

VGR V-228

VGR V-228 Professional Hair Trimmer User Manual

Model: V-228

1. INTRODUCTION

Thank you for choosing the VGR V-228 Professional Hair Trimmer. This manual provides essential information for the safe and effective use, maintenance, and care of your new trimmer. Please read it thoroughly before first use and keep it for future reference.

2. SAFETY INSTRUCTIONS

WARNING: To reduce the risk of electric shock, injury, or damage, always follow these basic safety precautions:

- Avoid using the trimmer on wet skin.
- Keep the device away from water sources and do not immerse it in water.
- Do not use the trimmer while it is charging.
- Keep the trimmer out of reach of children.
- Always disconnect the power and turn off the trimmer when not in use.
- Do not use the trimmer on infants or near sensitive body areas.
- Always follow the recommended cleaning and maintenance procedures.
- Always keep the blades clean and dry.
- Store the trimmer in a dry place.
- Always use the trimmer with caution.

3. PACKAGE CONTENTS

Verify that all items are present in your package:

- 1 x VGR V-228 Hair Trimmer
- 3 x Guide Combs (1mm, 2mm, 3mm)
- 1 x USB Charging Cable
- 1 x Cleaning Brush
- 1 x Protective Cover
- 1 x Lubricating Oil Bottle

4. PRODUCT FEATURES

The VGR V-228 Professional Hair Trimmer is designed for precision and convenience, offering a superior grooming experience.

- **Precision Blade:** Features a fine-cutting blade with cutting teeth designed for highly accurate trimming.
- **LED Display:** An intelligent LED screen clearly shows the working status and charging progress.
- **Adjustable Cutting Lengths:** Comes with 3 guide combs (1mm, 2mm, 3mm) to adjust the cutting length up to 3mm.
- **USB Charging:** Convenient USB charging ensures you can power your device at home or while traveling.
- **High-Speed Rotary Motor:** Equipped with a powerful 6500 RPM motor for fast, consistent, and smooth cutting performance.
- **Long-Lasting Battery:** Built-in 1500mAh Lithium battery provides up to 180 minutes of operating time on a full charge.
- **Heat Protection:** Incorporates heat control technology for safer grooming.
- **Durable Stainless Steel Blade:** The blade is made of stainless steel, featuring a Nick Proof Design, water-resistance for easy cleaning, and self-sharpening edges for lasting performance.
- **Quiet Operation:** Designed with a quiet and efficient motor.

6. OPERATING INSTRUCTIONS

1. Ensure the trimmer is fully charged and the desired guide comb is attached.
2. Press the On/Off button to power on the trimmer.
3. Gently move the trimmer against the direction of hair growth to cut hair. Use smooth, even strokes.
4. For detailed styling or edging, remove the guide comb and use the bare blade with caution.
5. The VGR V-228 is suitable for various grooming needs including beard trimming, mustache shaping, hair cutting, and defining hairlines.

7. MAINTENANCE

Proper maintenance ensures the longevity and performance of your trimmer:

1. **Cleaning After Use:** After each use, turn off the trimmer and remove the guide comb. Use the provided cleaning brush to remove any hair clippings from the blades and the trimmer body.
2. **Oiling Blades:** Apply a small drop of the lubricating oil (provided) to the blades after cleaning. This helps maintain blade sharpness and smooth operation.
3. **Storage:** Store the trimmer in a dry place, away from moisture and direct sunlight. Use the protective cover to shield the blades when not in use.
4. **Battery Care:** To preserve battery life, avoid completely draining the battery frequently. Recharge when the LED indicator shows low power.

8. TROUBLESHOOTING

If you encounter issues with your VGR V-228 trimmer, consider the following:

- **Trimmer not turning on:** Ensure the device is fully charged. Connect it to the USB charging cable

and allow it to charge for at least 30 minutes before attempting to turn it on again.

- **Poor cutting performance:** Check if the blades are clean and free of hair. Apply lubricating oil to the blades. Ensure the guide comb is correctly attached. If the issue persists, the blades may need professional sharpening or replacement.
- **Unusual noise:** Turn off the trimmer and clean the blades thoroughly. Apply oil. If the noise continues, contact customer support.
