1. INTRODUCTION

This manual provides essential instructions for the ENOMIR Smart Watch Model 208. Please read this guide thoroughly before use to ensure proper operation and maintenance of your device. This smartwatch offers a range of features including Bluetooth calling, Alexa built-in, 24-hour health monitoring, 100 sports modes, and 5ATM water resistance.

2. WHAT'S IN THE BOX

The ENOMIR Smart Watch package includes the following items:

- 1 x Smartwatch

Video: What is in the Box? This video demonstrates the unboxing process and displays all items included in the ENOMIR Smart Watch package.

3. SETUP

3.1 Charging the Smart Watch

Before initial use, fully charge your ENOMIR Smart Watch. The device uses a magnetic charging cable. Align the magnetic pins of the charger with the charging points on the back of the watch. Ensure a secure connection. A full charge typically takes less than 2 hours and provides over 7 days of daily use or 25 days on standby.

Check Your Health Data Any Time

Know your health well, and develop a better lifestyle

Video: How to Charge the Fitness Watch. This video provides a visual guide on connecting the magnetic charger to the smartwatch.

3.2 App Download and Pairing

To unlock the full potential of your ENOMIR Smart Watch, download the companion app. The app is compatible with iOS 9.0+ and Android 6.0+ smartphones.

1. Scan the QR code displayed on the watch screen or in the user manual to download the 'VeryFit' app from the Google Play Store or Apple App Store.
2. Enable Bluetooth on your smartphone.
3. Open the 'VeryFit' app and follow the on-screen instructions to search for and pair with your ENOMIR Smart Watch (device ID: ID208 Plus).
4. Once paired, you can customize settings and view your health data within the app.

Memory Storage Capacity	480 MB
Operating System	Android
Battery Capacity	350 Milliamp Hours
Connectivity Technology	Smartwatch (Bluetooth)
Battery Cell Composition	Lithium Polymer
GPS	GPS Via Smartphone

Shape	Rectangular
Manufacturer	ENOMIR

9. MAINTENANCE

To ensure the longevity and optimal performance of your ENOMIR Smart Watch, follow these maintenance guidelines:

- **Cleaning:** Regularly wipe the watch screen and strap with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth and mild soap, then dry thoroughly.
- **Water Resistance:** The watch is 5ATM water-resistant, suitable for hand washing, rain, and swimming. However, avoid exposing it to hot water, steam, or saunas, as this can compromise the water seal.
- **Charging:** Always use the provided magnetic charging cable. Avoid using damaged cables or chargers.
- **Storage:** Store the watch in a cool, dry place away from direct sunlight and extreme temperatures.

10. TROUBLESHOOTING

If you encounter issues with your ENOMIR Smart Watch, try the following troubleshooting steps:

- **Connectivity Issues:** Ensure Bluetooth is enabled on your phone and the watch is within range. Restart both your phone and the watch, then attempt to re-pair via the 'VeryFit' app.
- **App Not Syncing:** Check that the 'VeryFit' app is updated to the latest version. Ensure the watch is properly connected to the app and that all necessary permissions are granted.
- **Watch Not Turning On:** Ensure the watch is fully charged. If it still doesn't turn on, try long-pressing the side button for several seconds.
- **Inaccurate Readings:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensors on the back of the watch.

Video: How to update the watch. This video provides instructions on updating the smartwatch's software.

11. WARRANTY AND SUPPORT

ENOMIR is committed to providing quality products and customer satisfaction.

- **Return Policy:** This product is eligible for a 30-day refund/replacement.
- **Replacement:** Enjoy a 365-day replacement policy.
- **Customer Support:** 12-hour quick reply customer support is available for any inquiries or assistance.

12. COMPATIBILITY

The ENOMIR Smart Watch is compatible with a wide range of devices:

- **iOS Devices:** Compatible with iOS 9.0 and above, including iPhone 7/8/X/11/12/13/14/15 series.
- **Android Devices:** Compatible with Android 6.0 and above, including Galaxy series, Pixel series, Huawei series, Xiaomi series, and other Android smartphones.

- **Other Bluetooth Devices:** Also compatible with tablets that support Bluetooth connectivity.

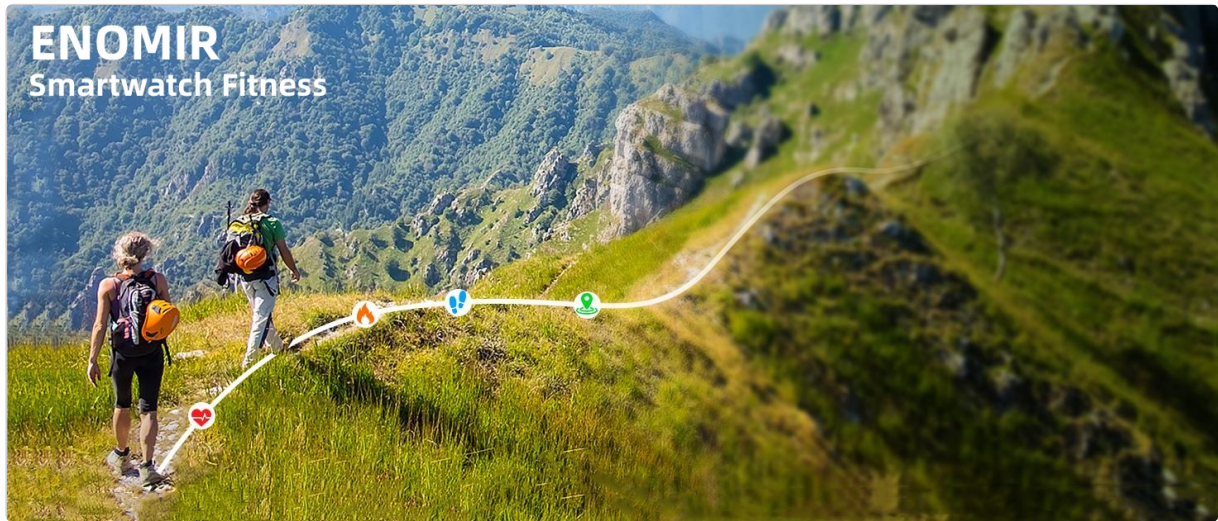

Image: Wide Compatibility. This image illustrates the broad compatibility of the smartwatch with both iOS and Android devices.
