

LVB WR054003

LVB WR054003 47-Inch Light Grey Oak Industrial Bar Cabinet Instruction Manual

Model: WR054003 | Brand: LVB

1. INTRODUCTION

Thank you for choosing the LVB WR054003 47-Inch Light Grey Oak Industrial Bar Cabinet. This versatile furniture piece is designed to enhance your home with its industrial aesthetic and practical storage solutions. It features a spacious tabletop, multiple storage compartments, a wine rack, and stemware holders, making it suitable for various rooms such as the kitchen, dining room, living room, or home bar area.

This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your new bar cabinet. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. IMPORTANT SAFETY INSTRUCTIONS

- **Anti-Tip Kit:** Ensure the cabinet is properly anchored to the wall using the provided anti-tip kit to prevent accidental tipping.
- **Weight Capacity:** Do not exceed the maximum tabletop load capacity of 360 pounds (163 kg) or the overall maximum load capacity of 1020 pounds (462 kg).
- **Stable Surface:** Always place the cabinet on a flat, stable, and level surface.
- **Assembly:** Follow all assembly instructions carefully. Do not overtighten screws.
- **Children:** Keep children away from the assembly area and do not allow them to climb on or play with the cabinet.

3. SETUP AND ASSEMBLY

The LVB Industrial Bar Cabinet is designed for easy assembly. All pieces are labeled, and straightforward

instructions are included to guide you through each step. All necessary hardware is provided.

3.1. Preparation

- Clear a spacious area for assembly.
- Unpack all components and verify against the parts list in your included manual.
- Ensure you have a Phillips head screwdriver (not included) in addition to the provided tools.

3.2. Assembly Steps

Follow the step-by-step diagrams and instructions provided in the printed manual. Typically, assembly can be completed within 40 minutes.

4. OPERATING INSTRUCTIONS AND FEATURES

Your LVB Industrial Bar Cabinet offers versatile storage and display options for your home bar essentials and other items.

4.1. Storage Features

- **Spacious Tabletop:** The top surface provides ample space for preparing drinks, displaying decor, or holding a coffee maker.
- **Open Storage Compartments:** Features two open shelves for easy access to frequently used items or decorative pieces.
- **Enclosed Cabinets:** Four mesh-door cabinets offer concealed storage for bottles, glassware, or other accessories, providing both privacy and a stylish industrial look.
- **Wine Rack:** Includes a dedicated wine rack to store your favorite wine bottles securely. This rack is removable if you prefer to use the space for other items.
- **Stemware Holders:** Four integrated stemware holders allow you to hang wine glasses upside down, keeping them clean and easily accessible.

4.2. Versatile Placement

The cabinet's design allows it to seamlessly integrate into various home environments:

- **Dining Room:** Ideal as a liquor cabinet or buffet server.
- **Living Room:** Functions as a stylish sideboard or media console.
- **Kitchen:** Perfect as a coffee bar cabinet or additional storage.
- **Entryway:** Can serve as a console table for organization.

5. MAINTENANCE

To maintain the appearance and longevity of your LVB Industrial Bar Cabinet, follow these simple care instructions:

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood and metal components.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

- **Sunlight & Heat:** Avoid prolonged exposure to direct sunlight or extreme heat, which can cause fading or warping.

6. TROUBLESHOOTING

If you encounter any issues with your LVB Industrial Bar Cabinet, please refer to the following common solutions:

- **Wobbly Cabinet:** Ensure the cabinet is placed on a level surface. Check that all screws are securely tightened. Adjust the leveling feet if present.
- **Doors Not Closing Properly:** Verify that the door hinges are correctly installed and tightened. Check for any obstructions within the cabinet or along the door's path.
- **Missing Parts:** If any parts are missing upon unboxing, please contact customer support immediately for assistance.

For issues not covered here, please contact LVB customer service.
