## 1. SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Maximum Weight Capacity:** Do not exceed a total weight of 318 kilograms (700 lbs) on the bed frame. This includes the mattress and occupants.
- **Assembly:** Assemble the bed frame carefully, strictly following the provided instructions. Ensure all bolts and fasteners are securely tightened before use.
- **Environment:** Keep the bed frame dry to prevent damage and ensure stability. Avoid exposure to excessive moisture.
- **Children:** Keep small parts and packaging materials away from children during assembly to prevent choking hazards.

## 2. SETUP AND ASSEMBLY

The Zinus Figari bed frame is designed for straightforward assembly. All necessary parts, tools, and instructions are efficiently packed in a single box.

### 2.1 Unpacking

Carefully open the packaging and remove all components. Verify that all parts listed in the instruction manual are present. The packaging is designed to be compact and sustainable, minimizing waste.

Image: Compact packaging ensures all components are securely stored and delivered in one box.

## 2.2 Assembly Steps

Assembly typically requires two people and can be completed in less than an hour. Follow the numbered steps provided in the included instruction booklet.

1. **Identify Parts:** Use the numbering system on the parts to easily identify each component.
2. **Connect Frame Sections:** Join the main metal frame sections using the provided bolts and the time-saving ratchet tool.
3. **Attach Headboard:** Secure the durable bamboo headboard to the frame.
4. **Install Slats:** Place the metal slats onto the frame. Ensure they are evenly spaced and securely fitted to provide optimal mattress support.
5. **Final Tightening:** Double-check all bolts and connections to ensure they are fully tightened for stability and to prevent squeaking.

Image: The included ratchet tool simplifies the assembly process.

### 3. OPERATING INSTRUCTIONS

The Zinus Figari bed frame is designed for daily use, offering both comfort and practical features.

#### 3.1 Mattress Placement

Place your European Double size mattress directly onto the metal slat platform. The robust metal slats provide stable support, eliminating the need for a box spring.

#### 3.2 Under-Bed Storage

The bed frame features approximately 26.4 cm (10.4 inches) of clearance underneath, providing ample space for storage. Utilize storage bins or containers to keep items organized and out of sight.

#### Guarda el desorden debajo de tu cama

Con más de 26 cm de espacio debajo de la cama, puede mantener las cosas organizadas y fuera del camino fácilmente

Image: The generous under-bed clearance allows for convenient storage solutions.

#### 3.3 Squeak-Resistant Design

The bed frame is engineered with a durable steel construction and additional support legs to minimize noise and provide a stable, squeak-free sleeping experience.

---

## 4. MAINTENANCE

Proper care will extend the life and appearance of your Zinus Figari bed frame.

- **Cleaning:** Wipe the metal frame and bamboo headboard with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
  - **Moisture:** Keep the bed frame dry. In case of spills, wipe immediately with a dry cloth.
  - **Fasteners:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- 

## 5. TROUBLESHOOTING

If you encounter any issues with your bed frame, refer to the following common solutions.

### 5.1 Squeaking Noises

- Ensure all bolts and connections are securely tightened. Loose fasteners are a common cause of squeaking.
- Check that the mattress is properly seated on the slats and not shifting.

### 5.2 Instability or Wobbling

- Verify that all legs are making full contact with the floor. Adjust if necessary.
- Re-check all assembly points to ensure components are correctly aligned and tightened according to the instructions.

### 5.3 Missing or Damaged Parts

If you find any parts missing or damaged upon unpacking, please contact Zinus customer support immediately for assistance.
