# LIKIMIO King Size Bed Frame Instruction Manual

Model: **HK-KBF-008** | Brand: **LIKIMIO**

## IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Do not exceed a weight limit of 200 pounds.
- Always follow the assembly instructions carefully to ensure stability and prevent injury.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.
- Keep small parts away from children during assembly to prevent choking hazards.
- Use on a level surface to prevent wobbling and instability.

## PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact LIKIMIO customer support.

Component	Quantity
Bed Frame Sections	1 Set
Slats	Multiple
Headboard (with integrated charging station)	1
Support Legs	Multiple
Assembly Hardware (bolts, nuts, washers, Allen wrench)	1 Set
Instruction Manual	1

## SPECIFICATIONS

---

**Size:** King

**Product Dimensions (L x W x H):** 85.4" x 78" x 40.6"

**Color:** Vintage Brown and Grey

**Material:** Heavy-duty metal, FSC-Certified wood, Upholstered fabric

**Special Features:** Storage Headboard with 2 Standard Plug Outlets and USB Ports, Noise-Free Design, No Box Spring Needed, 10.4" Under-bed Clearance

**Weight Capacity:** 1100 lbs

**Item Weight:** 75 pounds

**Model Number:** HK-KBF-008

## SETUP AND ASSEMBLY INSTRUCTIONS

---

Assembly of the LIKIMIO King Size Bed Frame is designed to be straightforward. All parts are clearly labeled and numbered to correspond with the instruction manual. It is recommended to assemble with two people for ease, though it can be done by one.

