2. PRODUCT OVERVIEW AND FEATURES

The casmilee Portable Charger Power Bank Case is engineered to protect and organize your portable charging devices. Key features include:

- **Compatibility:** Specifically designed for small portable charger power banks such as iWALK, JEJILL, Charmast, LanLuk, VEGER, Swyop, Feob, Taegila, and Kuulaa models.
- **Robust Protection:** Features a hard outer shell material to guard against scratches, wear, impacts, and dents, extending the lifespan of your charger.
- **Portable Design:** Lightweight and pocket-sized with a comfortable mountaineering buckle for easy carrying during travel, outdoor activities, or daily commutes.
- **Organized Storage:** Includes a precise internal groove to secure the power bank and an extra zipper mesh pocket for USB-C cables and other small accessories.

3. SETUP

To set up your casmilee Portable Charger Power Bank Case:

1. Open the case using the smooth zipper.
2. Carefully place your compatible portable power bank into the designated groove in the lower compartment. Ensure it fits snugly to prevent movement.
3. Store any charging cables or small accessories in the mesh zipper pocket located in the upper lid.
4. Close the zipper completely to secure the contents.

4. OPERATING INSTRUCTIONS

Using your casmilee case is straightforward:

- **Opening and Closing:** Use the smooth zipper to open and close the case. Ensure the zipper is fully closed to protect the contents.
- **Carrying:** Utilize the integrated mountaineering buckle to attach the case to your bag, belt loop, or other convenient locations for easy access and portability.
- **Accessing Contents:** Open the case to retrieve your power bank or charging cables as needed.

5. MAINTENANCE

To maintain the quality and appearance of your casmilee case:

- **Cleaning:** Use the included cleaning cloth to gently wipe the exterior of the case. For minor stains, a damp cloth with mild soap can be used, then wipe dry immediately.
- **Storage:** Store the case in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or solvents, as these can damage the case material.

6. TROUBLESHOOTING

If you encounter any issues with your casmilee Portable Charger Power Bank Case, consider the following:

- **Power Bank Does Not Fit:** Ensure your power bank model is compatible with the case dimensions. This case is designed for small portable chargers. Refer to the specifications section for dimensions.
- **Zipper Issues:** If the zipper is stiff, ensure no fabric is caught. Do not force the zipper, as this may cause damage.
- **Case Damage:** While the case is designed for protection, severe impacts can cause damage. Inspect the case regularly for any signs of wear or damage that might compromise its protective capabilities.

7. SPECIFICATIONS
