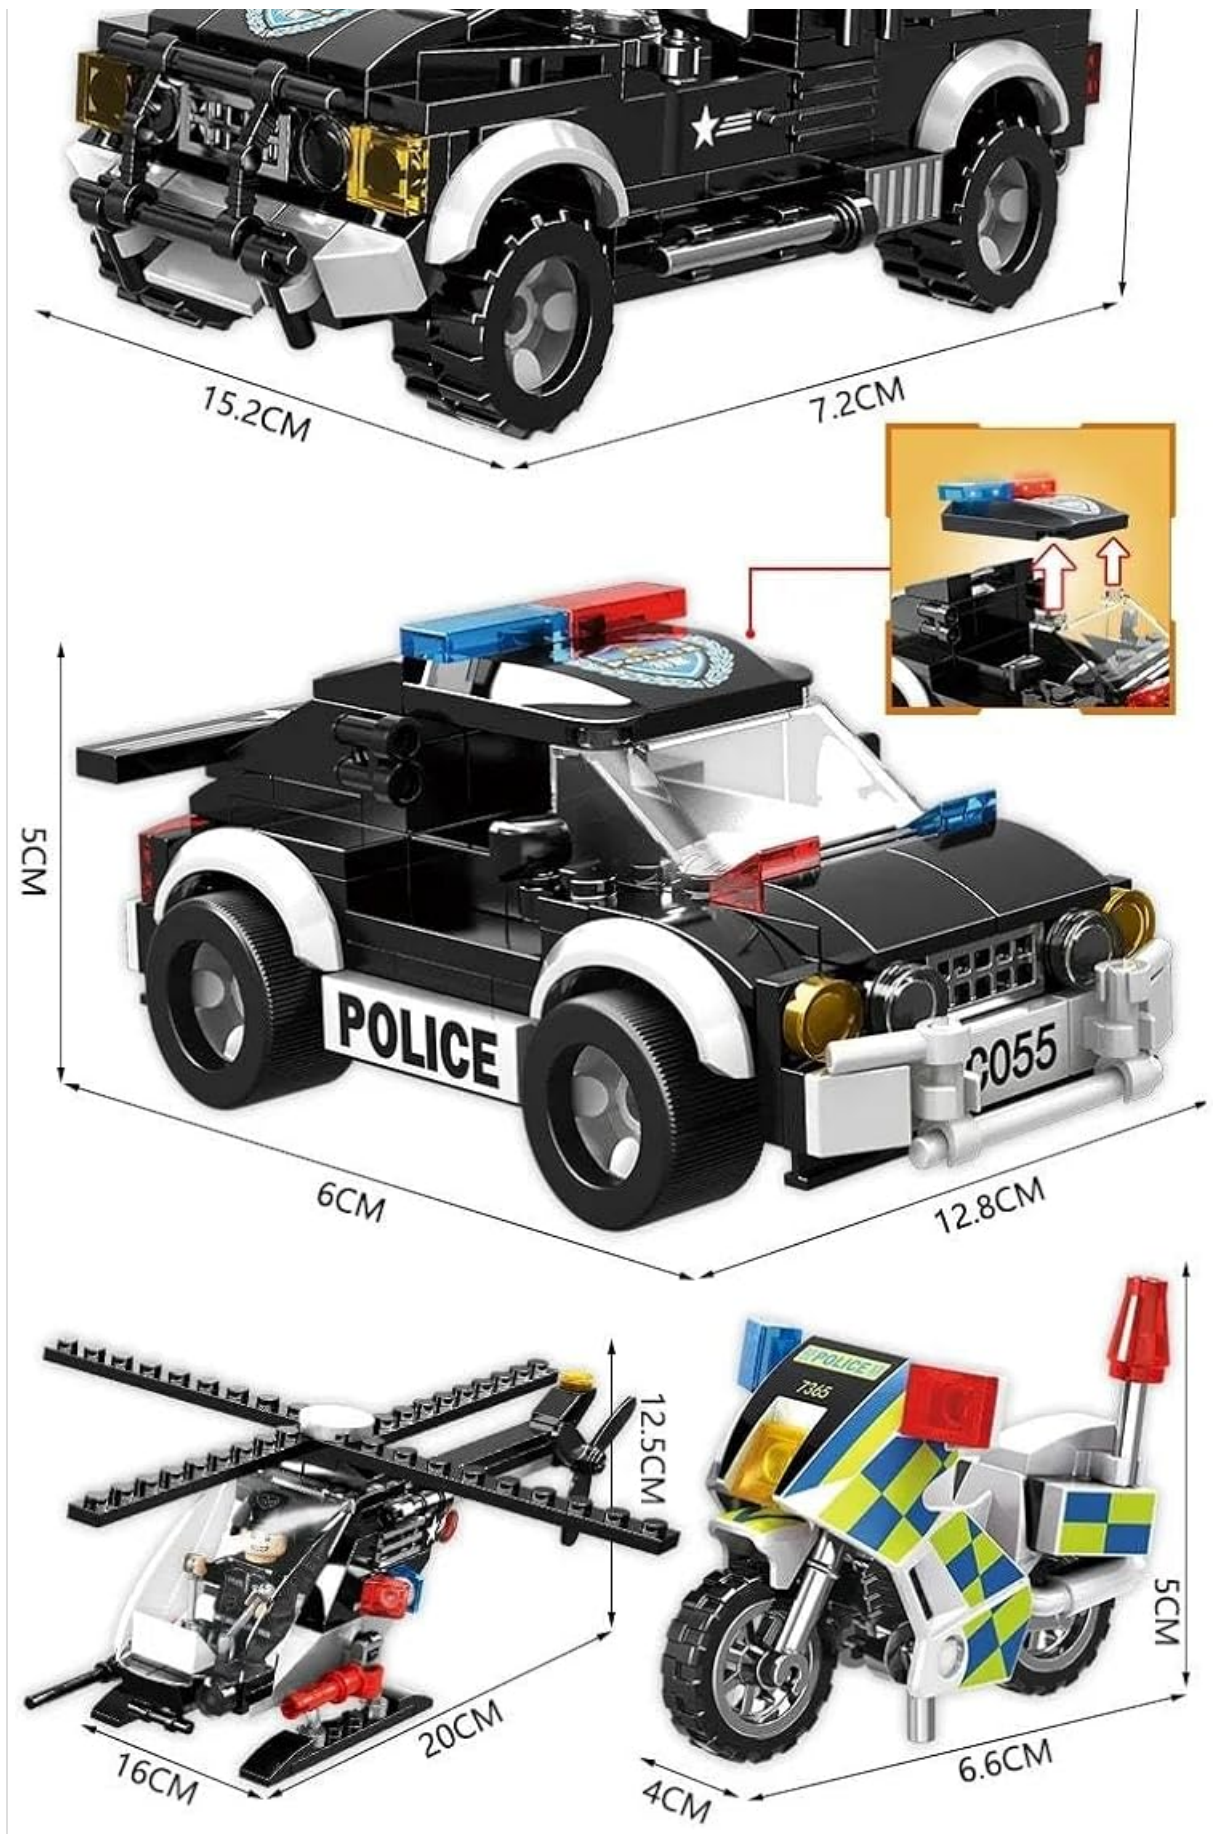

Figure 2.3: Close-up views of interactive features within the police station, such as the rotating radar dish, opening doors, and a movable road barrier.

### 3. OPERATING AND PLAY

The WOMA SWAT Anti-Riot Building Blocks Set is designed for imaginative and interactive play. Children can engage in various scenarios, such as police pursuits, rescue missions, and daily police station operations.

- **Role-Playing:** Utilize the different sections of the police station, including the jailhouse, monitoring center, and head office, to simulate various police activities.
- **Vehicle Action:** Deploy the police car, truck, helicopter, and motorcycle for high-speed chases and aerial surveillance. The vehicles are designed for easy movement on flat surfaces.
- **Interactive Elements:** Use the movable barriers, opening doors, and rotating radar dish to enhance the realism of play scenarios.

Figure 3.2: A child engaging in imaginative play with the WOMA SWAT Anti-Riot Building Blocks Set, demonstrating its interactive nature.

## 4. MAINTENANCE

Proper maintenance ensures the longevity and cleanliness of your building blocks set.

- **Cleaning:** To clean the blocks, gently wipe them with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic or printed details. Ensure blocks are completely dry before storage.
