It emphasizes its small and multifunctional design.

4. SETUP INSTRUCTIONS

Follow these steps to connect your Diyeeni I9 Voice Changer to various devices:

1. **Connect Microphone:** Plug the included live microphone into the 'MIC' port on the voice changer.
2. **Connect Earphones/Headset:** Plug your monitoring earphones or headset into the 'Headset Jack' port.
3. **Connect to Device:** Use the appropriate audio connection cable to link the voice changer to your phone, computer, or gaming console.
 - **For Phones (iOS/Android):** Connect one end of the audio cable to the 'Live1' or 'Live2' port on the voice changer and the other end to your phone's 3.5mm port. For iOS devices without a 3.5mm jack, an interface conversion cable (not included) is required.
 - **For PC/Laptop:** Connect one end of the audio cable to the 'Live1' or 'Live2' port on the voice changer and the other end to your computer's audio input. An adapter may be needed for some PCs.
 - **For Gaming Consoles (PS4, Xbox, Switch):** Connect one end of the audio cable to the 'Live1' or 'Live2' port on the voice changer and the other end to the console's 3.5mm port or controller's headset jack.
4. **Power On:** Press and hold the power button on the device to turn it on.

5. OPERATING INSTRUCTIONS

Familiarize yourself with the controls and functions of your I9 Voice Changer:

Image: A detailed diagram of the I9 Voice Changer's control panel, labeling all buttons and ports. Key areas include Power Level Indication, Lighting Area, Multiple Hot Modes, Sound Change Button, Mic Keys, Voice Keys, Dodge Key, Deactivation Keys, Atmospheric Sound Zone, On/Off Key, Voice Change Trim Button, Accompaniment, Reverb, Electric Keys, Noise Reduction, Light Keys, Microphone Jack, Charging/Computer Live Interface, Headphone Jack, Phone Interface 1, Phone Interface 2, and Accompaniment Interface.

1. **Power On/Off:** Press and hold the **On/Off Red** (red button) to power the device on or off.
2. **Select Voice Change Mode:** Use the buttons in the 'Sound Change Button' area to select from 8 different voice effects (e.g., Male to female, Female to male, Baby, Youth, King, Lolita, Witch).
3. **Fine-Tuning:** Use the **Fine-tuning** buttons (+/-) to adjust the selected voice effect for more variations.
4. **Apply Sound Effects:** Press any of the 8 colored buttons in the 'Atmospheric Sound Zone' (e.g., Applause, Kiss, Laughter, Cheer, Surprise, Show up, Crow, Time) to trigger instant sound effects.
5. **Adjust Volume:** Use the **MIC**, **VOICE**, **MUSIC**, and **ECHO** volume adjustment keys to control input and output levels.
6. **Live Broadcast Modes:** Select from various live broadcast modes (Normal, Robot, DJ, RAP, Studio, Vlog, KTV, Cartoon) using the buttons in the 'Multiple Hot Modes' area.
7. **LED Lights:** The device features LED lights. Use the **Light Key** to control them.
8. **Charging:** Connect the USB charging cable to the charging port (Input: DC5V-1A) to charge the device. The battery life supports 5 to 6 hours of use when fully charged.

6. DEVICE COMPATIBILITY

The Diyeeni I9 Voice Changer is designed for broad compatibility:

- **Mobile Phones:** Compatible with both iOS and Android mobile systems. An interface conversion cable may be required for iOS devices without a 3.5mm jack.
- **Computers:** Works with PCs and laptops. A separate adapter may be needed for PC connections.
- **Tablets:** Compatible with various tablet devices.
- **Gaming Consoles:** Supports Nintendo Switch, PS4, and Xbox.

Audio Output Mode	Surround
Platform	Android, iOS
Input	DC5V-1A

8. TROUBLESHOOTING

- **No Sound/Voice Change:**
 - Ensure all cables are securely connected to the correct ports.
 - Check the volume levels for MIC, VOICE, MUSIC, and ECHO on the device.
 - Verify the device is powered on and has sufficient battery charge.
 - For iOS systems, confirm you are using an interface conversion cable if your device lacks a 3.5mm jack.

- For PC connections, ensure any necessary adapters are correctly installed and configured.
- **LED Lights Not Working:**
 - Check if the independent control switch for the LED lights is turned on.
- **Sound Quality Issues:**
 - Adjust the fine-tuning function for each sound mode to optimize the output.
 - Ensure the microphone is positioned correctly and not obstructed.

9. MAINTENANCE

To ensure the longevity and optimal performance of your Diyeeni I9 Voice Changer Set, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the device. Avoid using liquid cleaners or abrasive materials.
- **Storage:** Store the device and its accessories in the provided carbon fiber textured leather storage bag when not in use to protect it from dust and damage.
- **Battery Care:** Charge the device regularly, even if not in frequent use, to maintain battery health. Avoid extreme temperatures during charging and storage.
- **Handle with Care:** Avoid dropping the device or subjecting it to strong impacts.

10. WARRANTY AND SUPPORT

For warranty information, technical support, or service inquiries, please refer to the documentation provided with your purchase or contact Diyeeni customer service directly. Keep your proof of purchase for any warranty claims.
