SUNGOOYUE Baby Noise-Cancelling Earmuffs User Manual

Model: SUNGOOYUEdonb6ur8qp1660-12

INTRODUCTION AND PRODUCT OVERVIEW

The SUNGOOYUE Baby Noise-Cancelling Earmuffs are designed to protect your child's sensitive hearing from loud and potentially damaging noises. Infants' eardrums are delicate, and proper ear protection is crucial to prevent hearing loss. These earmuffs provide a comfortable and effective solution for various noisy environments.

The earmuffs feature an adjustable elastic band made of a soft polyester blend, ensuring a snug yet comfortable fit for different head sizes. They are lightweight and compact, making them easy to transport and use on the go.

SETUP

Before first use, inspect the earmuffs for any damage. The elastic band is designed for adjustability to ensure a secure and comfortable fit for your child.

1. **Adjusting the Band:** Gently pull the elastic band to adjust its length. The band is made of a mixed-color polyester and can be adjusted to fit various head circumferences. Ensure it is not too tight, which could cause discomfort, nor too loose, which could compromise noise reduction.
2. **Positioning the Earmuffs:** Place the ear cups over your child's ears, ensuring they fully cover the ears and create a seal around them. The elastic band should rest comfortably around the head.

Infants Ear Protection Muffs

Infants earmuffs has elastic headband, it is made of mixed color polyester, can be adjusted with different baby's head circumference, soft and comfortable to fit different sizes of head.

OPERATING INSTRUCTIONS

These earmuffs are suitable for protecting your child's hearing in various noisy environments. Always ensure a proper fit for optimal performance.

- **Application:** Gently place the earmuffs over your child's ears, ensuring the ear cups fully enclose the ears. Adjust the elastic band for a secure but comfortable fit.
- **Recommended Use:** The earmuffs are ideal for use during sleep, travel, parties, festivals, fireworks displays, and other situations with moderate to loud noise.
- **Important Safety Note:** While these earmuffs provide significant noise reduction, it is not recommended to expose your child to ultra-high noise environments, such as shooting ranges, even when wearing ear protection. Always prioritize your child's safety and remove them from excessively loud situations.

Baby Ear Muffs

Baby noise blocking earmuffs are suitable for sleeping, traveling, parties, festivals, fireworks and all noisy noises. However, to defend your baby's hearing, even with earmuffs, it is not recommended to leave your baby in ultra high noise environments such as shooting ranges.

MAINTENANCE

Proper care will extend the life and effectiveness of your SUNGOOYUE Baby Noise-Cancelling Earmuffs.

- **Cleaning:** Gently wipe the earmuffs with a damp cloth. Do not immerse them in water or use harsh cleaning agents.
- **Storage:** Store the earmuffs in a cool, dry place away from direct sunlight, excessive heat, and sharp objects.
- **Inspection:** Regularly check the ear cups and elastic band for any signs of wear or damage. Discontinue use if any damage is observed.

TROUBLESHOOTING

If you encounter any issues with your earmuffs, please refer to the following common solutions:

- **Earmuffs feel loose or fall off:** Re-adjust the elastic band to a tighter, yet still comfortable, setting. Ensure the ear cups are properly positioned over the ears.
- **Noise reduction seems ineffective:** Check that the ear cups form a complete seal around your child's ears. Ensure there are no gaps. The elastic band should be snug enough to hold them in place.
- **Child shows discomfort:** Ensure the elastic band is not too tight. Check for any foreign objects or irritants inside the ear cups. Allow your child to get accustomed to wearing them in a quiet environment first.

SPECIFICATIONS

Feature	Detail
Brand	SUNGOOYUE
Model Number	SUNGOOYUEdonb6ur8qp1660-12
ASIN	B0B9P11VDZ

Feature	Detail
Package Dimensions	12 x 12 x 10 cm
Item Weight	145 grams
Manufacturer	SUNGOOYUE
Age Range Description	0-3 years
