It will give you smart reminder to move around when you are doing long-term desk working or studying.

IPX7 Life Waterproof

Its waterproof technology can meet usual daily life, such as wash hands and wear in the rainy days.

Stay active with sedentary reminders and enjoy daily use with IPX7 water resistance.

Breath Rate

Click the Breath Rate on the watch screen to know about your breath. Also you can learn to relax with breath training, the watch will become your smart heath assistant.

Vibration Mode

The smart watch has vibration and sound mode. And there are three intensity adjustments with vibration. It doesn't bother you while you're working, but alerts you to new messages.

Monitor your breath rate and customize vibration settings for alerts.

1. Water Resistance

The watch is IP67 water resistant, meaning it meets daily use needs such as washing hands or wearing in the rain. However, it is **not** suitable for high temperature and sea water where high intensity temperature changes occur.

2. Cleaning

Regularly clean your watch and straps with a soft, dry cloth. If necessary, use a slightly damp cloth and mild soap, then dry thoroughly. Avoid harsh chemicals or abrasive materials.

3. Battery Life

The watch can be used for up to 3-5 days with heavy usage and standby for 10-15 days after being fully charged.

TROUBLESHOOTING

If you encounter any issues with your Popglory Smart Watch P66, please try the following:

- **Connection Issues:** Ensure Bluetooth is on, the GloryFit app is open, and the watch is within range. Try restarting both the watch and your phone.
- **Notification Problems:** Check phone settings to ensure GloryFit has notification access. Verify app-specific notifications are enabled within GloryFit.
- **Inaccurate Readings:** Ensure the watch is worn snugly on your wrist, but not too tight. Clean the sensors on the back of the watch.
- **Screen Unresponsive:** Try restarting the watch. Ensure it is charged.

For persistent issues, refer to the detailed user guide PDF available online or contact Popglory customer support.