### Tools Required:

- Included Allen Wrench
- (Optional) Phillips Head Screwdriver

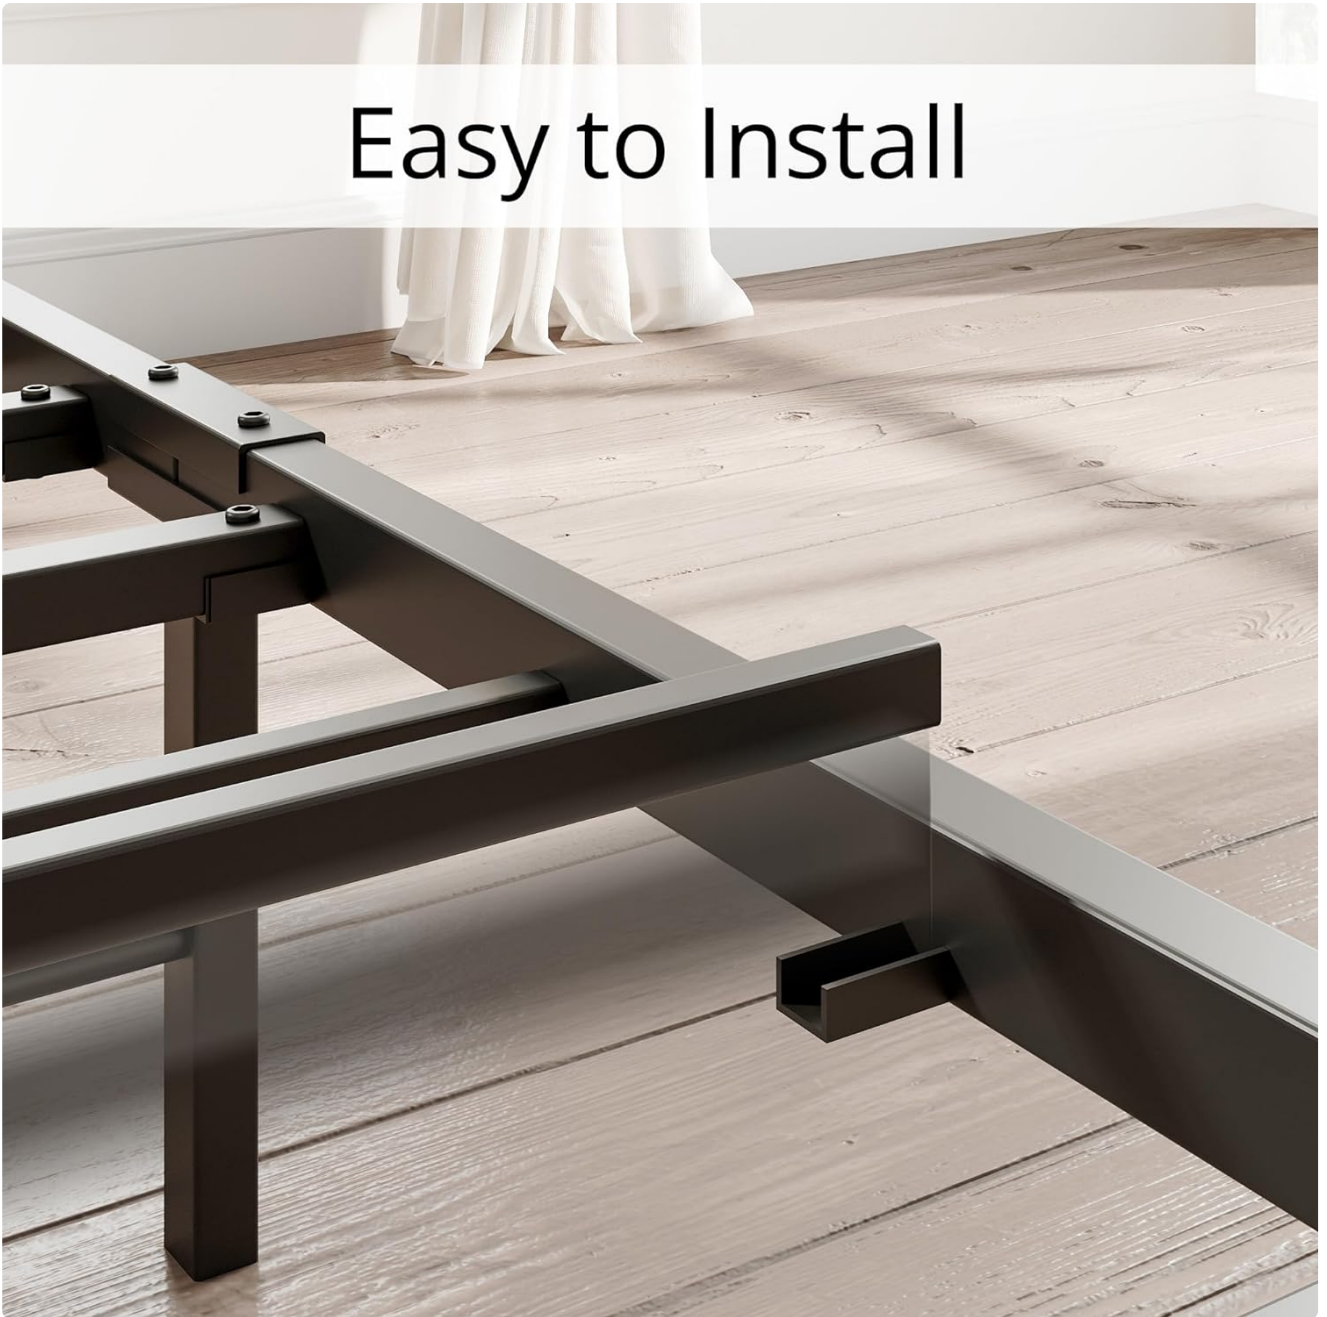

### Step-by-Step Assembly:

- 1. Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface (e.g., a rug or blanket) to prevent scratches. Identify each part by its label and compare it with the parts list in your included manual.
- 2. Assemble the Headboard:** Begin by attaching the side supports to the main headboard panel. Ensure the charging station component is correctly oriented as per the diagrams. Secure with the provided bolts.
- 3. Connect Side Rails:** Attach the long side rails to the assembled headboard. Make sure the connections are firm but do not fully tighten bolts until the entire frame is aligned.
- 4. Install Footboard:** Connect the footboard to the other end of the side rails. Ensure all corners are square and aligned.
- 5. Insert Center Support Beam(s):** Place the central support beam(s) and attach any necessary support legs. These are crucial for mattress stability.
- 6. Lay Out Slats:** Position the metal slats across the frame. Many slats feature noise-reducing pads or clips; ensure these are correctly installed. Secure the slats to the frame as indicated in the manual.
- 7. Final Tightening:** Once all components are in place and aligned, systematically tighten all bolts and screws using the provided Allen wrench. Do not overtighten.
- 8. Connect Power Cord:** Plug the power cord from the headboard's charging station into a wall outlet.

## OPERATING INSTRUCTIONS (CHARGING STATION)

The LIKIMIO King Size Bed Frame features a convenient storage headboard with integrated charging capabilities.

### Using the Charging Station:

1. **Power Connection:** Ensure the bed frame's power cord (5.9 ft long) is securely plugged into both the headboard and a functional wall outlet.
2. **USB Ports:** Connect your USB-compatible devices (e.g., smartphones, tablets) to the USB ports located on the headboard.
3. **Standard Outlets:** Plug in any standard electrical devices (e.g., lamps, alarm clocks) into the two standard plug outlets on the headboard.
4. **Cable Management:** Utilize the integrated cable management features to keep charging cables tidy and prevent tangles.

The storage shelf on the headboard provides a convenient space for placing items like phones, glasses, books, and decorative elements while they charge or are within easy reach.

## MAINTENANCE

Regular maintenance will help prolong the life and appearance of your LIKIMIO bed frame.

- **Cleaning:** Wipe down metal and wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For the upholstered headboard, use a fabric cleaner suitable for the material, spot cleaning as needed.
- **Hardware Check:** Periodically (e.g., every 3-6 months) check all bolts and screws to ensure they remain tight. Re-tighten if any looseness is detected to maintain stability and prevent noise.
- **Slats Inspection:** Inspect the slats for any signs of damage or wear. Ensure they are properly seated and secured.
- **Power Cord:** Ensure the power cord for the charging station is not pinched or damaged.

## TROUBLESHOOTING

---

If you encounter any issues with your LIKIMIO bed frame, refer to the following common problems and solutions.

Problem	Possible Cause / Solution
Bed frame is wobbly or unstable.	Ensure all bolts and screws are fully tightened. Check that the bed is on a level surface. Verify all support legs are making contact with the floor.
Squeaking noises.	Re-tighten all hardware. Check that slats are properly seated and not rubbing against the frame. Some slats have noise-reducing pads; ensure they are in place.
Charging station not working.	Verify the power cord is securely plugged into both the headboard and a functional wall outlet. Check the wall outlet with another device to ensure it has power.
Parts do not align during assembly.	Do not fully tighten any bolts until all major components are loosely assembled and aligned. If a part seems bent, gently adjust it if possible, or contact customer support for replacement.
Missing parts.	Double-check all packaging materials. If parts are genuinely missing, contact LIKIMIO customer support with your model number and a description of the missing parts.

## WARRANTY AND CUSTOMER SUPPORT

---

LIKIMIO stands behind the quality of its products. For specific warranty information, please refer to the documentation included with your purchase or visit the official LIKIMIO website.

If you require assistance with assembly, have questions about your product, or need to report missing/damaged parts, please contact LIKIMIO customer support:

- **Online Support:** Visit the LIKIMIO Store on Amazon for FAQs and contact options.
- **Email/Phone:** Refer to your product packaging or the LIKIMIO website for direct contact details.

*Please have your model number (HK-KBF-008) and purchase date ready when contacting support.*