- **Storage:** Store the set in a cool, dry place away from direct sunlight and extreme temperatures. For best preservation, store pieces in their original packaging or a dedicated storage container to prevent loss and damage. The set is designed to be easy to store.

## 5. TROUBLESHOOTING

If you encounter any issues with your WOMA SWAT Anti-Riot Building Blocks Set, please refer to the following common solutions:

- **Missing Pieces:** Carefully check all packaging materials and the play area. If pieces are genuinely missing, please contact WOMA customer support with your product model number (C0555A) and a description of the missing parts.
- **Difficulty Assembling:** Review the assembly diagrams and instructions provided with the set. Ensure pieces are correctly oriented and firmly pressed together. Sometimes, a small amount of force is needed to secure connections.
- **Loose Connections:** If assembled parts feel loose, disassemble and reassemble them, ensuring a firm connection. Verify that the correct pieces are being used according to the instructions.

## 6. SPECIFICATIONS

Feature	Detail
Product Dimensions (L x W x H)	42.3 x 28.6 x 14 cm
Product Weight	1.4 kg
Recommended Age	6 years and up
Educational Value	Analytical skills, Construction skills, Concentration, Cognitive flexibility, Color recognition
Manufacturer Reference	C0555A
Number of Pieces	1261
Assembly Required	Yes
Batteries Required/Included	No
Main Material	Acrylonitrile Butadiene Styrene (ABS), Plastic
Color	Mixed
Special Features	Easy to store, Non-toxic
Model Year	2023
